Smith Men Claim 7.5 Delegates To Houston and Hull Forces Concede 5.5

CONVENTION WILDEST IN HISTORY OF NORTH CAR.

T. D. Warren is Named Permanent Chairman; Republicans Are Lambasted

RALEIGH, June 12.—(AP)—Cordell Hull forces tonight emerged victors over Smith leaders at the North Carolina Democratic convention which was marked by wild disorder in as stormy a session as the party ever held in this state.

Convening at 12:30 this afternoon, the session closed shortly before 9 o'clock tonight. The nearly 2,000 delegates voted by a majority of 273 to send 8 delegates at large to Houston headed by Senator F. M. Simmons for years leader of the party.

Without discussing the unit rule, the convention did not instruct the delegates at large as to how they should vote at Houston. Indications were that the delegation would support Hull or whoever its leader, Senator Simmons, might favor.

Smith leaders claimed that they would have 7.5 delegates of the North Carolina delegates at Houston. Hull leaders conceded Smith only 5.5.

Former Congressman Clyde R. Hoey, Shelby and Terry Lyon, Fayetteville, were named without opposition as electors at large.

The hisses and shouts from a minority of the gathering in the city auditorium reached their greatest point when former Governor Cameron Morrison, Charlotte, endeavored to speak near the close of the convention. Mr. Morrison during the voting on delegates at large gained the platform and announced he was not a candidate for a seat in the Houston meeting. His name had been put at the head of the eight nominated by Josiah W. Bailey, Raleigh, floor manager for Smith.

Mr. Morrison many times started to talk only to be shouted down. Finally he shouted, "I can't stand it any longer," and started to leave the hall.

Friends grabbed him and carrying him on their shoulders marched around the auditorium. At one stage James Hatch of Goldsboro arose and begged the crowd to "play fair with came" but without success.

Other speakers took the platform at various times only to suffer like receptions. Col. T. L. Kirkpatrick, a Smith supporter got in very few words, before he had to quit. Clyde R. Hoey was the first to mention the name of Governor Smith to the delegates. He also spoke against the unit rule issue. His appeal ended with a call for a united party.

The committee on permanent organization, which nominated Thomas D. Warren, of New Bern, a Hull man, as permanent chairman, saw its motion carried. Mr. Warren for a full 15 minutes was unable to stop the disorder that Smith men raised. The last order of business just before adjournment was the adoption of the platform prepared by the committee with Cameron Morrison as chairman. It was passed without discussion.

The party put itself on record denouncing the failure of the Republican party to enforce the prohibition act and Republican corruption in general and upholding the administration of State affairs by Governor McLean.

The delegates at large: F. M. Simmons, New Bern; Josephus Daniels, Raleigh; W. H. Wood, Charlotte; W. C. Newland, Lenoir; Mrs. Palmer Jermon, Raleigh; Mrs. W. H. Belk, Charlotte; Mrs. J. G. Fernius, Pasquotank county and Miss May F. Jones, Asheville.

RALEIGH, June 12.—If there were any Smith delegates from the counties of Wayne, Sampson, Duplin, Pender, Craven, Pamlico, Onslow, Jones and Carteret, making up the Third District of the State Democratic Convention, they were so thoroughly subjugated that not a vote was lifted to disturb the harmony and unanimity of that meeting held in the City Auditorium prior to the meeting of the State Convention.

Number 13 Has Figured in Sentence of Larry Newsome

(By JOHN D. LANGSTON, JR.) Unless Governor McLean intercedes, Larry Newsome, Wayne County negro convicted of first degree murder at a trial of only thirteen hours duration in Chatham County Monday, will die in the electric chair at State Prison in Raleigh, on or about Tuesday, August 21st. Newsome was sentenced to die on Friday, July 13th, by Judge R. A. Nunn at the conclusion of the trial in Chatham County Court House Monday night, but a plea was immediately made by attorneys for the condemned negro, for an additional 40 days grace in which to file notice of appeal, and this plea was granted. This probably means that Newsome will walk down

ROSE NOT YET OUT OF DANGER

Sheriff Grant Refuses Johnson Bail Pending Outcome of Rose's Injuries

Pink Rose, Grantham township farmer who was critically wounded Sunday afternoon late by a neighbor Millard Johnson, was yesterday reported as still in a serious condition and not yet out of danger.

Sheriff W. D. Grant, back from Pittsboro where he was in charge of Larry Newsome at the second hearing of the negro, refused to allow Johnson his freedom under bail until after it was reported that Rose was out of danger. Bond had been fixed at \$2,500 but Sheriff Grant said that he thought it his duty to demand Johnson's staying in jail until Rose's condition definitely ascertained.

