CHARGE BLACK WITH MURDER WAYNE COUNTY GIRL

Grand Jury Examines Evidence And Brings In True Bill at Once

Larry Newsome, Negro First Held As Suspect, Is One Charged With Crime

TAKEN TO RALEIGH AS MATTER OF PRECAUTION

Evidence Submitted Before Jury Declared To Be of Circumstantial Nature

A true bill charging that Larry Newsome, Negro, murdered Beula Tedder, the pretty 15-year old daughter of Mr. and Mrs. Eric Tedder of Great Swamp township, was returned by the Wayne County Grand Jury yesterday afternoon. Dismissed on Thursday afternoon, the jury was again summoned yesterday to hear evidence gathered by Sheriff Grant, Deputy Sheriff J. C. Kornegay and Chief Dorsey of Fremont, and a true bill was quickly returned.

Earlier in the day, however, Sheriff W. D. Grant and Placidotheman Chick Rhodes had hurried Newsome to the State Prison, Raleigh for safe keeping. Taking the negro to Raleigh was simply a precautionary matter, however, and there had been no outward effort at fomenting a mob. Reports printed in the Raleigh Times yesterday afternoon that Sheriff Grant had defied a mob were without foundation.

The men of Great Swamp township though feeling deeply the heinous crime, were cool and collected in their attitude toward it and aided Sheriff Grant on the night of the crime and again yesterday as he sought to run down the clues of the case.

What officers regard as the completion of a chain of circumstantial evidence against the Newsome negro came yesterday morning when Deputy Sheriff J. C. Kornegay found a blood stained knife secreted on the pillar of the house where Newsome lived. It was a wicked looking knife a long one-blade weapon, and officers believe that it was with this instrument that the negro slashed the throat of the young girl after attempting to assault her.

The father of Newsome and another member of his family identified the knife found as one belonging to him, it was said. The negro, had told several stories of where his knife could be found, all of them, however, placing it at some point in the house.

Finding of the knife was another link in circumstantial evidence which had begun to be collected under the direction of Sheriff Grant Thursday night. When Newsome, along with George Reid, was arrested as a suspect, officers found that his

Community Chest Names Its Officers and Hears Report

Featuring the annual meeting of the board of directors of the Goldsboro Community Chest held in the Memorial Community Building were the election of officers for 1928 and the reading of the report of the Community Chest drive as given by Mr. Thomas O'Berry, president, for 1927.

The new officers are President, W. A. Deen; vice president, George E. Freeman; treasurer, R. H. Stevens; secretary, Mrs. J. D. Giddens. The report of the 1927 drive to the measure in submitting to you the results of this campaign. The success that we have made in raising this money is largely due to the fine work and cooperation of the women of this city headed by Mrs. J. N. Johnson as chairman. Great credit should be given to the Business and Professional Women's clubs also to the members of the Chamber of Commerce and Mrs. Giddens and her office force. When I accepted the position as chairman of this drive I knew that I would get the full cooperation and help of Mr. Lionel Webb as Chairman

City Troop No. 1 Wins Scout Rally

A national record for making fire by friction may have been made by George Edwards, local Boy Scout when he performed this feat in 4.5 seconds at the Scout Rally at the Community Memorial Building last night. Goldsboro Troop Number 1 sponsored by the Goldsboro Rotary club, won first place in the rally with 38 points. Goldsboro troop 6 was second with 27 points. Mr. Olive third, and LaGrange fourth. About 120 Boy Scouts participated in the events before some seventy-five spectators.

FULL SPEED IS CONGRESS WORD

Senate Closes Door to Senator-Elect Vane of Pennsylvania

WASHINGTON, Dec. 9.—(AP)—Martin Madden of Chicago, the white haired dean of the House appropriations committee deplored today's proceedings in Congress when he called out "Hurry up, Tom," to a hesitating colleague fumbling this afternoon for the next word in his speech.

At both ends of the capital the machinery of government moved onward. The Senate showed the door to William S. Vane of Pennsylvania, who cannot now become a Senator unless he can present a convincing case before the Reed slush fund committee and then a new committee was created to investigate reports that the Calles government of Mexico had authorized payment to some of those already in the Senate. The House passed a \$200,000,000 bill carrying a number of appropriations and still had time to start tax reduction debate.

Coolidge Suggests Aviation Meeting

WASHINGTON, Dec. 9.—(AP)—The calling of an international conference in Washington next December for a discussion of civil aviation was suggested today by President Coolidge in a letter to the Civil Aviation conference meeting here.

At the same time Mr. Coolidge recommended that an aerial exhibition be held in connection with the meeting as a means of increasing the interest of the public in the accomplishments of aviation.

