End of Season Finds Farmville Market Setting One New Record And Threatening Another; Led Belt

The Farmville tobacco market cracked a new record for money paid in the season which ended last Friday, and came within 60,000 pounds of selling as much tobacco as in 1946, whose mark of 31,458,070 pounds is the highest in recent years.

Sales Supervisor Fred C. Moore's official figures for the season, which, incidentally, will probably find Farmville leading all the markets in the entire five-cured belt, from Florida northward, show that the seven warehouses sold 31,391,523 pounds, for an average of \$58.25. The total amount paid for this tobacco was \$17,667,763.87, by far the largest amount ever recorded here in one season.

Farmville's gain over 1950 is more than five and a half million pounds or approximately 30 per cent. The average is much higher than last year, and Farmville once more will take its place—rightfully so—as the best tobacco market under the sun.

Those connected with the market have every reason to be proud of the record. The season started slowly, in August, and light sales on local floors led to fears that the market would not be in the forefront when the official averages were in. What- ever fears developed were quickly erased as floors began to fill up, and new records were set for averages.

Local Girl Enters State Beauty Contest

Miss Joan Atkinson, attractive daughter of Mr. and Mrs. Ben Atkinson will represent the Pitt and Greene Electric Membership Corporation in the state beauty contest, which will be a feature of the banquet at the Sir Walter Hotel in Raleigh, in connection with the Rural Electrification Association Convention there Tuesday and Wednesday.

Miss Atkinson, who will be accompanied by her mother, is a senior in the local high school. She has been a member of the High School Band for two years. This year is studying the playing of the drums. She is a piano student and has been a member of the girls' varsity basketball team for two years.

MRS. MURRAY JUNIOR WOMAN'S CLUB SPEAKERS

Mrs. Fred C. Moore, who was introduced by Mrs. Harold Moore, made a timely and interesting talk to members of the Junior Woman's Club when it met on Tuesday night at the hut with Mrs. James Bennett, Mrs. Jean Williams and Mrs. S. H. Aycock, Jr., as hostesses.

Mrs. Moore explained methods of preserving greenery and described how to make Christmas decorations using as examples some of the decorations used in the Christmas show held in Raleigh last week. Mrs. Moore invited the members to visit her shop, where she will have on display her Christmas decoration creations, after the business session of the December meeting of the club.

Mrs. C. D. Olesby, president, presided over the business during which the club voted to participate in the national project by sending a CAMEL package to Korea. Members also displayed outfits made by them for the fall project.

FAITH OF BERTIE MOYE WAS IN MOUNT PLEASANT

Miss T. Moya, father of Bert Moya, died at his home in Mount Pleasant early Monday morning. Mr. Moya, 54, died as the result of a heart attack. He was principal of the Mount Pleasant school, president of the Mount Pleasant Lion's Club, a Mason and was active in social, civic and religious activities.

Funeral rites were conducted from the St. James Reformed Church in Mount Pleasant at 10 o'clock on Tuesday morning and burial was made in Scotland Neck. The Rev. Thomas Ruffin, Rev. Charles A. Auld and E. H. Tucker officiated. Burial was in the Scotland Neck cemetery. Mrs. Moya is survived by her husband and two children, Mrs. Moya and Mrs. Moya.

At The Rotary Club

David Britt, of Fairmont, District Governor of the 27th Rotary District will speak at the regular meeting of the Rotary Club, Tuesday night.

LeRoy Rollins was speaker at the meeting this week.

Will Durant Speaks At Executive Club

Will Durant noted lecturer, and former college professor, who has traveled extensively in the European continent in the last several years, spoke to the Executive Club members and other guests in Greenville on Tuesday night. The meeting was held in the dining hall of East Carolina College, and was presided over by the president, Sam D. Bundy.

Dr. Durant is the author of several books of which the best known is "The Story of Philosophy." He used as a topic for his talk, "Lessons of History." Durant, a speaker of vibrant oratory, outlined the history of man, beginning with the cave man era, from biological, genealogical, economical and religious standpoints. He expressed the thought that man is by nature extremely aggressive and somewhat cruel and that he must seek religion in order to gain the qualities of character and restraint necessary to live peacefully with one another.

Among the local people attending the turkey dinner were Mr. and Mrs. Sam Bundy, Mr. and Mrs. Alex Allen, Mr. and Mrs. Louis Allen, Rev. Z. B. T. Cox, Dr. Paul Jones, Mr. and Mrs. James E. Hockaday, Mrs. Ellen Carroll, Dr. J. M. Newborn, Mrs. Herman Baker, Mrs. W. Jesse Moya and Miss Annie Lee Jones.

The officers are expecting a large percentage of the membership to be present.

Peanut Producers Urged Not To Sell Less Than Support Price

R. F. Fink Shaw, of Greensboro, executive vice-president of the North Carolina Farm Bureau, called on peanut producers this week to sell their 1951 crop for less than the support price of \$220 per ton.

He said that both the North Carolina and Virginia Farm Bureau Peanut Committees, at a meeting last week in Scotland Neck, went on record as being in favor of this move to promote an orderly marketing of this year's crop.

Shaw pointed out that the Farm Bureau organizations in each peanut-producing county of North Carolina and Virginia are making plans to sign up all available peanut storage space to receive farmers' stock peanuts under the FMA loan program, if such space is needed.

