GOLDSBORO, N. C. THURSDAY MORNING, SEPTEMBER 13, 1928

PRICE FIVE CENTS

SALES ON LOCAL MARKET NEAR MILLION TOTAL

Average of \$12.84 Set Yesterday in Face Much Very Low Quality Weed

Through Wednesday 875,440 Pounds Had Been Sold On Goldsboro Market

RAIN AGAIN THREATENS TO SLOW UP OFFERINGS

Eliminating Scrap, Averages Would Pass \$16 Per Hundred Here

Sales on the Goldsboro tobacco market will all likelihood reach and pass the million pound mark here today. Official statistics of sales supplied The News by Mr. Fuller last night showed sales through yesterday reaching the total of 875,440 pounds.

During the last two days on the market, figures supplied The News showed, the average has increased perceptibly and Tuesdays and Wednesdays sales were much more satisfactory to the growers than any previously made. The official average on the market for Tuesday was \$12.46 and the official average for yesterday was \$12.48.

These averages—comparing favorably with those on any market—are considered good when it is noted that included in the two days sales was about 70,000 pounds of very low grade stuff—out of 284,000 total—which brought \$2 and \$3. Deducting this scrap the primings, the average would pass the \$16 mark, warehousemen said.

Tuesday's sales amounted to 160,158 pounds which brought \$19,970.79 of official figures given The News showed. Yesterday's sales amount to 104,844 which brought \$13,141.30.

While congested conditions continue on most of the larger markets, the three Goldsboro houses have been filled up daily to such a point that sales can conveniently be cleared for the end of the day. Warehousemen said yesterday that everything indicated now that the sales on the market would pass the total set up last year.

Yesterday's sales would have been nearer 225,000 than 104,000 had not frequent downpours throughout the day held back considerable tobacco. The renewed damp spell will quite likely hold up considerably the flow to the warehouses today, and if the tobacco becomes damp, may reflect itself in lower averages.

A total of \$101,567.25 has been paid to growers who have sold their tobacco on the Goldsboro market.

CLEM WRENN FOUND GUILTY

Sentences on North Wilkesboro Men To Be Passed This Morning

NORTH WILKESBORO, Sept. 12.—(AP)—A verdict of guilty was returned against Clem Wrenn, former president of the now defunct Bank of Wilkes; W. Foster, former road superintendent of Wilkes county, and C. C. Faw, chairman of the county board of education, all charged with conspiracy to defraud, was returned by a Superior court jury at 9 o'clock tonight. The case grew out of the issuing of alleged spurious notes for \$150,000. The trial has consumed a week. Judge M. V. Barnhill, of Rocky Mount, presiding will pronounce sentence tomorrow morning.

SMITHY 53 YEARS

CHEROKEE, Iowa, Sept. 11.—(AP)—Restoring horse power has been Ed J. Elfrink's job for 53 years. In that time he has fastened 562,000 shoes to 138,340 horses. His blacksmith shop still averages 10 horses a day.

SUIT AGAINST RADIO GROUP

CHICAGO, Sept. 12.—(AP)—Suit was filed today in United States District court seeking to restrain the Federal Radio Commission from enforcing its order of September 1, ruling more than three score stations off the air. The suit was filed on behalf of Station WCRW of Chicago, operated by Clinton R. White, who said other stations were expected to join in the action.

FIX HOUR FOR BAILEY SPEECH

Raleigh Attorney Opens Wayne Democratic Campaign Wednesday, September 19

Five days from today the Democratic campaign will be officially launched in Wayne county with an address by J. W. Bailey of Raleigh. Mr. Bailey is the first of a number of big guns of the party in the State who will speak here before the November election. O. Max Gardner, of Shelby, candidate for governor, and Josephus Daniels, editor of the Raleigh News and Observer and ex-secretary of the Navy, are expected to appear here before the election.

The hour for the Bailey address has been fixed at 8 o'clock in the evening, Wednesday, Sept. 19. The place is the Wayne county courthouse. Precinct chairmen over the county were yesterday urged by County Chairman W. A. Dees to broadcast the news of the Bailey speech. "We ought to have 1,000 loyal Democrats out to hear Mr. Bailey," said the chairman.

The Raleigh attorney has long been recognized as among the foremost political leaders of the State. Mr. Bailey was graduated from Wake Forest College and while a very young man edited the Biblical Recorder. He gave up the editorial chair for public life and there is no more effective or unkindly speaker in North Carolina than Mr. Bailey.

