Keech, Holder of American Speed Record, Crushed as Machine Overturns

225,000 LOOK ON AS TRAGEDY IS ENACTED

Accident to Car of Man Who Had Driven in Goldsboro Brought Fatality

Editor's Note: The Bob Robinson referred to in the article which follows is the racer who supervised and participated in automobile races at the Wayne County Fair grounds in 1927. He is known personally to many in Goldsboro. He also supervised and participated in automobile ruces at the fairs of Concord, New Hern, Wilson and other cities in the state in 1927. Last fall he was the featured driver at the State Fair, Raleigh.

ALTOONA, Pa., June 15. (P)-Ray Keech, who flashed from comparative obscurity of a dirt track racing driver to fame as holder of the American automobile speed record, met death on the Altoona speedway at ton, is president; R. W. Callahan, is Tipton late today as he gained his last vice president; and C. W. Ivey is secracing triumph.

Driving a brilliant race as he led adelphia speed king, winner of the Ined instantly in a four cornered smashand quarter oval.

Bob Robinson of Los Angeles, the ness. escaped uninjured. Woodbury was fully conscious when taken from his wrecked car. Doctors said he had to do a large business not only in their escaped broken bones and that barring unforseen developments he in their trucking division, operating would recover.

Keech's death marred a spectacular race in which he and Woodbury, toof 25,000 spectators.

The disaster came with sickening as the speeding machines traveling at 119 miles an hour smashed up. Silence settled for a moment, then utter confusion reigned as the infield crowd rushed for the scene.

Keech had maintained a threequarter lead over Meyer for 160 miles. Bob Robinson, his red racer thundering into the east stretch, led the pack to the turn. His car struck a hole in the board and the machine out of control, shot to the top of the saucer, hit the guard rail, perched mome tarily and then slid backwards into the infield.
