PRICE FIVE CENTS

SENATE PASSES HANCOCK BILL ON SECOND READING

Amendments Are Adopted

Equalization Fund Set At \$5,250,000 And 8 Months Fund At \$1,250,000

MARRIAGE BANS BILL IS NOW NEAR A LAW

Would Require Couples To Make Notice Five Days Before Marriage

RALEIGH, Mar. 11.—(AP)—The House Hancock education bill was passed tonight by the senate on second reading 32 to 1 after a number of amendments had been adopted.

One amendment adopted set the equalizing fund at \$5,250,000 and the special 8 months term fund at \$1,250,000, the figures agreed upon by the senate education committee after a hearing this afternoon.

Senator Hobbs, democrat, of Sampson, offered an amendment to make the fund \$7,500,000 a year, the amount approved by the house, but it was rejected.

Before tonight's session the amendment to the marriage ban bill which the house failed to accept was withdrawn by the senate and the measure passed at third reading.

A motion to reconsider the vote will be made tomorrow by Senator Ward of Craven, he said today. If his motion fails, the bill requiring five days notice before marriage will become a law.

The amendment which would provide that the register of deeds notify by mail the parents of the couple was killed on motion of Senator McMillan of Beaufort, its introducer.

An unusual situation was created before an amendment of Johnson of Henderson, which would have the measure apply only to persons under 21 years of age was voted down 21 to 39.

In the absence of Lieutenant Governor Fountain, Senator Clark of Mecklenburg was presiding and voted against the bill during the roll call. The vote was 19 to 19, the presiding officer was barred from an additional vote and the senate was in a quandary until another vote was taken. Senator Rutherford changed his vote from aye to no which proved the deciding margin as Brawley of Durham came in for the final vote to vote for the amendment and Galloway of Transylvania against it, making the vote 21 to 20.

Publication in newspapers of engagements is equivalent to five days notice with the register of deeds the measure provides.

RALEIGH, Mar. 11.—(AP)—The house tonight received from its committee on finance the revenue bill for the next biennium and will go into the committee as a whole tomorrow afternoon to consider it.

Representative Mull, democrat of Cleveland, chairman of the committee, said the bill was designed to raise one million dollars more in revenues than would be raised by the budget commission bill.

The million dollar increase over the budget bill would be raised largely through increased rates on railroads and power companies. The rate for the railroad franchise tax would be fixed at 2-5 of one per cent in lieu of 1-5 of one per cent of gross revenue as at present. The change is estimated to bring in \$500,000 of extra revenue.

The power company franchise tax would be increased from 3 per cent to 2 per cent of the gross revenue, raising the estimated revenue from this source to \$520,000 instead of the \$240,000 estimated by the budget bill. Increases on telegraph and express companies and on stock and bond brokers were estimated by the committee to bring the total increase to \$1,000,000.

The revenue bill was reported near the end of a house session marked by the slaughter of public bills. Half a dozen such measures went on the table.

The senate bill to submit the electorate constitutional amendment to increase the number of supreme court justices from 5 to 7 was passed by a large majority.

The house also gave its approval to a senate resolution declaring the week of October 14-21, North Carolina home coming week.

Under the latter's measures provisions the Governor of New York will

Seagrave Drives His Car Over 231 Mi. Hr.

OCEAN SPEEDWAY, Fla., Mar. 11.—(AP)—In a flaming streak of super speed, Major H. O. D. Seagrave famous British race track driver, today set a new world speed record for automobiles when he sent his powerful Golden Arrow roaring over the hazy ocean speedway here at the tremendous speed of 231.346 miles an hour. When word was received that Seagrave was ready to start his trials the spectators were on their feet in an instant, tense and stretching their necks to catch the first glimpse of the car. Far down the course the roar of the giant machine could be heard and the crowd stood motionless, fearful that any minute the speeding racer might go out of control and plunge into the ocean or through the crowd that lined the way. With a mighty roar the car flashed by the stand at the start, gaining such tremendous speed that it seemed that it skimmed over the hard packed sands. Travelling at such a fast clip the machine appeared as a blur before the eyes of the spectators as it sped down the course and stopped miles away. So fast was it going that it virtually was impossible to distinguish the driver in the cockpit.

