WELFARE OFFICE NOTES

New rules and regulations and deletions by death or economic changes together with the Lien Law, continue to decrease the number of persons receiving public assistance. At the December meeting of the Wel-fare Board, six Old Age Assistance cases were approved and seven cases closed. For the January meeting fourteen cases were approved and twenty-one cases closed. Seventyfive cases were revised at the Decem ber and January meetings. The Aid To Dependent Children program for December and January meetings found sixteen cases approved and twelve cases closed. There were twenty-four revisions. It is significant to note that 146 fewer persons

received Old Age Assistance in January, 1952 than in January, 1951 and for Aid to Dependent Children there were 34 cases less in January, 1952

than received assistance in 1951. Since Miss Georgie Hughes, Child Welfare Case Worker resigned to accept the position as Superintendent of Public Welfare in Carteret County on January 1, no one has been found to replace her. Her 146 service cases have been divided among the general case workers as an emergency measure. All adoption cases, however, will be done by Mrs. Elizabeth R. Avery, case worker and most of the Probation cases will be serviced by

Paul Hodul, case worker. Miss Jennie Manning, case worke with the Blind, has lost her Seeing Eye Dog and will leave on February 25 to go and take three weeks training course and will return with a new dog.
