SOME CONFIRMATION REPORT SEEING REDFERN PLAN BROADENING SCOPE ROTARY WORK IN 57th DISTRICT

Telegraph Operator Wires From Ciudad, Bolivar, To Re-Affirm Orinoco Report

Residents Hold They Saw Airplane Flying Southeast at 3 Saturday Afternoon

YOUNG WIFE BELIEVES PAUL SAFE SOMEWHERE

Brazilian Minister Writes Efforts Being Made on Behalf of Intrepid Airman

CARACAS, Aug. 30.—(AP)—Some confirmation that an airplane was sighted over the Delta of the Orinoco river Saturday afternoon has been given to the government by the telegraph operator at Ciudad, Bolivar. He reports that inhabitants of a village in the delta declare they saw an airplane flying to the Southeast about 3 o'clock that day.

A heavy storm broke over the region about one hour before sighting of the plane. Since then no word of the machine has reached the station. The government, however, is making every effort to follow up his trial in the hope of finding the airplane and aiding the avia

BRUNSWICK, Ga., Aug. 30.—(AP)—Three days and nights have passed without definite news since the time for Paul Redfern's scheduled arrival at Rio de Janeiro, Brazil, brought his plane down from the skies but hope for the aviator's safety continued tonight to be fed on the belief of his pretty young wife that "Paul somehow landed safely somewhere."

With hope apparently abandoned for an extended search along the 4,600 mile route which he attempted in trying for a non-stop to Brazil, the chairman of the flight committee announced that "now we can only wait and hope."

Before leaving on his air adventure, Redfern told relatives not to be alarmed should they not hear from him in six months. He pointed out that he was prepared for an indefinite stay in the jungles or at sea if forced down en route to Brazil.

WASHINGTON, Aug. 30.—(AP)—Coincident with the dispatch of new instructions to American consuls in British and Dutch Guinea and in Brazil to press the search for Paul Redfern, a message from the Brazilian minister of foreign relations reached the department expressing hope for the aviator's safety.

The message was addressed to the secretary of state, dated August 29 and said "Brazil was preparing to celebrate with the greatest display of its love and enthusiasm Redfern's heroism and joins through me its own fraternal wishes with those of the United States of American in person of your excellency for the safety of the ties who are on the alert would be great aviator. The Brazilian authorities are happy if given the opportunity of doing any service to him who offered his life for the good of mankind."

PRISON BOXING

RALEIGH, Aug. 29.—(AP)—Charles Mangum, state prison boxer and speller Webb, Charlotte, championship belt winners, have been matched for ten rounds at the prison here Friday night.

STORM FORCES SIR JOHN CARLING BACK

LONDON, Aug. 29.—(AP)—The monoplane Sir John Carling which took off early this morning for London, England, returned to its starting point today, driven back by a storm south of Oakville.

EDITOR IS DEAD

SARATOGA SPRINGS, N. Y., Aug. 29.—(AP)—Irwin Kirkwood, editor of the Kansas City Star, died at the United States hotel here early today.

World Fliers Add 500 Miles Tuesday

BELGRADE, August 30.—(AP)—Five hundred miles were added to the record of the Pride of Detroit today when the two American aviators landed near here at 12:03 o'clock. They went into the air at 6:05 in the morning at Munich intending, if conditions were favorable to fly to Constantinople, 100 miles away, but they encountered rain and fog which delayed progress and they decided to come down here.

DELEGATIONS BEFORE BOARD

Nine Communities Send Representatives to Ask Road Improvements

Nine delegations from as many communities in the county were before the Wayne county highway commission at a meeting yesterday to urge improvement of roads in their section. The board heard all of the requests and assured the delegations that full consideration will be given to the appeals.

Bob Scott headed a delegation from Great Swamp township; Leslie Edmondson from Pikeville township; Albert Goodson from Indian Springs township, requested attention for the Goodson Bridge over Northeast river; Everett Stevens and Walter Blackman for a road from Grantham store to Stevens Mill; Amos Sherard for improvement of roads in Stoney Creek; Brock Warrick and Mr. Holland for work on roads in sections of Grantham; Henry Kennedy for work on the old Quaker Bridge over the Neuse.

Mr. Simmons of Duplin county was present to ask concerning connections for the Duplin county roads.

