HOME TALENT COMMENCEMENT

Wake Porest Will Give the Best Hom e Talent Speakers this Year.

Baleigh News and Observer. Wake Forest, N. C. THE TOWN IS ADVERTINED.

itway's) Enumigration D rissent Calls Atlention to Unitsald's Rush and Progress.

\* pariment Calls Attention to Gaste-mate grant and Progress. The Southers Field is a handcours 16 page illustrated monthly circular, ar magnitue, issued by the isumlyrs too department of the Southern Hait-way for the exploitation of the vast natural resources of the territory tra-vensed by the great road. It is dis-tributed by the thomands every month among active and prospective sevters after homes in the South. The May number, just out, contains a picture of the new Loray mills that is three columns wide. Of this grant-tic entarprise and of the town, the pa-per in hand speaks as follows : "On this page we show a cut of the new Loray Mills of Gastonia, N. C. in which machinery is now being in-stalted. The util building is 30d freet long and 135 feet wide, five stories high, with angine and boiler rooms and about 400 tenement houses. The equipment is 600 spindles and 1,680 hours, The capital stook m \$1,000,000. The mill is the largest in the state. "Beddes this factory Gastonia has 7 other mills, nearly all of which are new mills. The town has then putting in municipal improvements, including water-works, swerage, electric lights, and is one of the most rapidly develop-ing casters in the state. The country is capable of rosts ining many more farmers who will find in Gastonia a spiendid market for all the produce, poultry, eggs and vegetables they can rates." All this enumeration of Gastonia's more and advantame of the state. All this enumeration of Gastonia's

All this enumeration of Gastonia's progress and subvatiages serves to give value and emphasis to the subject mat-ter of the last sentence. As the town grows, it gives multiplied advantages to the country surrounding it.

At Bocky Mount a Syrian peddler began to curse a widow lady because abe declined to prepare supper for him. Some of the eithens, hearing of it, took the fellow and applied the soft side of a board to his austomy until be was willing to leave. His partner was a little "too fresh" and the boys fanned him also.

Within the next two or three days the BEE HIVE will have in a new glass front and their store room considerably improved by being made nearly a hundred feet long. With a new front, a new store-room comparatively speaking,

new zeal and plenty of new goods, they expect to more completely
