SOUTHERN CROSS MAKES 3138 MILE HOP TO SUVA

Flight Made In Good Time

Required Only 35 Hours and 37 Minutes to Cover 3138 Miles Over Sea

SUVA, Fiji Islands, June 4—(AP)—Tuesday. The trans-pacific monoplane Southern Cross arrived today from Hawaii 3138 miles to the north. The time was 6:23 p. m. Pacific Coast time Monday.

In arriving Captain Charles Kingsford Smith and his three companions put behind them 5,535 miles of their over-seas flight of 7,800 miles from Oakland California, to Sydney, Australia, but they lost 20 hours in crossing the international time meridian.

The flight from Hawaii required 35 hours and 37 minutes. The courage of Kingsford-Smith the commander, of Charles Ulm, fellow pilot, Australian, and navigator Harry W. Lyon and James Warner, radio operator, Americans, triumphed over storm clouds through which they drove their stout plane. It gave superior to the waster of thousands of miles of menacing seas and to aching suspense of hours of uncertainty of their position.

The fliers were greeted by thousands of representatives of the nations of the world, gathered in this far outpost of the South Seas to do honor in common to human intrepidity—exemplified in the performance of the Australian-American crew—for love of courage and accomplishment rising over nature's tremendous obstacles made brothers for the time being of that great throng of Americans, Europeans, and Polynesians. They were united in one great kinship.

With the islands in sight there was a period of waiting for the word that was to inform the world of the triumphant landing at Suva. This was due to the radio antenna being reeled in to permit the landing to be made.

WASHINGTON, June 4—(AP)—Suva, is situated on an island that falls to meet popular conception of what a South Sea island should be. Suva is on Viti Levu, main island, of the Fiji Island group.

CLUB READY FOR CEREMONIAL

Bob Stevens Will Be Goldsboro Marshall At Big Parade

The Goldsboro Shrine club met last evening with a good attendance of Nobles. Noble Herbert Horne was elected Vice President of the local Shrine club. Chas. E. Wetherington and H. Bruce Ellis being previously elected President and Secretary. F. B. Crowson past Potestato of Sudan Temple, and L. A. Raney were elected to membership of the Board of Governors of the club. Robert Stevens was elected Marshall of the club for the parade in Raleigh on Thursday. W. G. Crawford being his alternate. It was decided for all nobles to wear black shoes if possible; if not, tan shoes would be in order. Red felt in hand ties were preferred. Bow ties will be in order however. The Marshall requests all Goldsboro Shriners to meet on the corner of Sir Walter Hotel at 11:30 to form in the parade which commences at 12 sharp. Either Bob Stevens or Willie Crawford will be there to show you your places. Please be on time and all Goldsboro Shriners join in the parade and let's make a good showing, on to Raleigh, on to Raleigh.

MAY BE SECOND PRIMARY FOR WAYNE COMM'RS

SOUTHERN CROSS LANDS IN SUVA, FIJI ISLANDS

Completing a 3,800 mile flight over water—the longest over-water flight on record—Captain Kingsford Smith and his three companions from left to right—Kingsford Smith, Ulm, Lyons and Warner—in the "Southern Cross" landed in Suva. First report of the successful landing was telephoned The News by Dr. L. W. Corbett, who picked it up over his radio.

Diplomas Presented to 51 High School Graduates And Dean Francis Bradshaw Delivers Annual Address

The presentation of diplomas to 34 young women and 17 young men, the award of prizes to students who have distinguished themselves in particular endeavor and an address by Dean Francis Bradshaw of the University of North Carolina last evening concluded the commencement exercises of the Goldsboro high school. The finals started Sunday evening with the sermon by Rev. J. A. McMullan of Wake Forest College, and were

continued yesterday morning with class day exercises. Prof. Albert Coates of the department of Law of the University of North Carolina had been scheduled to deliver the address last night but was taken ill with appendicitis and secured Dean Bradshaw to come to the city.