DEFENSE RESTS IN REMUS CASE

Prosecution Renews Efforts to Prove Former Liquor King Killer

CINCINNATI, Dec. 9.—(AP)—The last word indirect support of Geo. Remus plea that he suffered from transitory maniacal insanity when he shot and killed his wife here last October 6, was said today.

The prosecution immediately renewed its efforts to prove him a deliberate murderer and sped him to the electric chair. The final efforts of the defense brought on a desultory session of court with two character witnesses testifying for Remus and two depositions read to the jury.

When the defense rested it had required 12 days. Of the dozens of depositions taken throughout the country only skinned parts of the two were read, and even the severely reduced portions got before the jury only after long arguments which slowed the trial to a snail pace.

MODOC NOT HEARD FROM

WILMINGTON, Dec. 9.—(AP)—The U. S. cutter Modoc had not arrived here early tonight and advices from S. I. report said that nothing had been seen of the boat there. It was expected to reach this port sometime tonight with a part cargo on the steamer Cibola, wrecked off Hatteras Saturday night in a bad storm.

WILSON VOTES THIRTY YEAR FRANCHISE FOR TELEPHONE

WILSON, Dec. 8.—The Carolina Telephone and Telegraph company was yesterday voted a 30 year franchise contract by citizens of this city, in a special election held for that purpose.

SPECIAL HOUR FOR TEMPLARS

Will Worship in Body At St. Paul Methodist Church On Sunday

Two special occasions are scheduled for St. Paul church in the next two Sundays.

Sunday morning at 11 o'clock Knight Templars of Goldsboro, LaGrange, Fremont and nearby towns will worship at the church and the pastor, Rev. J. M. Daniel will preach a special sermon. The Sir Knights will attend the services in full uniform.

On the evening of Sunday December 18 the annual Christmas cantata will be rendered at the church. Under the direction of W. L. Frederick, this annual music program has come to be one of the most popular of the year.

Sunday evening Mr. Daniel, St. Paul pastor, will leave for St. Louis, Mo., where he will attend the sessions of the Superannuated Fund Endowment Board. On his way to St. Louis, Mr. Daniel will stop in Rome, Georgia, for a short visit with his brother. He will be away from Goldsboro for about a week.

Says Mexico Ordered Pay

United States Senate Creates Special Committee To Investigate Charges

WASHINGTON, Dec. 9.—(AP)—An enquiry into charges published by Hearst newspapers that President Calles of Mexico had ordered more than \$1,200,000 paid out of the American government treasury to four United States Senators was begun today by a special Senate committee a few hours after it had been ordered by the Senate.

Cooperation of the State department was asked by Senator Reed, Republican who offered the resolution of enquiry and was later named chairman of the investigating committee.

Moving with dispatch the committee advised secretary Kellogg of the Senate action and within an hour an assistant secretary of State appeared before the committee at its first session behind closed doors.

When Hearst newspapers recently began publication of what was called fascicules of official Mexican documents relating chiefly to international questions, the State Department let it be known that it had no knowledge of such documents and the Assistant Secretary of State declined to amplify this statement after the meeting today with the committee. He declined to disclose what he had said to the committee.

SEELY TAKES MOST CREDIT

Admits He Is Boy Who Made Grove What He Became

ST. LOUIS, Dec. 9.—(AP)—Cross examination of Fred Seely began today in his suit to obtain from the estate of his father-in-law E. W. Grove, 51 percent of the stock of the Paris Medicine company which Grove founded.

Concluding his direct testimony, Seely described his varied career which involved years in St. Louis as general manager of Groves medicine company in Atlanta as manager of Grove's real estate concern and in Asheville as Grove's representative in real estate and hotel interests.

NEW ORLEANS, Dec. 9.—(AP)—Five white men held up occupants of the Colonial club here today and escaped with approximately \$2,000.

Christmas For 23 Arranged By Santa Club and \$70 in Donations Are Added

Opportunities 3, 4 and 5 in the Wayne County Santa Claus club were provided for yesterday and donations of \$70 made to swell the effort by The News in cooperation with County Welfare Superintendent R. H. Edwards to see that Old Saint Nick remembers every needy person in the county this season.

The new departure of The News in requesting for Mr. Edwards donations for indigent yet worthy cases outside the city has met a ready response in the city.

The Presbyterian Auxiliary applied for opportunity number 3, joining the Cuthrell, Philathea Class of First Baptist church in religious organizations falling in with the movement. Other donations were by individuals who wanted to become members of the Santa Claus club.

Two new opportunities are presented today and it is hoped that the day will not pass before 813 has been called and notified that the cases will be provided for. The Misses Claytor, Bessie, Penelope, and Carrie—yesterday signified their intention of taking care of some case and they may decide on one today. They applied for number 5 but number 3 had been awarded before the request was received.