Attack State's Theories In Greenville, S. C. Case

GREENVILLE, S. C., August 30 (AP)—The defense in the Willis murder case opened direct fire upon the state's web of circumstantial evidence today as soon as the prosecution rested shortly after 3 o'clock.

Two women witnesses testified they could have made the footprint in the garage when Sheriff Sam Willis was slain and which has been an important link in the evidence by which the state has sought to convict the officers widow and his deputy, Henry Tomushend, of the murder on June 12.

AMATEURS WILL PLAY TOURNEY

Southern Tournament Will Be Held at Radium Springs, Georgia

ALBANY, Ga., August 30.—(AP)—Amateur golfers from North Carolina, South Carolina, Florida, Georgia, Alabama and Tennessee will be eligible for play in the annual Thanksgiving day amateur golf tournament to be held on the Radium Springs course here beginning November 24, the Radium Springs club golf committee has announced. Play, beginning on Thanksgiving day, will continue through Friday and Saturday.

The tournament will be under the direction of the club committee, assisted by Joe Kirkwood, Australian trick shot artist who accompanied Bobby Jones at St. Andrews, Scotland, and won third place in that event. Kirkwood is professional at the Radium Springs club and the course was built under his supervision.

The tournament course is a 72 hole route, with 6575 total yardage. Tricky short holes, dog-legs and long straight fairways alternate to bring into play every club in the bag and test the golfers versatility. The Thanksgiving season brings the Radium Springs course usually, to its best condition of the year.

Committee members have asserted that "the largest array of trophies ever offered at a golf tournament in the South" will be hung up for this year's tournament.

In play with Bobby Jones the day before the Atlanta left for St. Andrews and the British open this year, Kirkwood shot the course in 65 to "Bobby's" 71. The Australian said that round was the factor which persuaded him to accompany Jones on the trip to Scotland.

Outdoor diversions and social activities in addition to the golf tournament are being planned for contestants and spectators, the committee announced.

M'CRAY GIVEN HIS FREEDOM

Former Governor Indiana, However, Will Not Have Civil Rights Restored

WASHINGTON, August 30.—(AP)—Parole of Warren McCray, former governor of Indiana from the Atlanta Federal prison has been approved by Attorney General Sargent.

McCray, who is serving a 10 year sentence for using the mails to defraud, becomes eligible for parole tomorrow. The parole will be dated tomorrow and belief was expressed at the department of justice that McCray would be released from prison by tomorrow night.

The action does not restore the civil rights of the former governor who began serving his sentence, May 1, 1921. A \$10,000 fine which was imposed on McCray will stand against him and will remain in the nature of a judgment which the government may collect should he have any money.

From the same witnesses, testimony was given that screams of a woman were heard from the Willis home within 2 or 2.5 minutes of the sound of the last shot.

Concluding the fifth day of its slide, the state continued the introduction of evidence to support its contention that the relations between Mrs. Willis and Townshend had been improper.

One witness said he had seen them frequently go into a house near his and that he had complained to officers, including Sheriff Willie.

Plan Begin Atlantic Flight Early Today

UPAVON, Eng., August 30.—(AP)—Captain Leslie Hamilton told the Associated Press tonight that he and Col. F. P. Minchin intended to start their projected trans-Atlantic flight to American tomorrow morning, intending to hop off between 5 and 6 o'clock.

VEAZEY TALKS OF FERTILIZER

Plot at Rosewood Tests Four Ways of Fertilizing Cotton

The Agricultural Department of Rosewood High school under the direction of Professor A. H. Veasey is conducting a fertilizer test with cotton. "The test is arranged to compare four different ways to fertilize cotton," Professor Veasey stated.

"One plot contains 450 lbs. per acre of 8-0-3 fertilizer, all of which was applied at planting time. Another plot gets the same kind and amount at planting time and in addition 200 lbs. per acre of Nitrate of Soda as a side-dressing at the first cultivation after chipping.

"There are two other plots," he stated, "in which Nitrate of Soda is used as the source of Nitrogen, one-fourth of which is applied at planting and three-fourths at the first cultivation after chipping."

"Each of these two plots," Professor Veasey stated, "received 400 lbs. Acid Phosphate and 50 lbs. Muriate of Potash while 200 lbs. of Soda was used on one and 300 lbs. on the other. We have a check plot too," he stated, "which will enable us to determine the actual increase due to the fertilizer in each of the plots."

