PORTER RESOLUTION CREATES STIR AT CONVENTION

Kentucky Baptists Ask That Women Be Denied Right Speak in Public

Dr. Potter Claims Scriptural Authority Prevents Women Speaking in Church

DR. TRUETT REELECTED PRESIDENT CONVENTION

Resolution From Kentucky Association Is Referred to Committee

MEMPHIS, Tenn., May 9.—(AP)—The century old dispute concerning woman's right to speak in public boded up today at the opening session of the Southern Baptist Convention, displacing for the moment discussing of conflicting proposals for reorganization.

Dr. George W. Truett, of Dallas, Texas, who was re-elected president for his third time, shunted the feminine issue to the side after Dr. J. W. Porter of Lexington Ky., editor of the American Baptist, introduced a memorial from the general association of Kentucky Baptists, protesting on Scriptural grounds against the convention hearing Mrs. W. J. Cox of Memphis, president of the Woman's Missionary Union. She has been asked to speak Saturday.

"We go right against the scriptures if we allow a woman to speak before this convention," Dr. Porter said. "We break a precedent of 2,000 years. The Council was crowded with women as visitors was accredited messengers and the murmurs that met his remarks caused Dr. Porter to pause.

Dr. Truett stepped forward and with a bang of his gavel said the memorial should go to the resolutions committee. A hearty chorus of "ayes" greeted his suggestion and the discussion ended.

A statement from the convention publicity bureau said "the memorial would doubtless have been ruled out had it not gone to the resolutions committee." It cited a convention rule which specifies that "Women are members of the convention with all rights and privileges of membership" and the word "brethren" wherever it occurs in the constitution is hereby interpreted as referring to brethren and sisters.

For president of the convention Dr. Truett was nominated by Z. T. Cody, of Greenville, S. C., who described the Dallas minister as "the best beloved man in the south."

Vice presidents were chosen as follows: Dr. W. A. Hewitt, Jackson, Miss.; J. C. Hardy, Belton, Texas; M. P. Love, Hattiesburg, Miss.; and Dr. W. C. Reeves, Hot Springs, Ark.

High C. Moore of Nashville, and J. H. Burnett, of Macon, Ga., were re-elected secretaries.

BIND FORD TO HIGHER COURT

Herbert York, Local White Man, Prevented Effort to Enter His Home

Wilbur Ford, Little Washington negro, who was shot in the hip with a .22 rifle by Herbert York, local white man, as the negro was prowling under York's window Wednesday night about 12 o'clock, was bound over to Superior court under \$300 bond on charges of housebreaking and larceny at a hearing before Mayor Jack Hill in police court here yesterday morning.

According to York's testimony, he and other members of the family had heard someone attempting to break into his house on several occasions during the past few weeks. On Tuesday night some people living upstairs had heard someone trying to get in, and on coming downstairs to investigate, had found a window in the kitchen raised. That same night York and a neighbor had seen someone prowling around the house next door and had chased him away. Wednesday night York and one of his neighbors, Mr. Herzog decided to wait for the prowler, and hid in the garage. About 12 o'clock they saw a man go to one of the rear windows and start to get in, but just then Mr. Raynor, another neighbor, drove in his driveway and the negro ducked down. It was at this time that York fired the small calibre bullet inflicting a flesh wound in the prowler's hip, but not disabling him so that he did not run away.

About 1 o'clock, Ford's mother appeared at the police station and told Officer Rhodes that her son had been shot by someone, and when the officers arrived at the house the negro told them he had been shot while with some other boys, over in Webtown. He later admitted, however, that he had been around York's premises several times, had taken some clothes off Mrs. Raynor's clothes-line, and that he was in York's yard when shot.

Herbert York, local white man, prevented effort to enter his home.

This was worked and chopped alike. Then the field was divided in halves, one part being top-dressed with 100 pounds of

TWO CAPTURED IN STILL RAID

Johnston County Man and Gurney Evans Lodged in Wayne County Jail

Leater Bridgers, Johnston county white man, and Gurney Evans, who lives on John street in this city, were lodged in Wayne county jail last night charged with having operated a still near the Johnston county line in Fork township yesterday.

Information received at the office of Sheriff W. D. Grant was to the effect that the still was in operation and Deputy Sheriffs John Kornegay and Carl Smith and special deputy Emmett Parker answered the call. Figuring that if the plant operators attempted to flee they would pass a certain point, Deputy Kornegay remained with the car while Smith and Parker advanced on the plant. They returned in a trice to report that two white men had just left the still.

Smith and Parker had gone back to destroy the still when two men advanced from the woods. Deputy Kornegay told them they were wanted and placed them under arrest. The men then confessed, officers said, that they had been at the plant.

A forty gallon still was seized and about three barrels of beer destroyed.
