# State Balance Is Greater

Raleigh, July 24 .-- (AP)-A balance in the general fund of the state of \$1,269,824.04 at the close of the fiscal year on June 30 was reported tonight in a statement issued from the governor's office. The final figure was greater by \$143,426 than the preliminary estimate of the surplus made shortly after the first of July.

This was explained by state rescipts which had been reported on that date and the estimate of the departmental and institutional expenditures which were less than anticipated.

#### NEW FIRM DISTRIBUTE CHRYSLER AUTOMOBILE

The Boney Motor Company is the name of a new firm which has been formed in Goldsboro for the distribution of the Chrysler automobile in Wayne county. Partners in the business are Paisley Boney, Jr. and Gabriel Boney. A number of the latest style Chryslers were received by the firm yesterday and they will begin demonstrating the car on Monday. They are occupying the garage building on North Center Street owned by A. A. Miller.

The two partners are sons of Paisley Boney, well known business man of the city. The young men have a wide acquaintance in the city and county and are well liked. Their business training under their father should go far toward insuring them success in their new venture.
