REPUBLICANS TO CONTEST ELECTION OF CANNADY

Formal Announcement Made by Dr. Ivey As Senate Convened Wed.

Charge Election Irregularities In Wayne and Johnston Counties

SANDY GRAHAM IS MADE SPEAKER OF THE HOUSE

Senate Passes Bill Raising Salary of Attorney General To \$7,500

Formal announcement by Dr. H. B. Ivey, of Goldsboro, Republican, that his party contested the seating of C. C. Cannady of Benson, Democrat, as one of the senators from the eighth district, comprised of Wayne and Johnston counties, produced the only ripple on a placid legislative sea as the general assembly convened in Raleigh yesterday.

Acting upon instructions from his party leaders, Dr. Ivey made the formal announcement in the opening sessions of the senate. The Goldsboro physician announced that the contest would be based upon a charge of election irregularities in both Wayne and Johnston.

Cannady had been duly certified as elected in the district, official returns of the two counties showing his majority over M. G. Lee of Smithfield, Republican, to be a majority of sixteen votes.

The charge brought by Dr. Ivey was referred to the committee on elections. This committee will not be named until R. T. Fountain of Rocky Mount, is seated as lieutenant governor on Friday, and it is probable that it will be several days before a hearing of the charge can be made.

RALEIGH, Jan. 9.—(AP)—Electing the Democratic slate of officials and officers, the North Carolina general assembly met at noon today and partly completed organization of both houses in preparation for the biennial session. Appointment of important committees in both the senate and house remained for the attention of the presiding officers before the legislative machinery will be ready to move at high speed.

Representative A. H. Graham of Orange, unanimous choice of the Democratic caucus, was elected speaker over Lewis Hamlin of Transylvania, the Republican nominee, by a straight party vote of 83 to 31. Hamlin was designated by his party caucus as minority leader.

In the Senate, T. J. Johnson, of Robeson, the Democratic nominee, was elected president pro tem over Guy Weaver of Buncombe, 35 to 19. Weaver has been named Republican floor leader in the Senate. All other Democratic nominees were elected without opposition.

Speaker Graham named the members on his committee on rules and Lieutenant-Governor Elmer Long also appointed the Senate rules committee. Other house committees will be announced by the speaker tomorrow or next day while the remainder of the Senate committees will not be appointed until R. T. Fountain qualifies as Lieutenant-Governor Friday and thereby becomes presiding officer of the Senate.

Aside from the usual routine of convening the day produced a contest in the Senate. Senator Ivey, Republican, of Wayne, served notice that the election of Cannady, Democrat, of Johnston, would be challenged on the ground of irregularities. Cannady, who like Ivey, represents the 8th district, was declared elected over his Republican opponent M. G. Lee by a majority of 16 votes.

The Senate passed a bill to make the office of attorney general a full time position with a salary of \$7,500 a year instead of \$4,000 while the house approved a measure to appropriate \$2,200 for expenses to the inauguration ceremonies Friday.

Ford Tells How It Is All Going To Be

NEW YORK, Jan. 9.—(AP)—A world in which no one smokes or discusses prohibition, where farmers no longer farm and housekeepers no longer cook and where machines take care of the drudgery is outlined by Henry Ford in his book "My Philosophy of Industry" just published.

"The great problem in the home today," the Detroit capitalist points out, "is too much drudgery. We shall soon find a way to do much of the cooking outside and deliver it in a hot and appetizing condition at meal time at no greater cost."

H. B. WATKINS DIES SUDDENLY

Funeral Services From Home In Revelo Park At 1:30 This Afternoon

Funeral services for H. B. Watkins, 60, who died at his home in Revelo Park here Wednesday evening at 6:50 o'clock after an illness of only five hours, will be held from the residence this afternoon at 1:30 o'clock. Interment will be made in the family burying ground near Princeton.

Mr. Watkins was plowing in the field near his home yesterday afternoon about 2 o'clock when he was suddenly stricken with apoplexy. He was taken to his house, and a physician was summoned, but he expired about five hours later.

The deceased survived by his wife, Mrs. Ida Watkins, and the following children: J. F. Watkins of Richmond, Va.; Mrs. Kate Howell, Goldsboro, Route 3; Mrs. Myrtle Strickland, Goldsboro, Route 3, and Misses Louise and Beulah, and Clarence and W. F. Watkins, all of Goldsboro.

BOOTH NAMES ARMY COUNCIL

Sidesteps Effort By Reformers To Depose Him As Head of Organization

LONDON, Jan. 10.—(Thursday) The Daily Mail says it understands that General Bramwell Booth has placed the administration of the Salvation Army in the hands of a council.

The newspaper says the commander forestalled a plan to depose him by his surprise announcement that chief of staff E. J. Higgins would be president of the council, with the general's sister, Commander Evelyn Booth and his daughter, Commissioner Katherine Booth, and two other prominent commissioners as members.

