ITALIAN BIRDMEN HANG UP NEW FLIGHT RECORD

Two Brave Fliers Land On Beach Ten Miles Up Coast From Port Natal

Made New Distance Flight Record of 4600 Miles From Take-off at Rome

RIO DE JENERIO, July 5—(AP)—Captain Arturo Ferrarin and Major C. T. DelPrete, after landing on the beach at Genipaba, ten miles north of Natal, resumed their flight from Rome at 9:10 today, heading for this city. They were at the beach an hour and twenty minutes.

Rio De Jenerio—a new distance record for sustained flight was completed here today when Captain Arturo and Major DelPrete landed on a little beach ten miles from Natal, Brazil and 4,600 miles from their take off at Montecello field, Italy.

They brought their big sea plane, the Savoia-64, in which they had previously established a world's duration flight record, to land after a flight took them across the Mediterranean sea to the Straits of Gibraltar, and then southwest over the Atlantic via the Cape Verde Islands. Stormy weather with heavy clouds made flight perilous in the last hour of their efforts and radio dispatches received here indicated that they had difficulty in maintaining their bearings after they reached the coast of Brazil. They were sighted over Port Natal at 4:05 p. m. and were then believed to be heading for Pernambuco, but three hours and forty five minutes later they eased down ten miles north of Genipaba. Poor visibility is that the fliers had flown on beyond Natal, flying to the south and the believed to have caused their infection as to where to land.

The failure of the two Italians to wind up their flight at Rio De Jenerio brought disappointment to a huge crowd of spectators in this city. Word of absence of any report from Pernambuco spread rapidly through the capital and brought throngs to the airport on the edge of the city.

LEVINSKY GETS DECISION FROM WIGGINS ON POUL

GREENSBORO, July 5—(AP)—Battling Levinsky, former light heavyweight champion of the world, won from Chuck Wiggins, of Indianapolis, here last night on a foul in the fifth round of a bout scheduled for ten rounds. Referee Connolly gave the fight to the Philadelphia puncher. Wiggins made use of backhand punches, delivered effectively to the chin by the Indiana "Bad boy" of the ring.

MRS. EDISON DONATES SUM

Gives Popular Unit to Building Fund of Bryan Memorial University

DAYTON, Tenn., July 5—A subscription of one hundred dollars, which is the popular unit in the campaign to build a great memorial university here in honor of the late William Jennings Bryan, has been received from Mrs. Thomas A. Edison, wife of the great inventor, according to F. E. Robinson, president of the Bryan Memorial University association.

"One of the gratifying things about the building of the university," said Mr. Robinson, in announcing the gift, "is the large number of distinguished citizens over the nation who are contributing funds and taking active part in the movement in other ways." The total amount subscribed in the nation now approximates three quarters of a million dollars, according to Mr. Robinson, and gifts have been received from 29 states, although active campaigns have been conducted in parts of five states only. North Carolinians have contributed approximately \$50,000 to the university, and there are yet many friends and admirers of Mr. Bryan in the state who are expected to subscribe.

HEAVY TOLL IN OBSERVANCE FOURTH JULY

Fireworks, Lakes, Rivers and Auto Weeks, All Have Their Part in Deaths

CHICAGO, July 5—(AP)—The lives of 205 men, women and children were a nation's sacrifice to the celebration of its 152nd birthday anniversary Wednesday.

Fireworks claimed their share of victims, as they always have since the United States first began observing Independence Day with sky-rockets, pin wheel and cannon crackers. There were eleven such deaths in the entire country, according to the Associated Press tabulation.

Many Growings Lakes and rivers, however, exacted the heaviest tribute to human life during the holiday, 108 drownings being reported. Motor car deaths ranked next in number with 54. Heat claimed 12 lives and lightning 3, while 4 were killed in plane crashes. In addition there were 15 deaths attributed to other causes directly connected with American observance of the Fourth.

The airplane accidents were at Joliet, Ill., where a pilot and two passengers plunged to death when the wing of their plane snapped and at Beaumont, Tex., where one was killed.

Three of the motor car deaths came in races, drivers being killed in Oregon, Pennsylvania and Wisconsin.

The number of persons injured, many probably fatally, ran into thousands. Premature explosion of a truckload of fireworks at Lamar, Mo., injured 25 persons as 5,000 gathered in the public square to witness the display. In the larger cities the hospital list of persons hurt during observance of the day ran into the hundreds. Chicago, with an ordinance prohibiting the sale of fireworks, echoed all day with firecracker explosions, and reports from police and hospitals that the number injured was probably greater than in recent years.

CHARLOTTE, July 5—(AP)—With only two fatalities and several minor accidents, Fourth of July celebrations in North Carolina appear to have been the quietest and most successful in some time.

