Smith and Hoover Acceptance Speeches To Be Radioed Free of Charge

NEW YORK, July 23—(AP)—National headquarters for the Republican campaign this year will be at Washington with a branch in Chicago, Dr. Hubert Work, national chairman announced tonight. There will be no large headquarters branch in the East he said.

Financing of Hoover's campaign was considered today at a conference of leaders from 12 eastern states with Dr. Work and Senator George H. Moses, eastern director.

The conference was held behind closed doors but it was learned that formation of advisory committees, 3 district treasurers and the suggestion of making public campaign contributions as made were taken up.

Each of the 12 states, except Massachusetts, was represented by one or more men.

Senator Moses, who believes this election will be the most bitterly contested since 1892, declared today he was more concerned about the outcome in Massachusetts than in any other state from Maine to Maryland.

"I do not mean, the New Hampshire" senator said "that Mr. Hoover will lose the electoral vote of Massachusetts will win them, but I am concerned about the election of a Senator. David I. Walsh, the Democratic Senator from Massachusetts, is a stalwart figure, and frankly it may be difficult to defeat him."

TO ALLOW VOTE AGAINST SMITH

Democratic Committee of South Carolina Has Hard Time Solving Problem

COLUMBIA, S. C., July 23—(AP)—Voters who voted in the State Democratic primary are bound under the party oath to vote for and support state and national nominees in the general election, but if they do not find it possible for any reason to vote in the general election the Democratic State executive committee decided today.

The committee after nearly three hours of debate found itself in a quandary. It had voted that Chairman R. S. Stewart was technically correct when he ruled that a voter in the primary must vote in the general election and support both state and national nominees under rule 32 of the South Carolina Democratic party.

The Rev. O. E. Watson, editor of the South Carolina Christian Advocate, challenged the committee to call the State convention together again to act on rule 32. This motion was put and carried by a close margin.

A committee was then named to fix the date and report after a luncheon period. The committee decided to recommend that the action be rescinded and a resolution adopted absolving Democrats who found they could not vote in the general election from any censure. This was amended to uphold the ruling of Chairman Stewart on rule 32 and passed.

Crippled Youth Again in Court on Whiskey Charge

Earl Witherington, young white man, crippled and with the stamp of death on his face, was again in Recorder's court yesterday. Selling liquor was again the charge. Earl was again defiant in manner, despite a voice that could not be raised above a whisper.

Painfully and slowly, probably too painfully and too slow to escape the charge of posing, he had made his way to the class when his case was called. One leg, the right one, dragged helplessly.

Officers Howell, Parker, Edwards, and Lancaster told their story. Complaints had been received that Witherington was dealing in liquor from his tent home on Holly street, in the rear of the Presbyterian swimming pool. Called at his tent early Sunday morning the officers searched the place and found several pints of liquor, a couple of tunnels, a large deodorant with a small quantity of whiskey in it, and a number of empty fruit jars.

"Did you look for the trap door under his tent?" asked Sergeant Lancaster when the officers had come to police headquarters with Witherington. They had not, but going back they raised a piece of linoleum arranged as a door mat over the wood floor of the tent, and underneath was a cave of several feet extent. Here another quantity of whiskey was found.

"I have to drink from a gallon and a half to two gallons a week to keep going," whispered Witherington to the court. This was the nearest he could come to a defense.

MANY ATTEND FUNERAL RITES

Hundreds Gather For Final Tribute To Beloved Friend, Mrs. Edna Crawford

Hundreds of friends and loved ones gathered at the home at six o'clock Sunday afternoon for funeral services over the remains of Mrs. Edna Crawford, who died at 11:20 Saturday night following many months of illness.

Quiet was maintained on the sidewalks of the home and the Sunday afternoon peace hovered about the place as the friends, saddened at the going of their faithful friend, gathered for the final rites. Rev. J. M. Daniel, pastor of the deceased, was in charge of the service and assisting him was the Rev. D. H. Tuttle, of Smithfield, formerly pastor of the St. Paul Methodist church here.