The address of the latter was a meaty one, and calculated to produce sober thought among the thinking

men and women of the large audience which gathered at the high school auditorium last evening. Dean Bradshaw discussed the emphasis which North Carolina and its people place on life today. They speak of North Carolina as the fifth state, and may be that is right—fifth from the bottom, declared the University executive.

The State has money for good roads for automobiles, for drinking water

for beverages, but little time for the higher aspects of life, cited Dean Bradshaw and he put forth a statistical report of sums in support of his contention.

Occupying the stage last evening were Principal T. T. Hamilton, who was chairman of the meeting. Superintendent Ray Armstrong of the city schools; Dean Bradshaw, Rev. J. M. Daniel of St. Paul Methodist

KIWANIS TAKES FIVE MEMBERS

Rev. Peter McIntyre In Charge of Regular Monday Program of Club

Rev. Peter McIntyre was in charge of the Kiwanis program at last night's luncheon and he talked to the club on "Mass Movement". He said that this was known as the mass movement in past history to show that it was not entirely a new idea, but had merely been emphasized more in recent years. By way of illustration of the meaning of the term he stated that one chain store having 1700 retail stores distributed 750 million dollars worth of merchandise last year, and mentioned the fact that over 70 percent of the total number of automobiles were produced by two concerns. He continued to point out other consolidations due to the mass production idea.

In the latter part of his talk, Rev. McIntyre voiced a fear that "mass" (Continued on page 5)

COUNTY BUYS 935 NEW CARS

During Last Year North Carolina Tar Heels Bought 59,877 New Cars

Folks of Wayne county are buying more and more new automobiles. Statistics issued by Sprague Silver of the Automobile department of the State office of Revenue show that last year Wayne people purchased 935 new cars. In North Carolina 59,877 new cars were titled last year. These cars, based on an average cost of \$325 each, represent an expenditure of \$19,418,525 for new automobiles by Tar Heels during the 12 month period, or an average of slightly over four million dollars each month.

By counties, the number of new cars purchased varies from 38 in Clay to 4,082 in Guilford. On the basis of an average cost at \$325 per car this would mean an expenditure in Guilford of over 100 times as much as in (Continued on page five)

SMALL INCREASE IN WAYNE FUND

County Will Get \$1,158,26 More in Equalization Money This Year

Wayne county will receive for the coming school year \$1,374,24 from the State equalization funds against \$1,175,98 for last year, according to estimates received from the State board in charge of the distribution. This is \$1,553,26 more than the county received during the school year just closed.

A statement by Leroy Martin, secretary of the board, issued in connection with the distribution was in part as follows:

"Each county of the State was then taken up and consideration given to the various factors that influence valuations. All district lines were disregarded and every effort made to regard the questions presenting themselves from a State viewpoint. Every county in the State, has been (Continued on page 5)

LANGSTON WINS IN DUPLIN CO.

Gets 1405 Votes in Duplin; Commissioners Race Is Very Close

(Special To The News) KENANVILLE, June 4—John D. Langston of Goldsboro, candidate for Lieutenant Governor, swept Duplin county. Official votes tonight were: Langston 1405, Burgwyn 339, Fountain 351. For commissioner of labor and printing, Grist 1381, Peterson 356, Shipman 265.

R. S. Kerr defeated George Ward for the house of representatives by a very slight margin, getting 1223 against 1162 for Ward.

The race for county commissioner was close with 11 men contesting for three places. T. O. Best of Warsaw, was the only man nominated on the first ballot, he received 1287 votes. K. Sandlin was second man with 973 and the others, in order Kid Outlaw 808, Bib Ferrell 805, L. S. Byrd 748. (Continued on page five)

Raney Only Candidate For Commissioner Who Gets Majority of Votes

LANGSTON 3200 AHEAD BURGWYN

With Reports About Complete, Indications Fountain First, Langston Second

CHARLOTTE, June 4—(AP)—With the vote from the central part of the state virtually all unofficially reported with the exception of one rural county and 19 scattering precincts and 157 western precincts and 211 in the east still lacking, indications late tonight were that R. L. Fountain of Rocky Mount and John D. Langston of Goldsboro would run first and second.

