DR. HESSOR SPEARS TO WALTONSBURG P.T.A.

"Every child is due a chance to become a successful citizen in life, and it is the responsibility of parents to see that children are properly guided," emphasized Dr. John D. Hessor as he spoke to the Waltonsborg P.T.A. on Tuesday, October 9, 1951. Mr. J. H. Foster, principal, presided over the session of the P.T.A. at the home of the President, Mr. Henry Burch.

After the meeting was called to order, Miss Elma Chambers of the faculty, conducted a very forcible devotion, stressing the significance of youth and the responsibility of adults in their development. Mrs. Shirley's glowing speech was the attendance prize for having the most parents present. A committee composed of Mr. and Mrs. D. H. Fields, Mrs. S. W. Holden, Mrs. L. J. Rouse, Mrs. Ben Gray and Mrs. Troy Dunford was appointed to make plans for the annual Halloween Party. Plans for the party will be announced in the near future.

Mrs. Beuretta Williamson, program chairman, presented Dr. Paul Jones of Farmville to the group and he introduced Dr. Measick, president of East Carolina College. Dr. Measick gave a very informative talk on the facts regarding the importance of proper health habits. He urged the parents, as well as the teachers, to make all efforts to protect the health of children. He stated that every child is an individual and can only progress according to his ability. Special mention was made of the necessity of understanding adolescent children. Much valuable information was revealed in Dr. Measick's interesting speech.

The next monthly meeting is scheduled for Thursday, November 1.
