

FOUNTAIN NEWS

The Youth Fellowship of Fountain Presbyterian church was host Sunday afternoon at 5:30 at a joint meeting of fellowships from Farmville, Falkland, Greenville and Grace chapel.

R. B. Owens, president, presided at the meeting. Miss Ernestine Mosley rendered a poem and Sidney Carraway sang a special number, "Why Did He Love?" Wyley Yelverton served as organist. Jimmie Horton explained the purpose of the meeting and Miss Lela Mae Mosley told of the work of the organization, after which Miss Wilma Mae Owens told of what the PYF is trying to do for the young people. Garland Windham, Miss Ann Harris and Miss Carolyn Moore led in prayer.

At the close of the service, the Women of the Church served punch, sandwiches and cookies. After refreshments, by special re-

quest, Sidney Carraway sang "An Evening Prayer."

Circles 1 and 2 of the Presbyterian church met Tuesday at the home of Mrs. C. L. Owens. Mrs. Gertrude Owens led the devotional. Mrs. J. L. Dozier gave the article, "Mission in the Home Land."

At the conclusion of the business meeting, the hostess served ice cream and cake.

The annual Harvest Sale at Boyd Memorial Presbyterian church, four miles west of Greenville on highway 48, will be held tonight at 6 o'clock.

Think twice today when you buy a truck! GMC extra-value features include Synchro-Mesh transmission, Power-Assisted crankshaft, full-pressure lubrication, recirculating ball-bearing main gear, planetary-type bearings and Libero-Wheel-axle axle-assembly and Libero-Wheel practically all models from 1/2 ton up. That's why more trucks are buying GMC's today than ever before—experience proves them best in the long haul!

What new truck you're considering may have to last a long time. So you'll be wise to look at a GMC for these important reasons: GMC's are built by the world's largest exclusive manufacturer of commercial vehicles—with the broadest truck engineering experience. GMC's are real trucks. Engines, transmission and frame, as well as cab and sides, are all specially truck-built to give you longer service. GMC truck-built engines have high horsepower with higher sustained torque—greater pulling power. They are built to give extra years of service with low maintenance. Get a real truck!
