

Ernest N. Petteway, who has been manager of the local Belk-Tyler store for several years and has been actively associated with various civic and church groups, has been elected to serve as president of the Chamber of Commerce and Merchants Association, succeeding T. Eli Joyner, Jr., who is rounding out a two-year term as head Pines visited with relatives here last of the organization.

Mr. Petteway, who has previously served as an officer and director of the Chamber, was elevated to the presidency Monday night at the first meeting of the new board of directors. Nassif Gannon was named vicepresident.

illness.

Sunday.

Wilson, Sunday.

Other members of the board are R. D. Rouse, Jr., Glenn Newton, Ed Davenport, Joe D. Joyner, B. F. (Jack) Lewis, Jack Tyson, C. Hubert Joyner and Marvin Speight.

Fred C. Moore will continue serve as executive secretary, a position which he holds while also serving as sales supervisor for the local market.

The first project facing the new board is that of making arrangements for Farmers Day, an event which was given such an auspicious start last year and which will become a high mark, if leaders have their say so, on the calendar of Eastern North Carolina.

Dr. Harold Dudley And Dr. Nixon On **Finals** Program

Dr. Harold J. Dudley of Raleigh, executive secretary of the North Carolina Presbyterian Synod, will deliver the commencement sermon at the Farmville high school on Sunday, May 18, at 8 o'clock. Dr. Dudley is a former pastor of the First Presbyterian Church of Wilson.

Dr. F. O. Nixon, president of Chowan College, Murfreesboro, will deliver the address on Monday night, May 19, at 8:15.

The remainder of the program, a announced by Principal Sam Bundy, was published in a recent issue of The Enterprise.

Mr. Hicks, pres of the Tobacco Stabilization poration and one of the prime mover the program next week. Club president Jesse Moye preside in farm control programs, in introducing the visiting speaker, praised him for his work with the various Margaret Andrews

agricultural programs. Mr. Floyd stated that North Carolina produces 67.6 per cent of all to-bacco produced in the flue-cured area and reminded his listeners that the current farm program, important as it is to this section, is on shaky legislative territory. He stated that it was passed by a one-vote margin; and that certain interests in the country are fighting to have it re-

nealed The need for intensive research and education along agricultural lines was emphasized in Floyd's statement that non-farm income increased 21 per cent between 1947 and 1950, while

the agricultural income suffered a de-cline of 25.7 per cent over the same period. Farm incomes were up in 1951, but they are now on the decline again.

Research and agricultural leader have their sights on a \$1%-billion

agricultural income for North Caro lina within the next 10 years. This goal represents an income of nearly double the present \$800-million income. But the Kiwanis speaker insisted that it could be met if research

and education are given their rightful places in agricultural pursuits by Mrs. Lloyd Smith.