Wayne Democratic headquarters have been opened at 115 Professional building by Mr. Dees and are being frequented by an increasing number of Democrats daily. Miss Pierce is in charge of the office and she has to distribute large pictures of O. Max Gardner and of Governor Smith, and several publications of the Democratic party.

YOUNG INGRAM DIES IN CITY

Native of Grantham Township Had Been Working in Lexington

Gordon McCrary Ingram, 22 years old, died at 10 o'clock yesterday in a local hospital following an illness of two weeks with Bright's Disease. Mr. Ingram was taken ill while working with a Lexington printing company as linotype man and came home where he entered the hospital.

Funeral service will be held from the home of Mrs. C. A. Jackson in Grantham township at 3 o'clock this afternoon. Rev. Howard Pipkin of the Baptist church will be in charge of the rites. Burial will be made in Eureka church yard. Surviving young Ingram are his mother, R. C. and C. J. Ingram, one sister Arabelle Ingram; and two half brothers, Nelson and Melvin Jackson all of Grantham township.

Interesting Exhibits For Forestry Convention Here

"We expect the exhibits to be one of the meeting most attractive, worth while features of our convention," speaking of the convention here on September 19-21, says R. W. Graeber, Secretary of the N. C. Forestry Association. "We have arranged for exhibits to be placed by the Department of Conservation and Development, by the Committee on Wood Utilization of the U. S. Department of Commerce, by the American Forestry Association and the N. C. Agricultural Extension service. "The Department of conservation and development will put on an elaborate exhibit showing the effect of forest fires, not only the destruction of trees, but this exhibit will also show the disastrous effect upon the game our state. This exhibit will

The Perfect Bride

Rose Perfect, Broadway musical comedy star, who is to marry Edmond A. Rieder, manager of big New York hotel, in the near future. She has a son, 12, by a previous marriage.

LAWRENCE CASE BEFORE COURT

Attorneys for Durham Man Claim Evidence of Guilt Insufficient for Verdict

RALEIGH, Sept. 12.—(AP)—J. Elmer Long and Jones Fuller, attorneys for W. H. Lawrence, Durham contractor convicted of the slaying of Mrs. Annie Terry, middle aged dress maker and sentenced to 30 years in state prison, today asked the supreme court to free their client, arguing that he had been convicted on such "flimsy" circumstantial evidence that Judge H. A. Nunn, presiding in Chatham Superior Court had erred in not granting their motion for non-suit.

Fuller cited as a precedent the Montague case of Asheville where the victim was found in a lot adjoining her home with her throat slashed and dead. A practical nurse in her home was convicted of slaying on circumstantial evidence by the lower court, but when the case was reviewed by the Supreme Court the conviction was stricken out and the defendant released.

Arguments for the state were presented by Frank Nash, assistant attorney general. He reviewed the evidence upon which Lawrence was convicted, maintaining it was sufficient to warrant the second degree verdict brought in.

LARRY NEWSOME TO DIE SEPTEMBER 28

5 DIE AS TANKER EXPLODES

Change Voting Place To G. Coker's Store

The Saulston voting precinct was yesterday changed from Hood Swamp to George Coker's store and it is from the latter place that the registration books for the precinct will be opened. Action making this change was adopted by the Wayne County Board of elections in session here yesterday. Changing of this voting place featured a session in which final preparations for holding the general election in November were made. Notices of the change of voting place in Saulston, as adopted by the board, were carried yesterday into the section and posted. The old Hood Swamp voting booth has been the scene of many a hotly contested and interesting campaign.

IS GRANTED INJUNCTION

Argument Before Judge Daniels September 24 as to Making It Permanent

Annie S. Wooten of Mt. Olive has been granted a temporary injunction against the Gulf Refining Company restraining the company from placing gasoline tanks under a street and abutting property of the plaintiff. The injunction was granted by Judge Henry A. Grady at a chambers hearing in Kenansville and will be argued before Judge F. A. Daniels in Smithfield on September 24 to determine if the order shall be made permanent.

Robert P. Holmes has leased a certain tract of land from the First National Bank of Mt. Olive on W. Center street, for a filling station. He has been granted a permit to install gasoline tanks on Center street and adjoining property of the plaintiff, explains the papers filed in the office of Clerk of Court J. B. Hooks. These papers deny that the town of Mt. Olive has the authority to grant a permit to place the tanks where they are being placed.

HARDMAN AHEAD OUT IN GEORGIA

Ex-Congressman Upshaw—Anti-Smithite—Leads Present Incumbent

ATLANTA, Sept. 12.—Governor L. G. Hardman took the lead for the nomination for Governor on the face of early returns from today's democratic primary election in Georgia. Complete returns from 18 of the 61 counties of the state for governor gave Hardman 1,733; E. D. Rivers 1,401.