HEAVY DOCKET IN CO. COURT

Thomasville Man Appeals When Sentenced To 8 Months for Transporting

As usual, cases involving the transporting, possession or sale of whiskey again featured in county court at the regular Monday session held before Judge H. Bland. Nine cases were disposed of, and six involved some form of violation of the prohibition laws.

Albert Herring, white youth of the Indian Springs section, was found guilty of manufacturing and having whiskey in his possession for the purpose of sale. He was fined \$100 and the costs and given a six months suspended sentence. Notice of appeal was given and Herring's bond was placed at \$200. The young man, who gave his age as 18, was captured by Deputy J. S. Smith and Chief of Police C. H. Stevens of Mount Olive, as he was leaving the still site. He had picked up a sack containing a jug of liquor, it was said, and had started off with it when arrested.

Fonville Royall, Mount Olive negro, was found guilty of being cruel to animals.

Bert Williams was called and failed to appear to answer to charges of receiving and having whiskey for the purpose of sale.

L. A. Louis was sentenced to six months in jail and assigned to the roads for receiving, transporting and retailing whiskey.

Ed. Wiggs, sentenced to six months

L. M. Blue Named Chairman Of State Hospital's Board

The board of directors of the State hospital for the colored insane in regular meeting at the institution here yesterday morning named L. M. Blue of Gibson as their chairman to fill the vacancy created when Captain Nathan O'Berry was named State treasurer. At the same time the board adopted a resolution expressing their high appreciation of the work of Captain O'Berry for a number of years as their chairman.

Mr. Blue has for sometime served as chairman pro tem of the hospital board for eight years he has been out of the directorate. The board also named him yesterday to act as chairman of the important building committee. This committee will have supervision of the erection of the new dormitory and storage house expected to be provided for by appropriation from the present general assembly.

The new chairman of the hospital board has long been prominent as a servant of the State. He is now representing his district in the State senate, a position he has held for a number of terms. Governor McLean named him as one of the members of

A SCENE AT THE BATTLE OF JUAREZ

Herewith is picture of Federal Troops in Juarez, Mexico, moving up to the front with machine gun mounted on automobile. Their recent skirmish with the rebel forces ended with their evacuation of the town. Three hundred are now interned in Fort Bliss, Texas, where they will remain until the War Department decides what to do with them.

Conference Comes to An End With Election of Officers

HERB CONFERS WITH LEADERS

Maintains Shut-Mouth Attitude About Col. Mann's Kicking Over Traces

WASHINGTON, Mar. 11.—(AP)—Conferences with numerous members of congress in the course of which he received suggestions and recommendations for appointments for federal offices occupied President Hoover today.

In addition the president talked briefly with three members of his cabinet on departmental affairs, entertained Franklin W. Fort, of New Jersey, secretary of the national republican committee at lunch and late in the day received the members of the Washington Diplomatic corps in the East Room of the White House. It was made known that President Hoover would make no statement of Horace A. Mann, manager of his Southern campaign, from the political field, despite the fact Mann has twice said such a statement might be expected.

Representative Crampton, republican of Michigan discussed prohibition briefly with the president and asked that he appoint Judge George Young of the New York customs court to the United States State court of Customs Appeal, Representative Robeson, republican of Kentucky, recommended the appointment of Charles I. Dawson as solicitor general.

The election of officers, an address by Rabbi Solomon Fineberg of New York and White Plains, and a reception at Ohel-Sholem temple last evening ended the eighth annual conference of the North Carolina Association of Jewish Women. Mrs. Emil Rosenthal of Raleigh was named president; Mrs. J. W. Cone of Greensboro, Mrs. Herbert Blumenthal of Wilmington and Mrs. Otto Meyer of Enfield as vice presidents; Mrs. J. L. Emmanuel of Raleigh, corresponding secretary and Mrs. Eli Oettinger of Greensboro, treasurer. Mrs. N. A. Edwards, of Goldsboro, recording secretary.

