Wright Is In County Jail

Negro Boy Being Held Pending Outcome of Turnage's Injuries

Willie Wright, 15 year old Calypso negro, who seriously injured C. B. Turnage, white youth living on the O. J. Bunday farm near here, when he struck him on the head with a brick last Friday afternoon, is being held in the Wayne county jail in Goldsboro pending the outcome of Turnage's injuries. The negro was taken to the county seat by local officers Wednesday. A definite charge has not been preferred against him as yet, it was said.

Turnage was said by hospital authorities to be "doing nicely" last evening, and it was thought his chances for recovery were good. The youth sustained a fracture of the skull necessitating the performing of an operation and the removal of a piece of the skull. A silver plate was substituted in its place, according to the reports.

If Turnage lives, the charge against Wright will probably be assault with a deadly weapon, officers said, while in the event of the white youth's death the charge would probably be manslaughter.

LOCAL WOMAN BIT BY TABBY

Mrs. J. B. Flowers Sustains Painful Wound in Hand While Feeding Cats

Mrs. J. B. Flowers, local woman, who was bitten on the hand by a pet cat while she was feeding several of the felines last Monday about noon, is still undergoing treatment from a local physician but her hand is much improved, it was learned yesterday. The cat was not thought to have been mad, it was said.

Mrs. Flowers was feeding two or three of the animals which had been staying around the home for some time. She reached down to pick one of them up, and just as she touched the tabby, he squirmed around and caught her hand between his teeth. The cat would not let go, it was said, and held on until someone came to Mrs. Flowers' rescue and choked the animal. With its breath cut off, however, the cat was forced to loose its hold.

The injured member was swollen for a day or two, but under treatment, improved, and it is not thought the wound caused by the bite will prove serious.

LADIES SERVED DINNER INSTEAD OF THE MEN

The ladies of the Methodist church here were the ones who served that delicious dinner to the delegates and guests of the Conference Wednesday. It was learned yesterday. It was previously reported in The News that the men of the church would have charge of the dinner Wednesday. It has since been learned that while they furnished the essential parts of the meal, the ladies were the ones who had charge of the serving on both days. "Dish-washing and all" was included in the process, it was said.

SAYS SNOW HILL FOLKS DON'T GET MANY BERRIES

Mrs. J. H. Edwards, of Snow Hill, who is visiting relatives in the city, declared yesterday that while there seemed to be plenty of strawberries around Mount Olive, people in Snow Hill could hardly buy them to eat. Once in a while during the season one could probably buy a few, it was said, but most of the berries in

Cooks Leave Jobs For Berry Fields

A number of local women have reported that their cooks have left them in the past few days to hie away to the strawberry fields. These cooks and nurses claim, it is said that they receive more lucrative compensation as berry-pickers than they do at their other work. "They leave us now to go and pick strawberries, but as soon as the season is over they'll be back wanting their jobs again", one of the Mount Olive ladies told The News representative yesterday.

This section are shipped to northern points direct, and the growers don't bother to take them to nearby towns as long as they can sell them direct to brokers here.

Local Youths Taking Exams for Annapolis

Sam Roberts Jr., son of My and Mrs. S. J. Roberts, and Jack Darden, son of Dr. and Mrs. P. I. Darden, both of Mount Olive, have been in Goldsboro for the past two days, where they are taking civil service examinations for entrance as midshipmen to the United States Naval Academy at Annapolis. The local boys will probably be in Goldsboro today, when, it was said, they would probably complete the exams.

The growth of the association was noted, there being an increase in deliveries of more than 10,000 bales of cotton over last year, although the crop was short. Additional services of the purchase of improved seeds and high quality fertilizers, also Group Life Insurance have recently been inaugurated by the management. The first season's activities show the members have purchased through the association more than 5,000 bushels of

Improved cotton seed and several thousand tons of high grade fertilizer. "The members are 'sticking'," Mr. McKinne told the meeting, and revealed that during January and February only five members of the Association from the eight counties of the district exercised the withdrawal clause right.

Director A. T. Griffin was present and made quite an interesting and enthusiastic talk.

Vice-President N. A. Howell presided over the meeting, Secretary W. W. Andrews being present and officiating.