Members of the choir of St. Paul Methodist church began the service by singing "Safe in the Arms of Jesus". Rev. Mr. Daniel and Rev. M. Tuttle read alternately the funeral service, after which Mr. Daniel offered a most impressive prayer in which he thanked God for the beautiful Christian life that Mrs. Crawford had led, and for the faith that had been hers. The choir then sang "Asleep in Jesus".

Rev. Mr. Tuttle made a beautiful talk, saying that he was Mrs. Crawford's pastor 15 years ago; that he had been accorded the hospitality of her home at that time. He went upon the beauty of character, the deep faith and the Christian life of the deceased, through loss of loved ones, through trials and sickness. Especially did he speak of the mother's care she had bestowed upon her family. After this the choir sang "Abide with Me."

The services were conducted at the grave in Willow Dale cemetery, where by the side of her late husband, Elijah T. Crawford, she was laid to rest amidst a profusion of beautiful flowers, just as the sun was sinking.

None Suffers Serious Hurts

Calamity Strikes Three Times in Few Moments At Belfast Late Sunday

LASALLE WRECKED WEST OF GOLDSBORO SUNDAY

Mrs. Albert Cox Cut About Head In Auto Collision At Grantham Store Saturday Night

Two automobile accidents late Sunday afternoon brought the total for the city and county for the week end to five. Though some 25 people figured in the five accidents no one was seriously injured.

Calamity struck three ways at Greenleaf about 5:45 Sunday afternoon. About this time a Ford sedan driven by John H. Deane of Nashville and containing Richard Howell, negro, a tenant on Mr. Deane's plantation and two negro women being taken to Nash county to aid in tobacco curing, collided with a Chevrolet driven by Rob Flowers negro with whom Joe Smith and two other negroes were riding.

Only a few minutes after the accident Agnes Gold Deane, 5 year old daughter of Mr. and Mrs. Tom Deane, who live on highway 10 just opposite where the auto accident occurred, fell from her front porch and broke an arm. Dr. Rob Miller was called and set the broken bone.

An automobilist a few moments later, evidently going to inspect the scene of the recent accident, forced a small boy—whose name could not be learned, off the highway. The boy was uninjured when he fell to the right of the automobile. The driver of car stopped to ascertain if damage had been done.

The negro in the Chevrolet, which struck the Ford of the Nashville negro were hurrying to Goldsboro for an officer to go to the Baltimore negro church to quiet a fuss for all right reported to have started there. The negroes said they thought Mr. Deane was going to turn into the sitting station on the left of the road at the point and that the accident occurred when he did not do so.

The Ford was knocked completely around but left standing though badly damaged. The Chevrolet was rolled over on its side and was left lying in a yard adjoining the highway. It was also badly damaged.

Robert Flowers, negro driver of the Chevrolet was cut about the nose and face. Joe Smith, negro who was with him was cut on the head and his ears almost severed from his head. The other two negroes who were on the Chevrolet were unharmed.

Richard Howell, negro who was with Mr. Deane, was severely lacerated on one hand. One finger was almost severed. Mr. Deane escaped injury.

A Greenboro man was injured in an arm was reported as broken when his Lasalle roadster was wrecked on highway number 10 west of the city last Sunday afternoon. He was carried to the Goldsboro hospital for treatment. A woman in the car was described as having sustained injuries. 2 floors did not obtain the names of the parties and at the hospital it was said that the name of the injured one could not be divulged.

Mrs. Albert Cox was cut about the head when George Faison, negro, drove his Chevrolet head on into that of Ira Cox of Grantham store about 10 o'clock Saturday night. In the car with Mr. and Mrs. Cox were Albert Cox. There were several other negroes with Faison.

Faison, it was said, failed to follow the highway and struck the Cox car as it was standing in front of the store, a brother of Ira Cox having come into the store to make a purchase. Both automobiles were badly torn up about the front.

Dr. L. A. Warrick was called to render first aid to Mrs. Cox. Several stitches were required to sew up the wounds in Mrs. Cox's head.

Two auto accidents had happened Saturday; one at Chestnut and Mulberry street and a Pittman Grocery truck struck a Chevrolet and the other when an automobile in which Mrs. Shackelford and children were riding on highway number 10, east of the city.