The Religious Education of the Jewish Child" was the topic which Rabbi Fineberg discussed at the final session last evening. The dominating idea in the education of the child, declared Rabbi Fineberg, should be to give the child a "creative responsibility."

Opening at 4 o'clock Sunday afternoon with a meeting of the Board of Directors and a simultaneous men's conference in different parts of the Hotel Goldsboro, the eighth annual conference of the North Carolina Association of Jewish Women has brought together more than two hundred women for the purpose of furthering the work of that organization, of which Mrs. A. A. Joseph, of this city is president.

The men's conference, which was attended by around 40, was in charge of Mr. Sidney J. Stern, of Greensboro. Rabbi Iser L. Freund, of this city, spoke on institutional social service in the State and enlargement of Jewish cultural activities in the state. Mr. Norman Block, of Greensboro, discussed adult religious education and several informal talks were made. With Mrs. Julius W. Cone, first vice president, in the chair an open meeting was held at the Woman's club on Sunday evening at 8 o'clock. Mrs. Cone on the stage of the auditorium sat fourteen other officers and speakers. The stage was beautiful with its background of tall palms at the foot of which pine was massed, and with baskets of yellow and white spring flowers contrasting with the green. Smilax and ivy were twined among the footlights, and the whole stage presented a charming effect.

In presenting Mrs. Henry Well who was greeted with sincere applause as she rose to welcome the guests, Mrs. Cone said that she knew of no more suitable place than Goldsboro for the Association to meet since it had been formed eight years ago as the result of the thought of a Goldsboro woman—Mrs. Sol Well. In her own genuine way, Mrs. Henry Well wholeheartedly welcomed the guests to Goldsboro.

Mrs. Fred Rypins, wife of Rabbi Rypins of Roanoke, Va., formerly of Wilmington, gave the response, including tribute to Goldsboro's beloved

MANY ENROLL FOR COURSES

Training School at St. Paul Attracts 90; B. Y. P. U. Courses Are Opened

Two hundred and twenty-three people of Goldsboro and Wayne county yesterday were enrolled in religious training classes being conducted in various churches of the city. Ninety students signed for classes in the fifth annual training school at St. Paul Methodist Church, 87 for the B. Y. P. U. enlargement course at First Baptist Church, and 56 for the B. Y. P. U. enlargement course at the Second Baptist Church.

The training school at St. Paul is conducted under the direction of the Sunday School board of the North Carolina Conference and Miss Georgia Keene of Durham, Major W. A. Graham of Kinston, Dr. Charles D. Bulla of Nashville, Tenn., and Prof. B. G. Childs of Duke University are acting as instructors.

The courses at the First Baptist and Second Baptist churches are in connection with a B. Y. P. U. stimulation program on in the Kinston district this week. Miss Winnie Rickett of Raleigh, one of the instructors at the First Baptist school, conducted the devotional hour during the class intermission last evening.

Mrs. O. E. Jones and Rev. A. J. Smith are teaching the classes at the Second Baptist Church. Mr. Smith is supplying for Miss Annie Mildred Kelly, prevented from teaching a class on account of illness.

Moose from Eight Cities To Hold Meeting in City Today

Members of the Enoeca Legion number 63 of the Mooseheart Legion of the world, will stage their "frolic and ceremonial" here this afternoon and delegates will be in attendance from Wilson, Fayetteville, Sanford, Raleigh, Goldsboro, Durham, Washington and Tarboro. The local lodge, playing host for the ceremonial, expects some 125 brothers from these cities, among whom will be a large class of initiates.

The ceremonial here today is the first that has been held since the Enoeca Legion was chartered as an independent lodge. Previously Eastern North Carolina had been a part of the Legion embracing Piedmont and Western North Carolina.

Lester M. Bolch of Albany, New York, grand regent, will represent the national board of Moose government at the ceremonies here today. He will be the principal speaker at a banquet at the Odd Fellows Home at 6:30 this evening and will preside at the initiation this evening.

