Senate Committee Discovers Organization Backing First On Rum Spends Big Amount

More Than \$7,000,000 Spent in Twenty-two States in the Past Six Years, Senate Quizers Learn While Delving Into Pennsylvania Primary Scandal—Many Contributions Were Made

Washington, July 2.—Expenditures of more than \$7,000,000 by the Anti-Saloon League in twenty-two states during the past six years were disclosed by additional reports filed today with the Senate campaign funds committee by Wayne B. Wheeler, counsel for the national dry organization.

These states include New York, Maryland and Rhode Island, which alone have no dry enforcement statutes, as well as Pennsylvania, Illinois, Indiana, Wisconsin, Iowa, Missouri and Kentucky.

While the state organizations contribute a certain part of their income to the national Anti-Saloon League it was developed from Mr. Wheeler, who occupied the stand for nearly five hours, that both the national and state organizations do their own collecting independent of each other.

Accountants who audited the books of the national association at Westerville, Ohio, had furnished Senator Reed, democrat, of Missouri, the chairman, with the list of those contributing more than \$500 to the parent organization, but Mr. Wheeler objected to the names being made public.

Mr. Wheeler stated that he would present the matter to the whole committee and after a conference with other members the chairman announced decision would be deferred.

WILSON OFFICER ENDS HIS LIFE

John Herndon Fires Bullet Into Brain—Ill Health the Cause

Wilson, July 2.—Officer John Herndon, of the local police department, committed suicide last evening at seven o'clock by shooting himself through the right temple with his automatic police pistol. Mr. Herndon had been in ill health for the past several months, and according to relatives and friends, dependency over his condition led to the suicide.

Mr. Herndon was 40 years old and had been a member of the Wilson police department for the past twelve years. He was a popular member of the force and up until his forced absence on account of illness, he was one of the most efficient officers in Wilson. Several years ago he was shot while making an arrest, and for some time his life was despaired of. The wounds received at that time are believed to have been responsible for the general breakdown in health of the officer.

Mr. Herndon took his life while the trained nurse had left the sick room to partake of supper. Hearing the pistol shot she rushed to Mr. Herndon's room to find him dead. Mrs. Herndon, who has also been in poor health for some time, was asleep in an adjoining room and did not hear the pistol shot. She was removed shortly afterwards to a local hospital and late tonight had not been informed of her husband's death.

The funeral will take place Saturday afternoon. Members of the Wilson police department will act as pallbearers. The deceased is survived by his wife, two sisters, Mrs. Julia Horton, of Zebulon, and Mrs. Cox, of High Point; two brothers, Leslie Herndon, of Weidon and Wiley Herndon, of Brooklyn, New York.