The resolution states: "No producer should sell his 1951 crop of peanuts at less than support price. If the peanut shellers and cleaners do not purchase the crop at support price or better, the government peanut price support program, working through the UNITED PEANUT CO-OPERATIVE, Inc., is set up and ready to support the crop by purchasing peanuts at support price at licensed warehouses throughout the peanut belts in both States."

Shaw said that the loan program on peanuts is available for all eligible producers not exceeding the farm acreage allotment, and that the producer would receive 100 per cent of the support price for his peanuts adequately stored on or off the farm.

The Farm Bureau Chief said that many warehouses have already been licensed throughout North Carolina and Virginia for peanut storage, and he urged farmers that they would sell at support price for their crop if they complied with the storage regulations.

The allotment of about 25,000 additional acres of Virginia, and the allotment of about 10,000 acres of North Carolina, are the result of the Farm Bureau's efforts to increase the production of peanuts in the South.

WELFARE OFFICE NOTES

Fear of the Lien Law, for Old Age Assistance recipients, passed by the last General Assembly, continues to remove cases from the assistance rolls of Fifty County. At the regular meeting of the Fifty County Welfare Board on October 26, forty-six cases were closed, forty of which were terminated because of the Lien Law. Six cases were approved and thirty-nine cases were reviewed and re-vised.

For the Aid to Dependent Children program, four new cases were approved, twelve cases were re-invested, two cases were rejected, and forty-two cases were reviewed and revised. There were seven terminations in this group.

The presence of the Lien Law, in-comes in the home of applicants or recipients, and the property rules and regulations as applied to current cases in review have reduced the number receiving Old Age Assis- tance by 12% since July 1950.

Parade Will Open Christmas Season Saturday, Dec. 1

Farmville businessmen and officials of the Chamber of Commerce are planning to have their Christmas opening on Saturday of next week—an interval of 10 days after Thank- giving yet early enough to give their customers plenty of time to prepare for the gayest season of the year.

As heretofore, a parade will officially open the season. There will be gaily decorated floats, the high school band, and other attractions aimed directly at the youngsters but guaranteed to delight and please the oldsters.

Scheduled for 10-30, the parade will be judged, with cash prizes of \$25 and \$10, respectively, for the two best floats and a five-dollar bill to the boy and girl who have the best-decorated bicycles. Cash awards will also be presented, at a judging date to be designated later, to the best dressed store and the most attractive home decoration.

Naturally, leaders of the town are anxious to have many visitors here for the occasion and merchants have been urged to make their stores as attractive as possible. They are positive that looks will be "more than skin deep" because they have the finest stocks of merchandise, seasonal and otherwise, in their history, and a glance at their prices will point out the utter folly of going elsewhere to trade, either at Christmas or any other time of the year.

Kiwansians Have Ladies' Night

Dr. T. C. Johnson, North Carolina Commissioner of Paroles, summariz- ed his work for Farmville Kiwanians and their guests, at the club's annual ladies' night banquet last Friday night in the school lunch room, and quoted some amazing facts, one of them being that 70 per cent of the 15,000 prisoners incarcerated in this state annually have served previous terms.

Presiding in the absence of Presi- dent Charles Edwards, Vice President Bernice Turnage presented the distinguished visitors and out-of-town guests, after Rev. E. W. Holmes had led several songs and D. D. (Jake) Fields had delivered the invocation. Among the visitors were Mr. and Mrs. Milo Smith and Dr. and Mrs. Leo Jenkins of Greenville, President and Mrs. Roland Modlin of Washing- ton, President Jesse Moya and Mrs. Moya of the Rotary club, W. H. Mer- cer of Wilson, an investigator for the State Parole Commission, and Miss Anne Perkins.

Rev. Z. B. T. Cox expressed the club's appreciation for the Kiwanis wives. The Christian minister spiced his semi-serious talk with comments and side-remarks that emphasized the club's respect for their "letter halves" and summed it all up with his closing sentence, "We wouldn't be worth a dime a dozen without you."

Rev. Holmes, pastor of the Farm- ville Baptist church, presented Dr. Johnson in a glowing manner, citing some of the Commissioner's achieve- ments as a college professor, a news- paperman, a Baptist minister, and in other fields of endeavor.

Dr. Johnson, displaying a sense of humor which is one of the primary factors behind his success in public and private life, told his listeners that the state now has 9,000 prisoners in its custody.

Since his appointment to the posi- tion he now holds, Dr. Johnson stated that he had discovered two facts which stand out: (1) The age average of criminals is constantly decreasing—some offenders are as young as 12 or 13; (2) Less than 4,000 of the 15,000 incarcerated last year were first offenders.

A majority of the inmates of North Carolina's prisons are just rank and file folks, explained Dr. Johnson, who are not criminals or vicious by nature but are led, by weakness, to acts that require their separation from society. He also stated that a good percent- age, more than one would think, are not guilty of the crimes for which they have been convicted.

As an argument in favor of using the parole system as a means of re- habilitating prisoners and reclaiming them for society, Dr. Johnson explained that 95 per cent of all prisoners are to be released, anyway, and that under a parole system the state can maintain supervision of them and direct them into a decent way of liv- ing—something that is impossible when the prisoner has completed his term, given a new suit of clothes, and turned loose.

Miss Stanley Mancy of Wilson was guest of honor of Friday night.