From 1 until 3 o'clock this afternoon, delegates will register at the Moose Hall, corner of John and Mul-

Mrs. Barbary Begins Erection Gas Station At Ash and William

Big Battle Between Two Factions Soon

(By The Associated Press) The tension that precedes decisive battles hangs over news of troop movements in the Mexican revolution. Both sides were gathering as the military machine assembled by General Calles was poised to deliver its strongest blow against gathering rebels in the North. Events Monday were marked by heavy concentration of troops on both sides, definite end of rebellion in Vera Cruz and check of the important rebel advance in Sinaloa.

General Calles was preparing to march on Torreon and Durango, both of which were occupied by rebel garrisons and had kept his troops working night and day to repair railroad lines north of federal headquarters at Canitas. The rebels were known to control territory as far south as Chihuahua City and train loads of reinforcements were frequently passing through there from Juarez, Nogales and other northern points.

Permit For Station Voided By Aldermen, But Owner Refuses Surrender It

TANK AND PUMP ARE ALREADY IN GROUND

Is Latest Development in City's Zoning Ordinance Affair of Sometime Ago

Erection of a filling station on the lot of Mrs. A. G. Barbary, widow, at the corner of Ash and William streets, was begun yesterday morning with the erection of a Good Gulf gasoline pump and oil tank on the lot.

The pump and the tank are located only a short distance from the edge of Mrs. Barbary's house in which she lives, but they are set back eight feet from the sidewalk on both sides of the corner. The placing of the gasoline pump and the oil dispenser are the initial steps in the erection of a modern filling station, Mrs. Barbary stated yesterday. The house will be moved later, she said, to make room for the erection of the filling station proper.

Mrs. Barbary had been granted a permit to erect a station on the property after the board of aldermen voted to rescind the zoning ordinance. When the aldermen found their vote was illegally given, they adopted a resolution voiding the permit. Mrs. Barbary, present at the meeting of the aldermen when the resolution rescinding the permit was adopted, said then that she would not surrender the permit. The property on which the filling station is being erected is within the zone where filling stations are not allowed.

What attitude the city will take toward the erection of the filling station will probably be determined at the meeting of the board of aldermen on next Monday meeting. The 1928 regular mid-month meeting of the board and unless a special session is called before that time, the city's intended procedure in the latest development of the matter will hardly be determined until that time.

Mrs. Barbary told The News yesterday that she would prepare a statement for the paper today.

It is understood that she has signed a long-term lease with the Gulf company.

CHARGED WITH HAVING BOOZE

Chief Dorsey and Deputy Kornegay Conduct Raid On Sunday Afternoon

Lafayette Newsome, white man living beyond the Sasser's Mill section west of Fremont, was arrested at his home Sunday afternoon about 3:40 o'clock by Deputy Sheriff John Kornegay and Chief of Police Dorsey, of Fremont, on a charge of having whiskey in his possession for the purpose of sale. Two one-half gallon fruit jars of whiskey were found in a wardrobe in the house, Kornegay stated yesterday. Newsome was released under \$200 bond for his appearance in county court next Monday morning. When the officers went to the Newsome home armed with a search warrant, the man denied having whiskey about the place. It was said, it was noticed, however, that a big wardrobe standing in one of the rooms appeared to be locked. The officers asked Newsome to unlock, but he claimed that the key had been lost. It was said. Finally the door was pried open, the whiskey located in the bottom of the big piece of furniture.

Mrs. Newell Dies At Ripe Old Age of 71

Mrs. Eliza Newell, aged 71, died at 4:30 yesterday afternoon at a local hospital following an illness of two weeks of infirmities incident to old age. Funeral will be held at 3 o'clock this afternoon from Providence church in Brogden township and will be conducted by Rev. Mr. Pittman, assisted by Rev. W. H. Brown. Five children survive: Mrs. George Howell, D. H. H. S. B., and Richard Newell, all of near Goldsboro.