Local Shriners Attending Winter Meet in New Bern

A number of Goldsboro Shriners and their ladies were in attendance at the opening ball of the winter meeting of Sudan temple in New Bern last evening and others will go this morning to the Craven capital to attend the ceremonial.

F. B. Crowson, as a past potentate of the temple, will occupy a place of distinction in the meeting while G. R. Holt is assistant director of the drum corps, C. E. Wethington, captain of the guard, and N. G. Gwatney and Sam Carter members of the wrecking crew.

New Bern shriners, playing host to the temple, have paid attention this year to plans for the parade, to begin at noon from the Masonic temple of the Craven city and to pass through the main business streets. This will be an outstanding feature

Los Angeles To Moor To Mast Ship, Patoka

ATLANTA, Jan. 9.—(AP)—Gliding southward on a 2,000 mile training cruise to Florida, the navy dirigible Los Angeles maintained its schedule today down the Atlantic coast line. Instead of proceeding direct to Miami as originally planned, however, her commander Lt. Commander Rosendahl, advised the navy department during the day that the great craft probably would go first to St. Joseph Bay, Florida, and moor for the night there to the tender Patoka.

IS BLIND AFTER DRINKING PARTY

Stricken Young Woman Revealed As Agent For Customs Department

LOS ANGELES, Jan. 9.—(AP)—Thelma Sanford, who became blind following an alleged drinking party Sunday, was revealed by police today as Thelma McDaniels, who with her sister, Marguerite, added United States customs agents in Arizona and New Mexico where they investigated alleged liquor traffic.

The revelation of the true identity of the pretty 19-year old woman, came when detectives of the homicide squad visited Juanita McDaniels, sister of Selma, whose presence here was unknown to police. She admitted her identity and said she was working under J. B. Moran, chief of customs at El Paso, Texas, and that her sister had accompanied her here.

Thelma Sanford was removed to a private hospital today where surgeons are attempting to restore her eyesight.

The McDaniels girls were instrumental in breaking up an alleged smuggling ring which was operating across the Mexican boundary by plane. Detectives have redoubled their search for the three men who Thelma Sanford says gave her the liquor that blinded her.

NEW MOVE TO INCREASE DRY LAW FUND

WASHINGTON, Jan. 9.—(AP)—A new move to increase funds for prohibition enforcement was initiated today when Senator Harris, Democrat, Georgia, introduced an amendment to the deficiency bill which would make an additional \$50,000,000 immediately available.

UNIVERSITY TO HONOR B N DUKE

Body of Tobacco Magnate To Reach Durham From New York This Morning

DURHAM, Jan. 9.—(AP)—The body of Benjamin N. Duke, aboard a special train bearing the funeral party from New York, is speeding southward toward the scenes of his earlier years and where he began a life which was to prove so successful and beneficent through his large philanthropies to a score of schools and universities, churches, orphanages and hospitals.

Arriving in Durham at 8:30 tomorrow morning, Mr. Duke's body will be taken immediately to Duke University where it will lie in state from 9 o'clock until 10:30 o'clock in the lobby of East Duke Building, surrounded by a guard of honor made up of students representing the various undergraduate classes.

Funeral services will be held in Duke Memorial Methodist church at 11:30 in the morning with Dr. Franklin S. Hickman of the Duke school of religion officiating, assisted by Dr. M. Bradshaw of Raleigh and Dr. W. A. Scamery of Durham.

Members of the board of trustees of Duke University will serve as honorary pallbearers. Mr. Duke for many years was an active and loyal member of the Duke board. Close friends and associates from New York and Durham will serve as ushers in the church. After the services students of Duke University will line West Chapel Hill street on each side for several blocks through which the funeral procession will pass.

Interment will be in the Duke family mausoleum in Maplewood cemetery, where rest the remains of his father Washington Duke, his brother James B. Duke; two sons, Angier B. Duke, Washington Duke and other close relatives.

WITCH KILLER FOUND GUILTY

Jury Finds That "Pow Wow Doctor" Should Serve 25 Years In Prison

YORK, Pa., Jan. 9.—(AP)—John H. Blymer "pow wow doctor" was convicted by a jury tonight of first degree murder. The jury recommended life imprisonment. He was found guilty of killing Nelson Rehymer in Nov. 1928.

Robert B. Cohen, defense counsel, immediately asked permission of the court to file an appeal for a new trial. His request was granted. Sentence will not be pronounced until disposition of the appeal.

Under Pennsylvania law the jury is required in returning a first degree verdict to specify the penalty which is either death or life imprisonment. The verdict was said to have been reached as a compromise on the third poll.

By its verdict the jury decided Blymer was sane and unless an appeal is taken he will be sent to the Eastern penitentiary at Philadelphia.

County Could Save Money By Building a Sanatorium

Wayne county could finance a 20-bed tuberculosis hospital for the money now being expended by the various state and private sanatoria. It is asserted on reliable authority within some six years the building would be paid for.