Here are the new opportunities:

Opportunity No. 6
Widow woman, very old. Has an afflicted daughter, and a little grandchild five years old, and a grandson fourteen, who is the bread winner and only support of the family. He works by the day whenever he can.
Clothes and food are needed very much for this family.

Opportunity No. 7
A widow woman, has two boys, ages eight and two, and two girls, ages eleven and six. Lives with her old father who is not able to work at all. This widow and her oldest child work as farm hands around the neighborhood. Has had a lot of trouble lately with her teeth. Is hard working and deserves much credit for holding her little family together under such conditions.

They need clothing and provisions.

Blizzard Bit At Big Ships

Twenty Vessels Reported in Distress Before Sub-Zero Gale Lets Up

(BY THE ASSOCIATED PRESS)
The wake of the blizzard which swept with sub-zero weather across the country found more than 20 storm ridden vessels on the Great Lakes, in distress, wrecked or limping toward port yesterday. Although no deaths were reported, thousands of dollars of damage were done to shipping, the gale leaving a trail of smashed shore property and ships.

Wreckage believed to be from the steamer Agawa was washed ashore at Porcupine Bay, although the crew were reported safe. A Canadian steamer was also reported in trouble in Port Arthur waters.

Three freighters whose whereabouts were unknown, were located as the winds abated and the temperature rose. One steamer, wrecked she was in shelter off Michipicoten Island and two steamers tied up safely at St. Marie.

Fast in 12 inches of ice and the steamer Thomas Britt awaited outcome of attempts to reach her by ice crushers.

An 84 mile an hour gale snapped four vessels and a passenger steamer from their moorings at Buffalo, two of the ships being badly battered.

Warmer weather throughout the middle west and south was in prospect for the week end with milder winds only a few hours behind from the Atlantic seaboard.

HOLT FAMILY TO GO TO RICHMOND

Will Be Present to Defend Name of Mrs. Snipes When Case Is Called

Several members of the Holt family of Princeton will go to Richmond Sunday to be present when the case is called Tuesday charging murder against J. W. Faison in the death of Mrs. Elsie Holt Snipes, according to J. J. Hatch, who has been retained by relatives of the dead woman to prosecute Faison. Mrs. Snipes, a native of Princeton, and daughter of Toho Holt, died in a Richmond hospital from the effects of a pistol wound in the head. Faison is charged with the crime and it has been alleged that he was alone in the apartment with Mrs. Snipes at the time of the shooting.

Dispatches out of Richmond have spoken of intimate relations having existed between Mrs. Snipes and Faison, who was married and had a wife and five children. Attorney Hatch declares that the stories have been highly exaggerated and that the prosecution will spring several surprises when the case is called.

"If Mrs. Snipes as what some of the news stories have suggested," he would never have been able to hold her position as an instructor in the Richmond Conservatory of Music," he declared. The Goldsboro attorney declared that Faison had represented himself to Mrs. Snipes as a divorced man and that he had won her friendship.

THOUSANDS SEE NEW FORD HERE

Williamson Will Continue Showing Today With Truck Also Displayed

Wayne county cars are still interested in the new Ford, it was demonstrated yesterday when Jos. W. Williamson, Inc. offered for display for the first time the new model. Until nine o'clock last evening, 5,000 people by actual count had called to inspect the car and crowds were still streaming in.

The showing will continue today and in addition to the car, the new Ford truck will be on display. The truck arrived last night and won exclamation of praise from those who saw it in the short time before closing.

The thousands who saw the new Ford were exclamatory in their praise of it.

"Well, Ford has certainly done everything he promised and more, too," was the frequent expression.

Funeral Services Held For Young Girl Who Was Killed

Funeral services for little Beula Tedder, 15-year old white girl, of Great Swamp township, who was found with her throat terribly slashed and for whose death Larry Newsome, negro living near the Tedder home is being held pending trial, were held at the upper Black Creek church yesterday afternoon at three o'clock with Elder Denoy, of Wilson officiating. The services were very simple and were quiet save for the low sobs of the parents and a few of the closest friends. Breaths of sympathy were heard in the quiet tones of the room, and glanced with mingled feelings upon that still, sweet, sad face, upon which seemed to rest a strange forced smile. Mingled feelings there undoubtedly were within the breasts of those who viewed the slim, young form.

"Oh, what a shame," and "how could anyone have killed such a sweet child," and yet again, in the deep, husky voices of men, "he ought to be lynched," were to be heard all over the room.

An under current of reassurances and promises were heard in the tones of the men in removing the suspected negro, Larry Newsome, from the scene, as quickly as they did.

One of Fremont's most conservative citizens was heard to say that "it's a good thing they took him away when they did, because if he was here now, this crowd might be hard to hold."

Little knots and groups of men stood in front of practically every store in the town, talking in guarded tones, while elderly ladies and young girls conversed with each other in awed-whispers.