Wilbur Brown 18, of Riverside Heights, Asheville, was drowned while swimming with friends in a pool at the foot of Beemes Creek falls, one mile west of Weaverville. Efforts to save him were futile and his body was not reclaimed up to a late hour Wednesday night.

A negro woman, Mary Hoover, drowned when she stepped into deep water in a creek near Salisbury. Earl Stanford, three year old boy of Durham received cuts about the

Time Of Local Ball Games Changed From 4 To 4:30

Beginning on Wednesday, July 11th all baseball games played in Goldsboro as a part of the Eastern Carolina League schedule, will begin at 4:30 in the afternoons, instead of at 4 o'clock, as has been the custom during the past several weeks of the season. This ruling was passed by an order from the Executive Committee of the baseball association yesterday, according to information received by The News last night. The change in the starting time of the local games will give business men, employees, and other workers an opportunity of getting to see the game from beginning to end—an opportunity that they have been heretofore denied, because by the time they

SUSPECT BELGIAN TOOK HIS OWN LIFE

Bound For Rome's Seven Hills

Here are Captain Cesare Sabelli (right), Captain Pietro Bonelli (left) and Roger Q. Wilkins, together with their trans-Atlantic Belanca monoplane Roma, just before the take-off on their non-stop flight from New York to Rome. They will head straight out over the Atlantic instead of taking the so-called great circle course which Lindbergh, Chamberlin and Byrd followed.

NINE CANNON MILLS MERGER

Plans for Merger of Nine Cannon Chain of Mills Were Approved Wednesday

CONCORD, July 5—(AP)—Plans for the merger of nine of the mills in the Cannon chain were approved at separate meetings of the stock holders here today at the offices of the organization.

The new company officials of the merger announced after the meeting will be formally organized as soon as all legal requirements can be met. The concern will be known as the Cannon Mills Co., with headquarters at Kannapolis, N. C. The capital of the new company will be about \$20,000,000.

Farmer Dragged to His Death By Mule

GREENSBORO, July 5—(AP)—Preston Brown, prominent farmer of Randolph county was dragged to death by a mule today. Mr. Brown had gone to his home from a field in which he had been plowing, and had ridden the mule from the field, when he attempted to alight his foot became entangled in a brace chain frightening the animal, which ran dragging him for a great distance.

DISCUSSION OF NEEDS AT SANI.

Directors Consider Plans for Summer and Fall Month's Work

SANATORIUM, July 5—(AP)—Discussion of needs and conditions of the State Sanatorium for treatment of tuberculosis marked a meeting here, Wednesday—yesterday—of the board of directors of the association.

The directors considered plans for the summer and fall months' work and inspected the work that has been in progress for the past several months.

Dr. T. W. Long of Roanoke Rapids is chairman of the board; U. L. Spence, Carthage, vice chairman; A. B. Cronin, Wilmington, W. E. Harrison, Rockingham, Dr. J. C. Braswell, Wiltaker, J. R. Jones, Sanford, Jonas Cottinger Wilson, Mrs. Max T. Payne, Greensboro, and J. R. McQueen, Lakeview, members.

SEVERE WINDSTORM AT WINSTON-SALEM

WINSTON SALEM, July 5—(AP)—Climaxing a day that was said to have been the hottest of the year, a severe windstorm, swept over Winston-Salem late Wednesday afternoon causing property damage of several hundred dollars.

Lenoir Farmer Killed By Carbide Plant Explosion

Mr. J. F. Herring, 35 years of age, a prominent farmer of near LaGrange, died in a hospital here on Tuesday morning at 6 o'clock as a result of injuries received at about noon of the day before when a carbide lighting plant storage tank which he was recharging exploded. The storage tank was of the form that is buried in the ground, and of a size that will contain sufficient of the fuel to supply lighting for some time. According to witnesses, the work of refilling the tank was completed with the exception of securing just one of the screw fasteners that holds the lid in place, and Mr. Herring was reaching across the tank to secure the final fastener, when the

COMMITTEE ON BOOKS TO MEET

Methodist Episcopal Body Called to Meet in Nashville on Wednesday, July 11th

NASHVILLE, Tenn., July 5—(AP)—The book committee of the Methodist Episcopal church, South, has been called to meet here on next Wednesday July 11, by its president C. A. Craig of Nashville for the purpose of electing a successor to Dr. Gilbert T. Rowe, book editor, who resigned to become connected with Duke university.

The position of book editor is a ranking office in the church, the editor editing and passing upon all manuscripts and books published by the church.

The meeting will also have before it the election of a member of the committee to take the place of Joe B. Morgan of Nashville, whose removal from the city left a vacancy.

GLOBE CIRCLERS IN PARIS

PARIS, July 5—John Henry Meads and Captain Collyer, who are attempting to circle the globe from New York within 23 days, arrived at Le Bourget Field from Querquerville Air Field, near Cherbourg, by plane at 3:50 Thursday afternoon.