In Georgia the nomination is based on a majority of the unit votes, each county having twice as many unit votes as it has representatives in the state house of representatives. These returns if maintained, will maintain that Hardman had 36 unit votes to 16 for Rivers. There are 114 unit votes in the State.

At the same hour the first 6 precincts in the 5th district gave for Congress gave W. D. Upshaw, 235; L. H. Steele 172; Upshaw, former congressman has waged a vigorous campaign against Governor Al Smith, the Democratic nominee, while Steele, incumbent has supported Smith.

"BULL" MARKET ON RAMPAGE NEW YORK, Sept. 12.—(AP)—The "bull" market on the New York stock exchange got away to a flying start today when more than a score issues were rushed up to record high levels in the first half hour of trading. The early gains ranged from \$1 to nearly \$7 a share with blocks of 3000 and 15,000 shares changing hands at frequent intervals.

SEA ACCIDENT OFF SOUTHPORT

Twenty-Seven Rescued by Spanish Ship After Taking To Boats

SOUTHPORT, Sept. 12.—(AP)—Five seamen were killed and four others injured when the tank-steamers Shreveport, bound from Philadelphia to Gulf ports, exploded at sea off Fryling Pan shoals near here this morning. Twenty nine survivors were rescued by the Spanish steamship Aldecoa and brought to the quarantine station here.

Among the injured was Capt. S. A. Simmons of Baltimore, master of the vessel.

The ship was demolished by the explosion but at latest reports tonight had not sunk. The coast guard cutter Modoc had been ordered to stand by.

According to word from the survivors, the first explosion came with terrifying suddenness tore away the bridge deck and midships housing and rendered the wireless useless. The ship was immediately in flames, they said and before the crew could take to the boats three more explosion occurred. Captain Simmons said he had no time to send over a wireless call for help and that the Aldecoa was attracted by the smoke arising from the burning tanker. The crew had all taken to small boats when the rescue ship arrived.

The Shreveport was a 4,000 ton vessel operated by the cities Service Transportation Co., of New York, she was travelling in ballast from Philadelphia where she had just finished discharging and expected to pick up another cargo of oil in Gulf ports.

TREES, LIKE PEOPLE, RESENT DISTURBING

WASHINGTON.—(AP)—Trees, like people lost adaptability with advancing age, and a comparatively minor change in their environment may be fatal.

Entomologists of the department of agriculture say that transplanting almost always is a severe test for trees of considerable size, and many transplanted trees are attacked by insects. If most of the large trees in a grove are killed leaving only a border of trees or small groups, the survivors often suffer serious damage and die.

POSTMASTERS TO MEET IN ASHEVILLE

ASHEVILLE, Sept. 12.—(AP)—Senor Cosme Hinojosa, Postmaster General of Mexico, and Rodolfo B. Soto, superintendent of mails in Mexico, will come to Asheville next week to meet Harry S. New, Postmaster General, when about 500 postmasters of the nation gather for their annual convention, plans for which were completed today. D. W. Hill, Postmaster here, announced.

Blames Hoover For Failure Of Agriculture Aid Bill

CHARLOTTE, Sept. 12.—(AP)—Herbert Hoover was accused tonight by Senator Robinson of being the "principal cause of the failure" of farm legislation during the Harding and Coolidge administration.

Breaking a silence he has maintained on the farm relief issue since formally accepting the Democratic vice presidential nomination, the Senator in his second speech in North Carolina attacked the records of both the Republican presidential nominee and of Republicanism in general and declared that "either he nor his party is entitled to further opportunity."

Mr. Robinson declared that no more outstanding instance could be found of the "inefficiency and failure of the Republican party in its conduct of national affairs during the last eight

SIX PLANES YET IN BIG FLIGHT

Thrills Aplenty Provided As 9 Ships Take Off For Transcontinental Hop

ROOSEVELT FIELD, N. Y., Sept. 12.—(AP)—Nine planes took to the air today in a mighty non stop marathon more past two ships had been forced down and another had given up the attempt and returned to the starting point.

Of the six planes remaining in the race, four can share in the \$23,500 prize money.

The six are the Yankee Doodle of Art Goebel; a Lockheed-Vega owned by William Dhwel, famous war flier Charles A. Levine's trans Atlantic Columbia; a seagull plane piloted by N. B. Manner of Spokane; and two Bellanca's piloted by George Halderman, Ruth Elder's ocean pilot; and Emil Burgin.

The take offs occupied the whole day and gave several thrills to a crowd estimated at about 10,000.

