Party Forced Take Shelter in Christian College At Canton; Anti-Foreign Feeling

NEW YORK, June 9 (A).-- A dis atch to the Evening Post today from long Kong, seld four Americans in a much flying the American flug had sen fixed on by Yunnanese at Can-

The party, composed of Frak Crampton, head of an American con-tracting firm at Hong Kong, and Mbulgomery Ogden, bursar of the Canton Christian College, and their wives, was endeavoring to cross the river at Canton from Honan Island to Shameen, the foreign settlen when the firing started.

Mrs. Crampton was wounded in the arm. The others of the party were injured by aplinters of glass. The firing continued thirty minutes and apelled the party to return to Honen and take shelter in the Canton Christian College, the Evening Post dispatch said.

told friends the anti-foreign feeling was intends, and that he hoped the United States would intervene.

### Dirigible To Resume finneapolis Flight

The airship Los Angeles was discred by Secretary Wilbur yesterday resume its flight to Minnesots as m as necessary engine repairs have

is is expected that the dirigible which turned back after getting a far as Cleveland Sunday, because of engine trouble, will be able to leave Lakehurst, N. J., to rits second at-tempt in about two days, if weather conditions are favorable.

## MOTOR CLUB WILL HELP GET LICENSE

### Carolina Motor Club Offers As-Plates Orange and Black

Motorists are to again receive as pe from the Carolina Motor Club in obtaining their license plates. according to an announcement of H. E. Parker, loci manager offAOIN E. Parker, manager of the local office of the club yesterday. Plates serially nummbered from 273501 to 278501 have been received, and will be distributed, beginning with June 15th, The plates are orange, with ack numerals. The club offices are Splendid Inducements Offered located 106 S. James street, in the Borden building.

"Arrangements for the sale of plates have been coimpleted, and auevery courtesy," Mr. Parker stated "The Carolina Motor Club rarely misses an opportunity to serve the motorist, regardless of whether or no he is a member. The handling of scense plates through these branch office is one of a number of services rendered motordom during the past,"

is expected here, and it is up to the motorists of Goldsboro to assist in the cepted work the club is doing. Officials of the organization have advised me to say that they are to visit us here and we hope to form a really active branch organization to handle the many affairs pertaining to motoring.

"The local office will be open care of applications for titles and examination before their application to distribute plates. All trucks are can be accepted. Mr. Partin turges required to have titles, and it is suggested that fleet owners who do not wish to be delayed in operating their trucks make early application for title, if they have not streamy done so. All municipal and county ewned vethough such titles are delivered with-

## LOCAL MEN ARE TO ATTEND THE KIWANIS MEET

Dr. Woodard and Thus. H. Norwood Delegates To St. Paul

Thus. H. Narwood and D. A. G. Woodard, members of the Goldsboro Kiwanis Club, have been annumeed as delegates to the 9th namel conven-toin of Kiwanis International, which convenes at St. Paul, Minn., on Mon-

day. June 22.

The local members will be but two of five thousand Kiwnians from the United Stees and Canada who will take part in the annual business of the continent-wide service organiza-tion, and also the entertainment fea-

tion, and also the entertainment features that have been prepared.

Both will vote in the election for the International President of Klwanis for 1926, and help determine the convention cits for next year.

For entertainment of Goldsboro representatives the St. Pul Club has arranged a number of special occasions. One of the features is to be a mid-aummer too carnival, to be held in a large especially built arena. Hockey games and other ice sports by champions of the northwest will be a nevertically for the visitors. The snows reception and president's baff, to be held this year in honor of Victor M. Johnson, of Rockfrd, Illins, international President, is scheduled for the second night of the convention at the citys collecture.

Oris Robinson Honored By Lo-cal Rotary Club For Saving Young Negro's Life

Presentation to Oris Robinson of medal commemorative of the most outstanding good deed performed by local Boy Scouts during the past three months, featured the regular weekly meeting of the Goldsboro Rotary Club, held last night at the Woman's Club Cafeteria.

The act which earned the coveted honor for young Robinson, was the saving of the life of a small colored boy, whom he removed from contact with a live electric wife, reviving him by rendering first aid treatment. The medal was presented to Robinson by Mr. Kenneth C. Royall, president of the club, and was donated by Mr. Ross I. Giddens. In a very interesting talk. Assist-

ant Scout Master Thomas Griffin revealed to the Rotarians the real valpe of the Scout movement to the youngsters of Goldsboro

Mr. Linwood Latta anddressed the club on problems confronting various civie organizations in their ef. forts to improve conditions for youths. citing a number of instances of the success the Wilmington Rotarians companion had left notes telling of a have had in this commendable work,

Mr. A A. Joseph spoke quite entertainingly bn the forthcoming Scout excursion to Camp Tuscarora, stating that the boys can be assured of a splendid program, including many amusement features at their annual

Wear Out Paper Mone

Gasoline tilling stations are on of the two great courses for the life of paper currency, decreasing from a year to seven months since the close of the war, a survey by the Inited States bureau of efficiency

The over increasing number of automobiles causes more unforce to be spent on gasoline and oll and thus to be handled by greasy, dirty hands that discolors the hills and weakens their tensile strongth o'ficials say. This leads to their early discard. The second greaterson is that a dollar's purchasing power has dropped to about 60 cents and people carry about twice the number of tills on their persons they did previously. This subjects more bills to folding and frequent handling.

Eastern City An Ideal P Hold The 1926 Sho

KINSTON, June 1, manimously awarded the 1929 Hast ern Carolina Exposition at the regu-far monthly meeting of the directors of the Eastern Carolina Chamber of Commerce, Greenville citizens met very requirement of the dis which consisted of a cash donation \$1,000, a suitable warebouse, electric current free and moral au E. G. Flanagan, chaleman of the local committee that handled the matter for Geenville, in the invitation to hold the 1926 show in Greenville, said "To show our good faith, I am en closing a gift to the association \$1,000, and also guarantes you ware house accommo lutions and free electric current for the week of the ex position. Greenville stands as a unit to give you moral support for success of your exposition. If you desire to come to Greenville, we welcome you and will do our best to make your exposition one of the best you have had since the Eastern Caroline Chamber of Commerce has been h existence."

With this kind of support the fourth annual exposition bids fair to he a great success. Greenville's location, her good ros to leading out in every direction, her hospitable people, will make her ah ideal place to hold the 1926 show.
