### Two Planes Start Flights From Canadian Points With London, England, As A Goal

Great Crowd in Ottawa Waits Reach 2,500 in Meets in Vain for Coming of St. Raphael

BEARCHING PLANE GIVES RISE TO FALSE REPORT

All England Anxiously Awaits News of Fate of Its First Woman Flier

OTTAWA, Can. Sept. 1 .- (AP) -- Great crowds gathered at the Capital's main airport tonight to welcome the monoplane St. Raphael but their welcome went unassisted. No definite word came from the east of the plane and its three occupants, princess Lowenstein Werthem, Captain Hamilton and Col. Minchin.

The Canadian government splana sent out to search for the missing trans-Atlantic plane circled over Montreal, giving rise to reports that one of the three planes had passed over the city. It was not until the plane returned to the field here that it was GIVE COOLIDGE learned that it had been mistaken for fliers engaged in trans-Atlantic cross-

Family Water Bucket Introduced as Inanimate Object Causing Fatal Shooting One of Canadian Planes Is Force

The old oaken bucket, the iron bound bucket, was yesterday introduced as the inamima'e object which ed indirectly to the killing of Mordeai Smith, local white man, by Joshua Mitchell at the home of the latter everal Sundays ago. At least Mitche'l, in relating his story while testfying for himself in Wayne County Superior Court gesterday rung in the bucket.

Smith had been allowed to drive 'Harry' a decripit old race horse, but in his younger days as good a horse as ever took frein, Mitchell testified. Smith had also had several drinks, and the drinks were probab'y what made him ask for the 'amily water bucket as a receptacle from which to give "Harry" a drink. Mrs. Mitchell objected to having the family water bucket used as a drink-Mr. Dickinson is keeping a laying flown almost daily between Paris and ling cur, for any horse, even Harry, Mitchell testified and Smith resented

Carbu is another military aviator In the end, the court was told, Smith grew o fensive in his complainfested signing this year's Rape has al- commercial work. He is 25 years old figs about not having been allowed the bucket. Mitchell said he slapped him to quiet him down, and that after the blow Smith left the house, that he re urned in a moment crying

and said, bending over the bed: "You've clapped me didn't you. sald and seemed bent on using it. tefore he had driven many yards.

Mrs. Mitchell was the only eye twenty-two years oid. witness of the shooting ande from the parties in the case, and she was not put on the stand.

The state introduced a number of winesses who to'd of having seen the two men en er Mitchell's home, of having heard the shot, and having slipped on before the store was left een Smith rush to his buggy.

Both Smith and Mitchell have been proved as o' bad character by wit-Evidence in the case was complet --