W. H. S. Burgwyn of Northampton county, was not so far behind but that the belated returns might still enable him to cut into the Langston lead to the point where official count might be necessary to determine the winner of the right to contest Fountain in the second primary.

The total of 1928 of the state's 1154 precincts had been reported 618. Fountain leading Langston by 11,000 and Langston approximately 3,200 votes ahead of Burgwyn.

The tabulated vote was Fountain 68,022, Langston 67,206, Burgwyn 54,053. A study of the returns shows that there was no special section of the state in which any candidate had great strength. Fountain was leading or had carried 14 western counties, 11 in the central section and 18 in the east. Burgwyn carried or led in 10 western, 12 eastern and 3 central counties, and Langston in 14 eastern, 6 western and 4 central. Langston gained most of his lead over Burgwyn by running second in the larger number of counties.

What the verdict will be as to a second race lies in the candidates polling the second highest number of votes.

Frank D. Grist, commissioner of labor and printing, continued to gain on his opponents, M. L. Shipman, and G. J. Peterson and only a landslide in 440 unreported precincts could result in any change in standings. He had a clear majority of 15,379 over combined totals of the vote

Next Highest in Commissioner Race: J. Denning, Murvin, Berger, and Pate

LOW FOUR MIGHT ASK FOR SECOND PRIMARY

Royal Has Final Plurality of Only 89 Votes Over J. J. Hatch

Meeting yesterday and checking the vote of the 19 Wayne precincts at Saturday's primary, the board of elections certified the following nominations: State Senator Kenneth C. Royal, House of Representatives, Gurney P. Hood and W. Wiley Andrews; Sheriff W. D. Grant; Coroner, T. R. Robinson; County Commissioner, L. A. Raney.

Mr. Raney, chairman of the present board of commissioners, was the only candidate who secured sufficient votes to win a majority and certification of election. His tally was 2460.

The four next highest men are: J. J. Denning with 2025—he needs only 13 more or 2046 to give him a majority—S. J. Murvin with 1953, N. B. Berger 1912, and Deems H. Pate with 1902.

The latter had gone home, thinking that he was seventh in the race, when the count showed him considerably ahead of G. D. Williams of Mt. Olive who had 1845, and A. T. Griffin who received 1841. Proponents of Williams and Griffin were counting industriously to see which was ahead when they ran into the fact that Pate headed them both. Williams' vote placed fifth with 1841 in the running and Griffin's seventh, S. J. Herring received 1397 and C. W. Oliver 1238.

If any one of the following Williams, Griffin, Herring or Oliver, ask for a second primary on or before June 9 a second primary must be held. Otherwise the following will be certified as nominated along with L. A. Raney: Denning, Murvin, Berger and Pate.

The race between Kenneth C. Roy and J. J. Hatch proved in the end to be closer than even the first returns indicated. Final official count showed Royal 2215 and Hatch 2128, a plurality of 89 votes for Royal.

The race for the places in the legislature G. F. Hood received 2487 a majority of 473, and Andrews 2128, a majority of 173.

T. R. Robinson, incumbent, received 2304 votes against 1755 for E. F. Windstad in the race for coroner a majority of 549.

A total of 4343 votes were cast in the senatorial race, which probably was high vote. This is about 1,000 less than the primary vote of two years ago.

J. D. Langston received 2988 votes as against 645 for Fountain and 429 for Burgwyn. Col. Langston led Wayne's ticket.

Sheriff Grant led the ticket, considering men opposed by men in their county, getting 3745 votes to 1571 for J. W. Bird of Mt. Olive his opponent.

HOOVER DELEGATES WIN

KANSAS CITY, June 4—(AP)—A state of delegates to the Republican National convention from Florida pledged to Hoover made a clean sweep today in a series of contests, decided by the National committee over a faction led by George W. Bush Florida National committeeman.

After recognizing the credentials of the Hoover-Big Four. Delegates to the committee placed on the temporary convention role of all the Hoover delegates whose seats were contested by the Bush faction.
