At The Rotary Club

Ed Nash Warren, program director at the Rotary Club Tuesday night, introduced H. Horton Rountree, rezens Committee for the Adoption of the Hoover Report, who in turn presented the guest speaker of the evening. Attorney Dan H. Jones.

Jones stated that one of the objectives of the Citizens Committee was to publicize the Hoover Report, the purpose of the study being to promote economy and efficiency in federal government.

Using a historical background depicting the rise and fall of empires, Jones pointed out that in most cases where a record existed of lost countries, the condition came about by oppressive taxes, inefficiency in government, or oppression from outside. Bringing the matter closer nome,

Jones stated that Congressman Bonner has actively opposed economy measures proposed by the Commission. This pi-partisan Commission used something like 300 experts to make a study consuming two years and two million dollars, which study The transport passed close to the resulted in plans for the elimination of duplication, inefficiency, and waste in the Government, to the tune of five and one quarter billion dollars each year.

The speaker pointed out several instances where government red tape. inefficiency, and waste had proved costly.

Nine members were absent and Charlie Rasberry received the attendance prize.

Committees were named to make plans for Annual Ladies' Night which will be held about the middle of

February. Walter Jones, Levi Walston and

W. A. McAdams were named as a committee to work out any necessary plans with reference to the Inter-City meeting to be held in Ayden. Darius White will be in charge of the program next week.

interest Mounts In Bloodmobile's Visit, February 5

the committee making arrangements for the visit to Farmville on Tuesday, February 5, of the Red Cross bloodmobile, reports that interest is increasing in the project and chances are the community will reach its goal of 150 pints of blood.

A representative of the Red Cross met here Tuesday with a group of ladies who will handle the service work of the project and gave a detailed summary of what will be expected. The Presbyterian church will be headquarters for the project, designed to replenish the nation's supply of blood for men in the armed forces. Donors will be mailed cards showing the time they will be expected to report. The work will begin at 9:30 and continue until 3:30.

Prospective donors who wish to obtain pledge cards or to volunteer as a donor are requested to call Jack Tyson at Tyson's Jewelry or Bob Wheless at the Wheless Drug Store. Both of these are helping with the proposal, and both have been actively associated with the blood bank which the V.F.W. has maintained to furnish transfusions for persons in need of such treatment. Bob has given five transfusions within the past year, and probably as many as 12 or 15 since he was released from service. Dr. J. M. Mewborn is chairman of the Medical Society's bloodbank committee which is working with the Red Cross in bringing the bloodmobile to the county. It is expected that at least 225 prospective donors will be required for Farmville to reach its
