# ntersection

Jackie Allen, 4-year-old daughter of Mr. and Mrs. Johnny Allen, was struck by a car late Saturday afternoon. The accident occurred at the stoplight on South Main Street in

stoplight on South Main Street in front of the S. and H. Cleaners.

Jackie was crossing the street with her mother and sister, Jamie Lee, 5, and Hilds Grey, nearly 2, when she was struck by the bumper of a '40 Ford, driven by a Negro man.

Mrs. Allen and children were cross-ing on the red light and the driver of the Ford, approaching Main from West Pine, was turning the corner towards Snow Hill on the green light. He applied his brakes when he saw the child in the path of his car but not quickly enough to avoid hitting Jackie, and according to Mrs. Allen's estimate, throwing her 8 to 10 feet. Herbert Moore was the first person

to reach the injured child. She was taken to the doctor's office by Mr. and Mrs. W. T. Candler. So far, Jackie's injuries have not amounted to more than bruises about the head and body. No charges have been made against the driver of the

# At The Rotary Club

Dr. J. M. Mewborn was program chairman at the regular meeting of the Rotary Club, Tuesday night. He showed an interesting film, "The Story of Chapel Hill."

Charlie Rasherry, president, pre-sided and welcomed the guests, who were, Jasper Lewis, Jr., brother of the club pianist, Miss Margaret Lewis, and Glenn Spell, grandson of O. G. Spell.

Cleveland Paylor won the attendance prize.

RENOVATING IN PROGRESS AT LOCAL SCHOOL

When students return to their studies in the local school, Tuesday, August 26, they will be greeted with the sight of newly-painted classrooms and other improvements.

The Home Economics Cottage has been repainted white and the up-stairs classrooms and hall of the of pleasing color. All toilets have been painted.

Now in progress is the painting of the auditorium, Perkins Hall. Soft shades of green combined with white have been used in the color scheme. General repairs have also been made at the plant,

# Rooms, Apartment In Great Demand

Prod C. Moore, executive secre-tary of the Chamber of Commerce, has received a number of requests recently for furnished apartments recently for furnished apartments and rooms. These requests are coming from tobacconists who will be here for the marketing season and from other persons who will need local living quarters for a nucle longer time.

To facilists the handling of these requests and to comply with them as completely as possible, Secretary Moore sak that Parmerlls, chinese list, with him any

ville citizens list with him any rooms and spartments they have for rent. His office telephone number is 4900.

# No Welfare Money For Owners of Autos **And Television Sets**

In April, 1952, several new regulations governing administration of public assistance became effective in public assistance became effective in the North Carolina Departments of Public Welfare. Among the changes affecting public assistance recipients are regulations regarding ownership of automobiles, trucks and television sets. No public assistance recipient can own an automobile or a truck un-less such vehicle is being used to help provide an income for him, or unless otherwise proven to be essential. otherwise proven to be essential.

No television set can be owned by recipient unless it can be proven that the source from which he of ed the set does not also mean that he has sufficient resources within his family group to meet his needs.

In Pitt County two cases have thus far been closed because of ownership of non-essential automobiles or trucks and one case has been closed because of ownership of television set.

Periodic reviews each 12 months for Old Age Assistance and each six months for Aid to Dependent Children, are bringing to light recipients who come under the new regulations.

## Edwin Mall Given Citation And VFW Medal At Banquet

Little League Team Presented Awards

Edwin Mall, president of the Farmville Little League, was singularly honored Wednesday night at a banquet given by the Veterans of Foreign Wars for members of the Veterans Little League team and the boys' fathers. The team is sponsored jointly by the V.F.W. and the American Legion.

Mayor Walter B. Jones, on behalf of the Burnette-Rouse Post, presented Mr. Mall with a National Veterans of Foreign Wars Citizenship medal and read the citation presented by a contest to be held at State College, the post to him. The citation said in part, "In appreciation of the time and effort you put toward the institution of a New Youth Program in the community of Farmville, we are honored to have you with us tonight. The Farmville Little League would not have been formed without your push and patince. It is already showing its effects upon the youth of our community. It not only teaches them cooperation and teamwork, but also, that they can live together without jesiousy and hate, the two things the world needs to learn."

The citation stated that Mr. Mall is the first and only person in the com-munity to receive this type medal. It was signed by Lyman Bass, com-

Mayor Jones, in addition to pre-ing the citation and medal, a inspiringly on the subject of cit ship. Sam D. Bundy, in a briefer talk, spoke appropriately about the same topic.

R. R. Newton, Jr., district com mander, spoke especially to the little leaguers and their fathers. He ex-pressed to them the satisfaction and purchase two community busses and maid that when this project has been accompanished the boys could use them for out-of-town games. In clos-ing he called the boys attention to packages that marked their places, ation. The packages contained conze baseballs bearing the V.P.W

Fountain, Jr., student at the University of North Carolina, and son of Mr. and Mrs. John Fountain, Box 6, Fountain, smiles after his first flight in a B-29 Superfortress Bomber. Young Fountain is seeking a degree in Business Administration, and will go on active cuty as a 2nd J.ieutenant in the Air Force Reserve following graduation next June. Waile at Mac Dill he and the other Calets, learned first-hand, information about the expanding Air Force. Highlights of training included physical conditioning, flights in tactical aircraft, and instruction in navigation, a.lmin-istration, and other fields.

# Bob Barrett, Jr., On World's Fastest Ship

At least one Farmville citizen, R. G. Barrett, Jr., was an eye-witness to, and actually had a part in, the record-breaking crossing made last week by the new luxury liner, the United States, from New York to England and return. The liner clip-ped several hours from the mark held for several years by the Queen Mary, a Cunard liner, for the eastwest crossing, and then, to show the run was no fluke, clipped nine hours and 36 minutes off the Mary's westward voyage.

Barrett is serving as an electrician aboard the vessel. He was a member of the crew on the maiden voyage. Barrett served in the Marine Corps in World War II and re-enlisted in the Marines after the
