**Raleigh Roundup**

**Sports Roundup**  
In this City of Raleigh, which regards itself as the sports capital of the South, there are often as many sports rumors as political ditty.

There is talk here now that State Coach Bettie Feathers will be given his release at the end of this year, with—hold on to your chair—D. C. (Peahead) Walker, now assistant coach at Yale, replacing him. Laugh if you will, but at least one out-of-State sports scribe came up with it last week and passed it along as serious conversation.

It is also rumored that Jim Tatum of Maryland will be offered Carl Snavely's post at Carolina.

While we are on sports, might as well put this down: Look for Duke to have one of the nation's best football teams next season. Those frosh are good and getting better every game.

**Check-Up**  
State Treasurer Brandon Hodges was in Duke Hospital a few days ago for a thorough check-up. At the time, folks didn't know where he had gone, gathered that a big political conference was being held in some smoke-filled room. Politicians, it was reported, had all agreed that Hodges would definitely be a candidate for Governor. Well, we still doubt if Hodges will run—although he did get a clean bill of health at Duke.

**Salary Fuss**  
A lot of school principals throughout the State—and a goodly scattering of other school folk—are raising Merry Ned at the rule followed by the State in granting salary increases for teachers, principals, and superintendents. Hear with us for a moment and you will readily see why:

The most experienced teachers received \$39 per month. These are the A-11 teachers. The A-10 (or those with as much as 10 years experience) realized an increase of \$37 per month; A-9, \$35, etc. on down the list until an A teacher with no experience received the least increase.

The same rule was followed with superintendents—in this way. The superintendent with 10,000 pupils in his unit received an increase of \$600 per year, or \$50 per month, while those with 1,100 pupils got \$30 per month. In short, the bigger the basic salary, the more the raise—with superintendents and with teachers.

But now let's move to the principals who have had as much as five years experience. The principal with 10 teachers under him got an in-

crease of \$36 per month. Those with 15 teachers, \$33 per month; 20 teachers, \$31.50 teachers, \$31.40 ET teachers, \$31.00; 35 teachers, \$31.00; 40 teachers, \$30.00; 50 teachers, \$28.00 more than the year before. The principal with the smallest school is receiving the largest increase, while the principal with the largest school received less than last year.

It is easy to see that the State acted in reverse order when it got to the principals. You haven't heard the last of this matter. On superintendents and teachers, the most got the most, while with principals the most got the least. Consistency then are a jewel!

**Hot Spot**  
The lawyers are in a hot spot for next spring's Primary. There are two Superior Court judges running to replace Scott-appointed Timous Valentine of Nashville on the State Supreme Court.

Judge H. Hunt Parker of Raleigh Rapids has formally announced, and so has Judge F. Donald Phillips of Rockingham in Richmond County. Oscar Eloff of Winston-Salem will also make the race. He ran against Justice E. B. Deany in 1936 and got strong support from organized labor and the Negro population. This is support which Justice Valentine would normally expect, but probably will lose to Eloff.

**Representation**  
All this comes about as a result of the death of Chief Justice Stacy Justice Devin was appointed to this vacancy, leaving Devin's seat open. Stacy was originally from the eastern judicial division. Justice Devin is from Granville County. Justice Johnson is from Sampson. Justice Barnhill is from Rocky Mount. All from the east.

Justice Winborne of McDowell, Justice Ervin of Burke, and Justice Denny from Gaston, are from the western division. Justice Valentine from Nash is from the eastern division. Thus there are three eastern division justices and three western division justices—and an eastern division chief justice.

To preserve this balance, it would appear that Justice Valentine or Judge Parker should be elected.

**Notes**  
A new-type helicopter which may

be swapped to the back of a Mustang may be tried out at Camp Lejeune early next spring. These machines are now in the experimental stage—can fly at 80 miles an hour 2,000 miles up. The Charlotte Observer is setting up a special bureau here in Raleigh. — Gov. Scott is in Hot Springs, Ark., this week attending the Southern Governors Conference. — First Christmas parades of the year are being held in Charlotte and Asheville this week.

**TWO FIT STUDENTS AT GREENSBORO COLLEGE**

Fitt County is represented at Greensboro College this year by two students: Miss Betty Rose Wilkerson, daughter of Mr. and Mrs. J. E. Wilkerson, Rt. 2, Farmville, and Miss Susan Jackson, daughter of Mr. and Mrs. R. G. Jackson, 310 W. Fourth street, Ayden.

Represented in the student body this year are students from 65 counties in North Carolina and 5 other states including Alabama, Massachusetts, New York, South Carolina and Virginia.

In the present student body twelve denominations are represented: Baptist, Methodist, Presbyterian, Christian, Episcopal, Lutheran, Christian Science, Catholic, Evangelical and Reformed, Greek Orthodox, Congregational, and Mormon.

**SAM D. BUNDY SPEAKS AT LADIES' NIGHT ENGAGEMENTS**

Sam D. Bundy filled two speaking engagements this week. On Monday night he was guest speaker at the Harlan Ladies' Night at Contentnea School near Kingston and Thursday night he was speaker at the English Ladies' Night banquet.

**MRS. FRED DARDEN U. D. C. HOSTESS**

Mrs. Fred Darden was hostess to members of the United Daughters of the Confederacy at her home near Farmville on Friday.

Mrs. J. H. Darden, 55, president, opened the meeting in ritualistic form. She called to the attention of those present the honor of having Mrs. Glenn Long of Newton elected President General, at the general meeting held recently in Asheville. She also remarked about the \$1000 award given to a professor of East Carolina College for an unpublished historical essay.

Rev. Gilbert Davis, Jr., was program speaker of the afternoon and used as a topic "My Faith in the Future."

Mr. Wilbur Ormand rendered several folk songs on the accordion. The hostess assisted by Mrs. Wallace Barrett served mince meat pies, cheese straws and coffee.

**Low-Down on a high-powered Performer**

Let us tell you this:  
The Buick pictured here packs more power than you find in any other car of its size and price.  
That's the power of Buick's newest high-compression valve-in-head eight—the F-263 Fireball Engine, that really gets miles from a gallon of gas.  
Add to this the fact that it tips the scales at 3517 pounds curb-side—and you begin to see why this big-powered beauty is such a simple-footed number out on the road.  
But that's only Chapter I of the performance story.  
There's a big-car feel to the way this trim traveler covers the ground—hugs the curves—holds its course on the straightaway—smothers the bumps with its big soft coil springs on all four wheels.  
There's a big-car room inside—six-passenger room—headroom, hiproom, shoulderroom, knee-room, front and back.

Come in, look it over, and we think you'll agree—it's a big in everything but price.

And that's where it really shines. If you've shopped around you'll know what we mean when you read the price tags, and what they include in the way of standard equipment that shows up as "extras" on so many others. Such things as an oil filter, air cleaner, vacuum booster, built-in summer ventilation are all yours at no extra charge.

It's hard to believe but it's true. If you can afford a new car, you can afford this Buick at the prices we're quoting today.

Better come in and look this smart buy over.

*Standard equipment, shown as standard on this Buick. Shaded as "extras" priced as extra on other Buicks.*
