## THE ENCHANTED GARDEN

By Kalfus Kurtz Gusting  
Over the seas from Italy,  
They brought the fountain tall,  
The carved seats, and the vases seal  
ed.  
That stood on an old-world wall.  
And here in a Southern garden fair,  
These aliens wait with a mystic  
air.  
More than our wondering eyes can  
see  
Is hidden in carvings fine,  
The dreams they weave with enchant  
ment here  
Are neither your nor mine,  
A glimpse we catch, for a breathless  
space.  
Of a rare and ancient, alien grace.

## Sore throats need this Double-Treatment

RUBBED on  
throat, Vicks  
relieves in two direct ways:

(1) Its vapors, released by  
the body heat, are inhaled  
direct to the air passages;

(2) At the same time Vicks  
"draws out" the soreness  
like an old-fashioned poultice.