At the present time it is costing the county \$210 per month to maintain seven indigents of the county in sanatoria. This is about the average sum which has been expended by the county over a long period now in securing proper isolation, care and treatment for indigents ill with the disease.

For \$15,000 or \$20,000 a county hospital could be erected sufficient to meet the most pressing needs of the time, it was asserted. Such a project could be financed through the building and loan association plan, at a

TRY ROBBERY, THEY'RE DEAD

Miniature Battle Rages When Robbers Attempt Sensational Hold-Up

SEATTLE, Wash., Jan. 9.—(AP)—Two robbers were shot and killed in an effort to hold up the Bartow Company here today. Thomas Bartow, president of the concern, was critically wounded. One of the robbers was identified by police as Robert Burn, 21.

Menacing the customers and Bartow with their pistols, the man commanded "stick 'em up." One of the robbers then dropped over the railing into the cashier's cage, slugging James Dodson, a clerk, over the head as he did so.

Nearly unconscious from the blow, Dodson finally managed to get a pistol from the cashier's drawer and fired at his attacker who was struggling with Bartow for possession of his gun. The bullet struck the robber, fatally wounding him and passing through his body injured Bartow.

Feeling the robber slump, Bartow snatched the pistol from his hand and shot the other man who was trying to hide behind the counter.

When the robbers first entered two women customers slipped out and summoned aid. Rushing into the building Patrolman H. G. Peterson opened fire. The entrance of Peterson distracted the attention of the robbers and enabled Dodson to obtain the gun from the drawer.

PLAN FLIGHT ROUND WORLD

"Paris to Paris" Would Be June Objective of Fokker Airplane

PARIS, Jan. 9.—(AP)—A non-stop round the world flight with refueling of the plane in the air is the latest project of the Fokker aviation firm. The concern has been spurred to the idea by the successful sustained flight of 150 hours made by the U. S. Army plane Question Mark.

Details have not been worked out but the principle practically was adopted today when the chief of the firm visited the head of his Paris bureau. The project calls for posting tank planes at various cities around the globe, these machines to meet the round-the-world plane in mid-air and accompany it for refueling.

"Paris to Paris" would be the objective of the trip.

Next June has been suggested as the time for the attempt as the weather conditions might be best then.

Now Believe That Special Session of Congress Will Be Called By Hoover

COOLIDGE AND HOOVER HOLD SECRET MEETINGS

President-Elect To Leave Washington Next Week For Florida Vacation

WASHINGTON, Jan. 9.—(AP)—With definite word coming today from both the White House and Hoover headquarters that neither the president nor the president-elect would make any move regarding farm relief legislation during this meeting of Congress, an extra session of the new congress was regarded as inevitable.

Information given to Republican congressional leaders was the President, Coolidge, would not take any action that might be construed as bearing upon events in the Hoover administration. Previously they had been told frankly by Mr. Hoover that he would in no way interfere with legislation pending during the Coolidge regime.

The chief executive and Mr. Hoover conferred today at which it was assumed the legislative situation was discussed though no statement was forthcoming from either. It was stated at the Hoover headquarters that the secret visits of the next president to the executive offices indicated the close cooperation between Mr. Hoover and Mr. Coolidge.

Besides calling on the president, the president-elect had Secretary Kellogg at his headquarters for a luncheon conference and received more plans for an extra session in the early spring.

Mr. Hoover has given no indication when he will call the new congress to Washington and it is not likely he will do so before leaving early next week for Florida to remain away from the capital, probably until March 3, the day before his inauguration.

WASHINGTON, Jan. 9.—(AP)—Additional pressure for an extra session of the seventy-first congress to enact farm relief and tariff revision legislation faced President-elect Hoover as he set out today upon his third round of conferences with Republican party leaders on capitol hill.

Senator Brookhart of Iowa, who had first place on an engagement list of sufficient length to keep Mr. Hoover busy from 9:30 a. m. until early evening, was armed with arguments to buttress the views already presented by Senator Borah of Idaho and some prominent House members in favor of convening of the new congress in early spring.

In addition a committee of four had been selected by thirty of the thirty-two members of the Pennsylvania delegation in the House to present a formal resolution during a special session. The resolution, adopted late yesterday proposed no specific time for the summoning of the new congress to Washington, merely setting forth that the call be issued as soon as practicable.

Pennsylvania was one of the first of the state sending un instructed delegations to the Kansas City Convention to declare for the nomination of Mr. Hoover. Consequently it is to be expected that the action of its congressional delegation will carry considerable weight with the President-elect.

Mr. Hoover also will give careful consideration to the recommendation of Senators Brookhart and Borah who not only stood in the front ranks of his campaign staff group but also have given their endorsement to the fundamentals of the agricultural program which he outlined and presented his cause to the voters of the country.

The major features of this program are the creation of a federal farm board of representative farmers to be clothed with authority and supplied with resources to build up farmer-owned and farmer-controlled corporations to take care of crop surpluses and such increase in tariff duties as will give agriculture the same measure of protection as other industries.