Clerk's Annual Convention Ends

WILMINGTON, July 5—(AP)—Clerks of Superior Court of North Carolina today wound up their annual convention at Wrightsville Beach with business discussions and a banquet in the evening at which J. Bayard Clark, congressional candidate, was the chief speaker. Election of officers and naming the 1929 convention city were the last matters on the program before adjournment.

Wealthy Financier Is Said To Have Been One Of World's Richest Men

Cotton Dusters To Be Demonstrated

The general public are invited to attend the Field Demonstrations to be held today from 9:30 to 1 o'clock at the B. G. Thompson farm, on the southern limits of the city on highway No. 40 and at the Matthew Johnson place now farmed by George Garris, on the Promont-Eureka road. The practical uses of riding cultivators will be demonstrated in a practical manner, and also cotton dusting machinery will be operated under the supervision of Prof. D. S. Weaver, agricultural engineer of State College, Raleigh, N. C. Light refreshments will be served. Come and bring a neighbor.

TWO MEN HELD KILLING GIRL

Two Gastonia Men Bound Over to Superior Court in Shelby for Fatal Shooting

SHELBY, July 5—(AP)—Ralph Lippard and Claude Heavener, both of Gastonia, were bound over to Superior Court here today by County Judge Mull in connection with the fatal shooting at Grover of Bertha Evelyn Lippard, 19 year old wife of Lippard. Each were held in \$3,000 bond.

The young woman was shot Sunday evening and died in a hospital here Monday. The shooting is said to have occurred during a party at the Lippard home.

Sam Wallace, who was with Lippard and Heavener, was dismissed as to the murder charge but was fined \$75 and costs for driving an automobile while intoxicated and for trespass.

Dr. Kilgore to Address Co-Ops Near Here 13th

RALEIGH, July 5—(AP)—Dr. B. W. Kilgore, of Raleigh, president of the Cotton Growers Cooperative Association and of the American Cotton Growers Exchange, will address a meeting of Wayne county farmers near Goldsboro on July 13.

DEATH DEPRESSES STOCKS

PARIS, July 5—(AP)—The death of Alfred Lowenstein had a depressing effect on stocks in which he was interested on the Paris Bourse. Tuberculosis especially dropped many points. Other stocks were influenced downward, among them banks, Reutes, Rio, De Beers, and Suez, Canal.

Wayne TYPHUS ONLY TYPHOID

Report From State Board of Health Relieves Fear of Typhus Fever Scare. Officials of the State Board of Health reported yesterday morning that several cases of a disease in Wayne county, thought to be the dreaded typhus fever, had turned out to be typhoid. It was learned last evening. Although typhoid is a very serious disease, it can be successfully combated by vaccination while there is no inoculation for typhus that the State Board of Health is prepared to administer on short notice in North Carolina, it was said. Three cases of typhus were recently reported in Sampson county, but it was afterwards learned that blood and other tests made on the patients, showed that the disease was not typhus, as had been thought. The three patients who were reported to have contracted the disease, are now said to be convalescent.

His Disappearance was Discovered While Private Plane was in Air Over Channel

PARIS, July 5—(AP)—Whether Captain Alfred Lowenstein, Belgian financier, and reputed as being one of the richest men in the world, deliberately flung himself from the tiny plane which was bearing him across the English Channel, and was the victim of a tragic mistake, was unknown tonight. The usual routine police investigation was held today at Boulogne, where the plane landed when it was discovered that the wealthy owner had disappeared. The investigation was conducted only by a police commissioner without power to do more than merely ascertain the conclusive facts in the case.

The pilot, mechanic, two stenographers, and valet, who were on the plane, testified to their belief that Lowenstein's death was the result of a tragic mistake, and in many financial circles throughout the world the theory of suicide was strongly urged, its adherents pointing out that during the last few months many of the companies in which the Belgian was interested, had suffered reverses.

It was reported in Paris that Lowenstein had been seriously worried recently over his financial affairs, and that his failure to arrange loans in the last week for some of his Belgian companies had proved on his mind. The suicide theory was discounted by friends. "Lowenstein made a billion last year, so why should he have worried over finances" one is reported as having said.

LOCAL HORSES WIN RIBBONS

"Doc" and Black Rex Owned by Messrs. Sol Isaacs and Albert Handley at Show

Goldsboro was well represented at the Sedgewick Horse Show Tuesday and Wednesday, several blue and red ribbons having been received by Messrs. Sol Isaacs and Albert Handley on their horses "Doc" and Black Rex.

According to the Greensboro News, more than one hundred horses were entered among which were the best thoroughbred stock in North and South Carolina and it was said the mere fact that Albert Handley who rode the horses with so much success was new at the game, the showing made was very commendable.