The first thrill of the day came when Manner the second to take off was unable to get into the air on his first try. He cut his switch and came to a safe stop just short of that steep declivity at the bottom of which Rene Fonck's plane burned on a trans Atlantic take off two years ago.

The next excitement came when five other planes had followed Manner into the air and Levine's Columbia roared down the runway. A photographer ran across in front of the speeding plane to avoid striking him. Pilot Jack Iseman steered the ship sharply. The right wheel collapsed, the plane made a ground loop and seemed about to turn over. It righted itself, however, and after last repairs got safely into the air.

COLUMBUS, O.—(AP)—A large unidentified plane passed over the Columbus airport shortly after 8 o'clock officials reported. Because of the darkness, the plane could not be recognized. Airport officials believed the plane to be one of the non stop entrants in the trans continental air race from New York to Los Angeles.

ACQUIRE STOCK CONTROL

NEW YORK, Sept. 12.—(AP)—Warner Brothers pictures has acquired control of the Stanley company of America through stock purchased. It was announced today. An offering to the minority stockholders will be made on the same basis for which control was acquired. Details for which control was acquired.

WONT FLEDGE SELF

WASHINGTON, Sept. 12.—(AP)—Herbert Hoover today frankly told a delegation from the woman's party that he would not pledge himself to an equal right amendment to the constitution until he had completed an exhaustive study of the effect of such a change in the Fundamental law.

Supreme Court Denies Appeal

Newsome Twice Convicted of Murdering Young Wayne County Girl

RALEIGH, Sept. 12.—(AP)—The Supreme court today dismissed the appeal of Larry Newsome, Wayne county negro who was twice convicted of first degree murder in connection with the slaying of Beulah Tedder, 12 year old Wayne county farm girl.

Under the law Newsome will be electrocuted Friday, Sept. 28.

Newsome's appeal was never perfected, but Chief Justice Stacy, in a brief opinion dismissing the appeal said: "no error appears on the face of the record."

The negro was first tried in Wayne county superior court before Judge Henry A. Grady, who was convicted of first degree murder and sentenced to die. The Supreme court granted him a new trial, saying Judge Grady had erred in charging that a second degree murder could not be returned. Tried again in Chatham county, before Judge W. A. Nunn he was again sentenced to die, but his counsel brought him a brief respite by appealing to the Supreme court. The court handed down 17 other opinions. With one exception they were civil suits, most of them involving land disputes and of minor importance except to the parties involved.

JEWISH NEW YR. TO BE OBSERVED

Rabbi Freund Will Be In Charge of Services At Ohel Shalom Temple

The Jewish New Year's Day, or Rosh Hashanah, as it is called in Hebrew will be observed by the Jewish people with sundown Friday, September 15th, and the following day, Saturday. This Festival inaugurates in the Jewish calendar the first day of the year 5689, traditionally accepted date since creation. At Ohel Shalom Temple, under the leadership of Rabbi Iser L. Freund, services will be held Friday night at 8 o'clock and Saturday morning at 10 o'clock. This being a very solemn day in the Jewish calendar, the services include solemn prayers, both traditional and modern. Particularly beautiful and inspiring is the music during the services, which incorporate many traditional melodies and chants, and which will be rendered by the Temple choir, assisted by Miss Mary Evans and Mrs. George Hynum of the Organ. The New Year's message will be delivered by Rabbi Freund on Saturday morning. Strangers are cordially welcomed to all services.

The observance of this day as a holy season is commended in two passages in the Bible, namely Leviticus XXIII, 24, 25 and Numbers XXIX, 1. But it is tradition that has developed the real significance of the day. It has become not only an anniversary of the creation of the world—the change of the year, but what is more important—a day of self inspection—a season for the change of life. In this way it differs from the civil New Year. It is not a day for jollification but a solemn day of self examination repentance and holy resolve. It is the preparatory solemn day for the Day of Atonement which follows ten days later. Tradition has called this day, Yom Hadin—the Day of Judgment—the day where on one weighs himself in the scale of justice, and perforce finds himself wanted, for "there is no righteous man upon earth that doth good always and sinneth not." Thus this day in the passing of centuries has come to embody the great religious ideas of divine justice and human responsibility. Other festivals observed by the Jewish people during this month and October are the Day of Atonement, and the Festival of Sukkoth or Tabernacles. At Ohel Shalom services will be held during these festivals on the following days:

New Years Eve—Friday, Sept. 14, 6 p. m.
New Year's morning—Saturday, Sept. 15th, 10 a. m.
(Continued on page 7)