"Increased yields are assured" by applying a quickly available source of Nitrogen, such as Nitrate of Soda as a side application at the first or second cultivation after chipping.

"This demonstration is on Mr. C. H. Cogdell's farm and is conducted by his brother Louis Cogdell. It is located on the right side of highway number 10, going from Goldsboro to Raleigh."

MAY CALL FOR SENATE EARLY

Coolidge Will Consult With Leaders Relative to Extra Session Congress

RAPID CITY, S. D., Aug. 30.—(AP)—President Coolidge is holding an opinion in the convening of congress or at least the Senate into special session a month ahead of the regular meeting time in December. Pending further conferences with Congressional leaders on his return to Washington, he is declared by recent visitors to be ready to listen to arguments for an early session.

Senator Jones of Washington, Republican whip of the Senate said today after a conference that he thought the executive was sympathetic to a special session to the Senate.

An early meeting of the Senate was urged by Senator Jones in order to give that body an opportunity to discuss the contest against the seats of Senator Smith of Illinois and Vard of Pennsylvania, both Republicans.

While he felt the presidential was interested in such a program, it is known that Mr. Coolidge wants to confer with the Republican leaders before reaching a decision.

JUDGE PARKER DEAD

RALEIGH, Aug. 30.—(AP)—Gov. McLean commenting tonight upon the death of Superior Court Judge Raymond Parker of Winston-Salem today, declared "His untimely death will impose a severe loss upon the State."

ROY PRICE NOT GUILTY

Joshua Mitchell Trial Scheduled to Get Started Thursday Under Court Order

After the jury had been out for less than half an hour, Roy Price, of the Drummondville section near Seven Springs, was late yesterday afternoon in Wayne county court found guilty of possession of liquor. Deputies had found a five gallon demijohn of whiskey in a chicken house at the home of Price.

The Drummondville man did not introduce any evidence and did not go on the stand, throwing the burden of proof upon the State.

Joshua Mitchell, late in the afternoon, was arraigned for the killing of his best friend Mordelia Smith, and Judge Henry A. Grady ordered that the case be set for trial on Thursday, remarking that the law directed that jail cases should take precedence over all others on the docket.

The grand jury continued its investigations yesterday afternoon and was expected today to make the rounds of the county institutions and possibly return a report late in the afternoon. Other cases which have been admitted to record since the beginning of the criminal term: Ernest Jones, reckless operation of an automobile and assaults; costs.

Jim Moxingo and Atlas Moxingo were allowed to pay the costs on an assault charge and ordered also to pay a bill of Dr. Dale.

Willie Davis was granted a divorce from Bettie Green Davis on the grounds of adultery.

Joseph Blackman drew 18 months on a charge of housebreaking.

Thad Newsome entered a plea of guilty on a beating his wife, and Judge Grady passed over a sentence of two years on the roads, the man to be paroled at the expiration of four months but required to give an account of his conduct and treatment of his wife over a long period of years.

KNOWS NOTHING OF WAR DEBTS

Governor McLean Has No Record to State Owing Federal Government Monies

RALEIGH, Aug. 30.—(AP)—If the state of North Carolina has any obligation to the Federal government on account of Indian Wars from 1823 to 1855, Governor McLean does not know it, he said tonight.

In response to any inquiry, as to what if any action the state would take in connection with the Federal ruling that funds approved by the Federal government for highways and other purposes would be withheld until amounts alleged to be due the former are paid, the governor said: "The State of North Carolina is ready, able and willing to pay any other taxes if they are any due to the Federal government. At the same time it should not be forgotten that North Carolina taxpayers have paid over \$205,000,000 in Federal government taxes."

Adopt School And General Fund Budget For Wayne Co.

Re-election of T. T. Brown as poultry agent for Wayne county for another year, adoption of a school budget, and consideration of county business in general occupied an all day session of the Wayne county board of commissioners yesterday. Meeting at 9 o'clock in the morning, the board did not adjourn until after 5 yesterday afternoon.

A total of \$320,000 will be provided for the schools of the county under the budget adopted yesterday. Of this amount \$290,000 will be raised from the tax levy, the difference being represented in sums which will come to the county schools from the

Club Executives Get New Inspiration For The Clubs In First Day Of Conference

Continue Fight For Two Sets of Buyers

The fight for a double set of buyers on the Goldsboro market will be continued in Durham today when business men go for a conference with a Durham company.

