Educational Director for the J. C. Penney Company Said To Be Forceful Speaker

LARGE CROWD EXPECTED

Full Attendance of Kiwanians And Rotarians Will Assemble for Meeting

Dr. Francis Burgette Short, supervisor of the educational department of the J. C. Penney Company, and editor of "The Dynamo," a monthly magazine issued by that concern for its employees, will be the guest of honor and principal speaker at a
joint meeting of the Kiwanis
and Rotary Clubs of this city,
which will be held in the banquet room of the Hotel
Goldsboro at 6:30 o'clock
Monday evening L. M. Ross. fonday evening. L. M. Ross, mager of the local Pency store, announced last ight that he had been increed that "Business Permulity" would be the subject of Dr. Short's address. Short is a lecturer of unusual

and ability. There are few ers on the platform with a ige as vital as his. For ber of years he has been travelextensively, and as Special Repentative of the J. C. Penney pany he finds opportunity to many sections of the country preaching the doc'rine of "Religion

He possesses an unusual knowlthat he was pastor of some of the (Continued On Page Two)

HENRY FORD TO CONSTRUCT

Plans Unique Village in New England Town

SUDBURY, Mass., Jan. 9,-(/P)-A village that will preserve the sim- of the harbor. plicity and quaint beauty of early Henry Ford in his town, the home of New England life is to be creeted by his historic Wayside Inn.

Three hundred persons are to live much in the same manner of early cotonial times at Wayside Inn, which will be secluded from the disurbing modern traffic by re-routing the Boston Turnpike at a cost of \$80,-000 to Mr. Ford.

Homes, grist mills, barns and fur. shings a' will be a treasure house ach home will be a treasure house antiques Swords and horse pistels will grace the mantels of stons fireplaces, Windsor chairs, gate-leg tala s. pewter tableware, horn-hand. e ped warmers and candlesticks.

before shipment to Suibury.

The grist mill is to be made over as it was in the days of Lafayette. (Continued On Page Two)

DR. FRANCIS B. SHORT

Dr. Short will address a joint meeting of Kiwan-ians and Rotarians at the Hotel Goldsboro tomorrow

HARBOR OF SUCKED DRY

Unprecedented Phenomenon Followed by Tidal Wave Causes Much Loss

SOUTHWEST HARBOR. Maine, Jan. 9 .- (P)-An unprecedented edge of human nature and frequently phenomenon, apparently local in punctuates his address with keen character, today sucked dry the harhumor which serves to intensify the bor at Bernard, three miles from effectiveness of his message. He here, and then sent a ten foot tidal speaks straight from the shoulder wave rashing back to the shore, carwith commendable fearlessness and rying with it fifty fishing boats. no hits degree of brilliancy He The tidal wave was preceded by the possesses a dynamic personality and distinct rumbles which led to the bethese things coupled with the fact lief that an earthquake at the sea's bottom of shore may have caused largest churches in the west for the phenomenon, cithough no tremors were felt.

SANATORIUM KINSTON, N. C., Jan. 10. (Special to The News)-Fanny Smith, young negro woman about 25

years old, was burned to death this morning in bed, when a fire destroyed her home in Spruill's Alley, near East street, at 2:00

It is thought that the woman was intoxicated when she arrived home, and retired, leaving the lamp burning, which exploded, causing the fire and her death.
