

FREMONT DEFEATS JAMESVILLE AND WINS GROUP HONORS

Thrills Aplenty Provided As Ancient Rivals Battle

Blame in Last Minute Gives Fremont Big End of 25 to 23 Score on Court Here

Fremont won the championship of group three in the University of North Carolina elimination series on the Memorial Building court last night by defeating Jamesville 25 to 23 in a hot and as clean a game of basketball as the local court has seen this season.

Fremont's superior team work and superior passing turned the trick, in spite of one Mr. Gaylord of Jamesville who scored 15 of his team's points. Several of the counters scored by this young man were long shots from mid-court that even the Fremont boosters, who were out in force, had to cheer.

The much touted Mr. Brown of Jamesville, who had been counted on to do the heavy work, was guarded beyond any possibility of getting in his deadly dunks.

Fremont took the lead in the first quarter, which ended 10 to 4 and it looked like easy going for the Wayne boys. In the second quarter, however, Jamesville had put on her running clothes and pulled up a bit, the half ended 13 to 10. In the third quarter, Jamesville pulled up another notch and this period ended 17 to 15. About midway of the fourth quarter, Jamesville, with Gaylord leading, knotted the count 20 all, and then for our brief second took the lead 22 to 20.

Then the score was knotted again 22 to 22 and Capt. J. Peacock made good a foul that gave Fremont, champions of the 1927 peanut exposition, a one point lead over their old rivals, who were champions of the peanut exposition in 1926. C. Hooks from Fremont sounded the knell for Jamesville when with his men feeding him the ball in great fashion, he made good a staker in the last seconds of play. Hooks sided his team greatly by taking most of the tips.

Fremont	Jamesville
J. Peacock Capt. (7)	Brown (2)
	R. F.
Hayes (3)	Gaylord (18)
	L. F.
Hooks C. (8)	Warrington (2)
	C.
Hooks L. (4)	Sikes

PIKEVILLE IS AGAIN WINNER

Take Rosewood Into Camp by Score of 29 To 23 On Local Court

Pikeville added another game to its win column last night when they took Rosewood to task by a score of 29 to 23. It was a close, hard fought game throughout, with the point advantage shifting from one to the other of the two contesting teams, coming to rest with Pikeville during the third quarter where it remained until the end, though being threatened by two or three Rosewood spurts. The game was one of the last of the Memorial Community Building league No. 1 series.

Does was outstanding point man for Pikeville, playing also an excellent game in every other department. He was ably assisted by Muegraves, his lanky running mate. His points for the contest counted 14, lacking one to half the total of his team. Howell comes in for mentioning for his floor work and all around playing.

For Rosewood it was Cordell and then more Cordell. He was far and wide the most aggressive and effective floor man they had, and he was easily the high point man with 12, practically all of them coming in the final period. Grantham also played a nice game, getting a quota of 8.

PROBABILITY OF SECOND PARTY IN MURDER

LOS ANGELES, Feb. 15—(P)—The possibility that a person other than Dr. Charles C. McMillan had a motive for the slaying of the wealthy Mrs. Amelia Appleby, has been injected by the physician, accused of the murder of the woman.

NEWS BRIEF
HIAWATHA, Kan., Feb. 15—Al Chappell, a native American, and never abroad. Mrs. Andrew Rosa has lost her citizenship. She married a native of Scotland who is not a naturalized American.

NEW BERN Y IS HERE TONIGHT

Fast Craven County Team Will Meet Memorial Five On Local Court

Tonight New Bern Y, one of the fastest basketball teams in Eastern North Carolina will be in town to play Memorial Five, representative Wayne county and Goldsboro quintet. This will be the two squads' second encounter, the other being on the New Bern court. It was won by the Y with one meagre point to spare.

Judging from that first battle, this should easily be one of the most interesting games played on the local court this season. Miami with its scintillating quintet gave the fans a beautiful exhibition of basketball, but the score was too one sided for that. High interest which only a closely contested basketball game can give. Then too, there was little or no rivalry between the two cities. Such will not be the case this time.

New Bern and Goldsboro are logical rivals in all lines of endeavor, and the past has demonstrated that they are. The two high schools have already played; the junior athletic club has played the junior Y. So far the contest are about equally divided; tonight's game will do much to decide

the supremacy of the cities in the field of basketball.

For the locals there are a number of outstanding college stars expected to add skill to their game. Lane of Washington and Lee, Bullock of Duke University, George Spicer of Danville Military Academy, Howard Simmons, former high school star and member of last year's Duke freshman squad, star of the 29th infantry school quintet of a few years ago, Parker, former high school star and a member of the local team for three years, and Charlie Simmons, outstanding football and basketball star of the local high school—these are the men that will make up the Goldsboro team. They have been playing together now for several weeks and present a formidable aggregation. Just the other evening they took the rangy squad from Micro into camp by an exceedingly large score of 58 to 29, due in part to a wild goal shooting spree indulged in by Bill Ellis during the final minutes of the fray.

The game will start promptly at 8:15.

QUAKES ARE TO PLAY FREMONT

Game Scheduled for Memorial Building Court, Tuesday, February 21

Manager Joe Parker of the Goldsboro High School Earthquakes announces that he has arranged a game of basketball between the local high school youngsters and the fast Fremont high school. The game is to be played Tuesday night February 21 and is to start at 7:30. Fremont has one of the best teams that has ever represented the Fremont high school and this game will give the local fans another opportunity to see the winners of the Peanut Exposition Tournament in action. The fast that failed to see the thriller last night between Fremont and Jamesville will be given a second opportunity and those that saw the game, and they were many, will be glad of the opportunity to see them in action. Fremont has defeated

the Wake Forest Freshmen, Wilmington and several other first class teams this season and boast a remarkable record for the year. The Earthquakes have an open date on Tuesday because they had to play Rocky Mount on Thursday instead of Tuesday, thus making possible a game with the neighboring city of basketball fame.

Friday night of this week the Goldsboro Earthquakes journey to Washington to play the Washingtonians in a return game. Be it remembered that Washington defeated the locals here by the close score of 14 to 12 and the locals have hopes of turning the tables on them in their next meeting. Several cars of spectators have announced their intention of journeying over to see the game and they seem to think that the game will be well worth seeing. The Earthquakes are without the services of Evans Boney which will hurt their chances a great deal, but the team has not become discouraged over several tough breaks that they have received this season. They seem to come back

all the harder after being struck by old man bad luck.

Bennett Released To Manage Kinston Club

KINSTON, Feb. 15—(P)—Announcement late tonight by E. B. Vann, organizer of the Eastern Carolina League, stated that Paul Bennett had officially released from the Winston-Twins. Bennett was at once signed by Vann to pilot the Kinston Slemmons for the coming season.

GAINTS BEGIN SPRING CAMP

Young Pitchers Are Given First Workouts At Hot Springs, Arkansas

HOT SPRINGS, Ark., Feb. 15—(P)—Baseball's spring training season began today for 16 young pitchers and catchers of the New York Giants.

Roger Bresnahan, veteran Giant coach, led the squad of youngsters from which John McGraw expects to draw material during the approaching season. A light work out followed by a boiling out in the thermal waters inaugurated the conditioning.

Beginning tomorrow a mountain hike will be added to the daily routine. McGraw will come Saturday according to officials of the club who accompanied the players.
