A WEEK OF OUTSTANDING VALUES ON AMERICAN MANUFACTURED FOODS

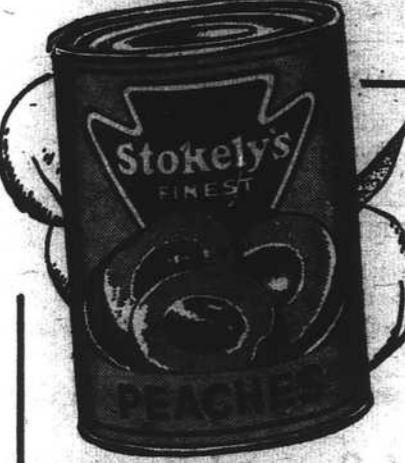

The word "Best" on every Stokely label means just what it says. Stokely picks only one grade—the very finest grown. Yet Stokely's are undeniably packed.

On the back of every Stokely label you'll find tempting, kitchen-tested recipes—new and delicious ideas with which to please your family.

Stokely's products are made of the finest grown and chosen of fruits and vegetables with 10 modern plants located in America's most fertile regions.

Stokely's quality is earned by laboratory and kitchen testing. To insure uniform quality, they demand strict standards. The research money you put into Stokely's Best Foods on the label money you buy.