Thus far two of the companies have indicated that they would place extra buyers here, and two have indicated that they are not favorably inclined and another is giving the matter consideration. Those in charge of the matter are continuing the efforts and are optimistic concerning the outlook.

KILLS TWO AND THEN SUICIDES

Kentucky Farmer and Wife Fell Out About Household Property

MORGANTOWN, Ky., August 30.—(AP)—After killing his father-in-law, probably fatally wounding his wife and wounding two other persons, Kiah Abbott, 40, committed suicide by shooting himself in the heart.

His wife was shot through the stomach and reports said there was no hope for her recovery. His wife's father was instantly killed when Abbott shot him through the back. The sheriff said the passerby was slightly wounded.

Mrs. Abbott had been separated from her husband about a month. Abbott refused to give up some household property which his wife declared belonged to her and she obtained a court order to force him to surrender the articles. She and her father accompanied the sheriff to the house.

While the sheriff was in the yard Abbott shot his wife in the abdomen. The sheriff ran to the door and Abbott fired at him, wounding him in the hand. Abbott then committed suicide, after shooting a passerby who had stopped near a window of the house.

Unfavorable Winds Halt Rome Flight

ROOSEVELT FIELD, N. Y., August 30.—(AP)—For the third time thousands gathered at this flying field today to witness the take off for Rome of the monoplane Old Glory and for the third time they were disappointed.

Until almost 7 o'clock this evening hope was entertained by Lloyd Berntson and James Hill, the pilots that the wing might veer to the west. Then the breeze holding its southwest direction, a cross wind that precluded a hop, the great single motor was hooded and the flight officially called off for the night.

Governor Hodges Makes Report On Ongoing Convention at Morning Session

GOLDSBORO STAGES A MODEL LUNCHEON

Sessions Will Come to End at 12:45 Today With Barbecue Scheduled

Plans for broadening the scope of activities of the Rotary Clubs of the Fifty-Seventh District were made here yesterday in the opening session of the two-day conference of club executives. Following yesterday's program were addresses by District Governor, Luther Hodges, of Lenoirville; past governors, B. Wade Marx, Roger Moore, of Wilmington, and by David Clark, of Charlotte, governor of the Fifty-Ninth District, and Will Baker, of Charlottesville, Va., governor of the Fifty-Sixth District.

The Goldsboro Rotarians made a good impression in the staging of its model luncheon at noon and the delegates and local Rotarians had an uproarious time at the clubhouse dinner in the evening.

The conferences will be continued this morning and at 12:45 the local club will be hosts to the visitors at a barbecue.

District Governor Hodges presided at the fellowship banquet in the Hotel Goldsboro last evening. Music and merriment characterized the evening with Charley Ketchum, secretary of the Greensboro club, taking the prize with his funny new jokes and stories.

The call to order by Governor Luther Hodges of Lenoirville-Spray at 9:30 Tuesday morning, marked the opening of the Rotary Convention being held in Goldsboro on Tuesday and Wednesday.

The invocation by "Happy Jim Daniels" was followed by "Rotary songs led by "Bill" Frederick, after which the large number of visiting Rotarians stood and were introduced individually.

In the address by Governor Hodges at 10 o'clock on "The International program and the work of the Fifty-Seventh District" he emphasized the slogan of the International President.

"Take Rotary Seriously" to show just how seriously Rotary is taken by the Rotarians of America and Europe, Governor Hodges told of the international conference held at Chicago, the district governors from 64 district in the world, over 50 of which are in North and South America, met there, many of them having taken trips from other continents to get the inspiration of "four days."

"For four days and nights," said Governor Hodges, they met and worked and not until Friday, in the week did they take time to see the city. They were busy taking Rotary seriously. They were counseling with its aims and objects, what are your international challenges to what are presidents and secretaries doing and what are they going to do. Eugene Newman moved and others worked. Men gave of their time, their talents day and night to make Rotary best and their money, so you and I at home can get the very best. Your responsibility is to put across to your club at home the best and to carry back to your club a vision of Rotary international, just as the International President put across his vision at the International Conference.

To do this successfully these four things are necessary: 1. Seriousness of purpose. 2. Happiness of expression. 3. Wisdom of judgment. 4. Effectiveness of action. To do these four things you have to have— (Continued On Page Four)