The latter was wounded with a knife in the hands of Johnson. His intestines, were partly cut from the body and on one side the lungs were pierced. Rose was very weak from the loss of blood when he was brought to Spicer's Sanatorium. A blood transfusion was resorted to in an effort to give him back strength with which to fight the two complications most likely to develop now—peritonitis and pneumonia. Blood for the transfusion was supplied by a sister, Mrs. Sally Porter.

Local Manufacturer Will Serve Co-Op Association Governing Board

The local manufacturer will succeed Sheriff E. A. Stevens on the governing board of the Association. Sheriff Stevens served in this capacity for a number of years but this season refused to again stand for nomination. Mr. Griffin is one of the largest producers of cotton in the Association in this section.

CERTAIN OF REPUBLICAN NOMINATION

HERBERT HOOVER

So certain are the Republican delegates gathered at Kansas City that Herbert Hoover will be the nomination on an early ballot that their time is now taken up with who will be the vice presidential candidate, rather than who will be president. The nomination of Hoover was made practically certain when Mellon formally declared Pennsylvania's votes for him.

CAPT. CARRANZA FAIL IN EFFORT TO START FLIGHT

Mexican Flier Was Forced Down Near Mooresville By Heavy Fog

WASHINGTON, June 12.—(AP)—Captain Amelia Carranza, Mexican aviator, late today completed his flight from Mexico City to Washington and was welcomed by high government officials and foreign diplomats.

Before landing at 5:17 p. m. he circled over Bolling Field and then as if drawn to by the Mexican flag waving proudly he brought his machine to a stop almost directly in front of the stands where sat the Mexican ambassador and his wife.

Carranza left Mexico City yesterday morning and had he not been forced down by a fog at Mooresville, N. C., early today he probably would have landed in Washington shortly after 6 a. m. today. His flying time until he lost his bearing in the mist and haze averaged over 100 miles an hour.

Mellon Apparently Picks State in Going For Hoover and For Dawes

FARM RELIEF QUESTION IS BROUGHT FORWARD

Resolutions Committee Overwhelmed As Farm Delegates Crowd Into Hall

KANSAS CITY, June 12.—(AP)—Republican leaders were turning tonight to consideration of a vice presidential candidate, the discussion revolving about the man best fitted to make up with Herbert Hoover, whose nomination for president seemed assured.

Vice President Dawes was thrown prominently into the situation by Sen. Mellon, who declared his renomination "logical" and there were many tonight who believed that the quiet-mannered secretary of the treasury had named the Republican ticket for the campaign in his choice of Hoover and Dawes.

Senator Borah of Idaho who endorsed Mr. Dawes, saying the vice president had made an excellent presiding officer of the Senate; that he had been an advisory leader in farm relief matters and "has a very high standing throughout the country with all classes of people."

But there were many names in the discussion as the conference turned suddenly from president to vice president and uppermost in the minds was the question of Mr. Hoover favored.

He is not expected to show his head until the nomination is marked up on the books.

Other names frequently heard included Senator Edge of New Jersey; Moses of New Hampshire, Curtis of Kansas, Watson of Indiana, and Deussen of Illinois; Governor Fuller of Massachusetts and others.

It was the prevailing view that if Hoover is nominated his forces will seek a middle western man where centered the fight against the Commerce Secretary in the pre-convention battle. A man friendly to agriculture and able to carry on an active campaign was the goal of this group.

In Dawes many saw the solution to the bitter intra-party wrangle. The vice president is a close friend of Frank Lowden, leader of the farm flock which so strenuously has fought Hoover.

Farm Relief Demanded

KANSAS CITY.—(AP)—The resolutions committee of the Republican national convention was overwhelmed tonight by an onrush of men and women bearing the familiar yellow agricultural badges and claiming to be representatives of the farmers of the country. After 300 or 400 visitors had arrived bringing a halt to the public hearings of the committee James J. Davis, secretary of labor announced above the confusion that he was advised by the custodian of the Eagles Hall that if any more persons undertook to crowd into the assembly hall the floor support would give way.

"I advise those now on the outside to remain there," he said "I do not want us to find ourselves on the basement of this building."

During the confusion Thomas B. Chepy, chairman of the New Hampshire Republican State convention who wore a Hoover button, arose and demanded the ejection from the hall of a placard which read "If we don't get it here, we are going to Houston."

His demand was ignored however, and shortly after Senator Smoot, Chairman of the committee announced he would hear two or three spokesmen of the delegation.
