BY W. W. MINTON

Declaring most people ate to much, Rev. Peter McIntyre, pastor of the First Presbyterian church, last night told Goldsboro Kiwanians that his evening meal consisted of noth ing but a lettrice leaf, a slice of tomate and a crumb of bread,

By strict adherence to this simple died, Rev. Mr. McIntyre said he found he enjoyed better health, and he urg-ed Kiwanians to try it. His remarks vere made in connection with his appeal for a diversion of funds for a barbecue to some charitable object.

A circuit of this kind is sure to raw a large attendance for the reason that the average sportsman would much rather withess local talent in ection, whether it be sports or otherw'se, than the professional brand and crowds are expected to fill the ball parks for these performances.

According to the tentative agreement games will be played each Tuesday and Friday in the cities represented, but owing to the fact het Goldshoro will have two teams in the league this city will see a bit more of the national pastime than the remaining clubs.

It was formally agreed to open the secson June 2, with each clift having the same number of home and road games. A forfeit of \$25 will be posted by each club as evidence of good faith, and this is the only expense the teams will undergo. This fund will be refunded at the close of the season, the prerequisite merely being a guarantee that each club will finish the season,
