

countenance that reminded one of the good times not long ago when the price of cotton was climbing up every day.

Lots of folks were interested in the "Perfection needle threader" exhibited by Mr. L. J. King, of Wilmington, a gentleman with a genial, kindly counte-nance and an agreeable way of talking up his novelty. But it was really a good thing a blind person could thread a needle with it, and it seemed to sell family near Cherryville. readily.

"Cal Arrowood ought to have one of these needle-threaders" said a kind-hearted spectator. His eyes are failing and he has "Ais eyes are failing and he has to do his own patching." "If Cal will get married," said an other, "I'll buy him one." Mr. Arrowood agreed, and got the present at once. Now it's up to this friendly old bachelor to get out and hustle for leap year propositions.

One of the biggest and best of Gastonia, Supt. S. P. Wilson of Cherryville, Supt. C. A. Jonas of Mt. Holly, and Prof. Carwile of King's Mountain will each humored men on the court yard was Mr. Dave Garrison. He says he has seen the day when he could take his shovel and throw as much dirt out of a have charge of one or more deditch as three or four men, but partments, is, of itself, a guarantee of success.

that of late years he knows what it is to get tired. But he can still farm. He has twin boys, Tom and Will, seventeen years Tom and Will, seventeen years old. With these two he raised last year 750 bushels corn, 1200 pounds of lint cotton, 200 gal-long of home-made molasses, and 1200 pounds of meat, which isn't had farming by any means. An older sou. Beverly, was in the Harden cotton mills. This year he is on the farm while the twin boys are in the mill.

"I went all through the war," said a veteran, "and never got a scratch. Ten minutes before the sucrender a bullet whistled by my face and brashed my hair.

children, all small are left without a mother, Mr. Wilson is a well known engineer who used to run between Salisbury and Ashville; be is now running on

specimens which were placed in a show case preparatory for ex-hibition in St. Louis. There were in the lot six "pigs" about two feet long and a little larger than a lead pencil, two bars about 12 inches long, and a big block weighing about 25 pounds. The metal was very bright, as bright as new silver. For the car-load of ore shipped last fall Capt. Ross received \$8,800. The tin fever has caught the folks good at Gaffney and anoth-er car-load is ready to ship now. a Georgia road. Only a few months ago Mr. and Mrs. Wilson were in Gastoma visiting their relatives, and, as devont helpers, were active in the religion work of the Wesleyan camp meeting. Mrs. Wilson before marriage was a Miss Lutz and belonged to a prominent er car-load is ready to ship now. We understand that Capt. Ross, who was once a country editor, has refused a million dollars for

Deg Fight Loads Three Men to Court.

Asheville Citizes

The trial of W. S. Thomason and Allen Trivett in Magistrate Waddell's court yesterday afternoon proved to be very interesting, and it took the court about three hours to decide it. The trouble which lead up to the ar-rest was started by a dog fight over which the accused and a Mr. Patton got into a dispute. The matter suded by Patton or-dering Thomason and Trivett off his property and warning them not to return. A few days later, when the detendants say they thought the trouble had blown over, Patton found them both at his house and had them arrested

bis house and had them arrested for trespass. The attorney for Trivett, Mr. Baker, and Mr. Lucas, acting for Thomason, made strong pleas for their clients while Junge Brown rep-resenting Patton, urged that both defendants be fined. Magistrate Waddell fined each defendant \$2.50 and the costs of bis case, Trivett paid his fine but Thomason took an appeal to

but Thomason took an appeal to the Superior court and was re-leased on a \$50 boad. Thoma-son is also charged with carry-ing a concealed weapon. The grand jury will probably investi-gate the charge at the next term of court in August.

Aycock Payors Williams. Raleigh Cor. Charlotte Observer,

Governor Aycock was asked to-day his views about the vice presidency and said: "If the nominee is going to be a South-ern man I want John Sharp Williams. We wish to renew the old Southern ideal of statesmanship."

of the most dangerous and ofiensive, leading to consumption and other diseases of the respi-

Prior to the discovery of Hyomei and its introduction in this section by J. H. Kennedy & Co., every method of treat-ment had been found worthless.

The discovery of Hyomei and its growing popularity has al-ready reduced the percentage of those suffering from catarrh. This wonderful remedy is the This wonderful remedy is the simplest and most pleasant of treatments. Put 20 drops of Hyomei in the pocket inhaler that comes with every outfit, and breathe it for a few minutes four times a day. Relief will be seen after the first treatment and a com-plete cure will soon follow. Breathe the Hyomei in this way, and the catarinal germs even in the most remote air cells are destroyed. The irritated mucous membrane is soothed and healed, and perfect health restored. J. H. Kennedy & Co., says to all catarin suffarers. "Let us help you to health. We are confident Hyomei we guarantee to refund your money if it fails. A complete outfit costs but \$1, and if it does not help you, your money will be returned prompt-ly."

City and Country Life.

ster (N. Y.) Herald,

Reduster (N. Y.) Herald. The average young man or woman who has to work for a living would rather live in the turmoil and glitter of the city than to enjoy the far more healthful, if less exciting, less "stylish" perhaps, life of the country. We do not know by what means the surplus unem-ployed labor of the cities can be restored to the farming comployed labor of the cities can be restored to the farming com-munities. It is certain, how-ever, that an adjustment of the existing false and abnormal con-ditions—scarcity on the farm and oversupply in the towns— would operate to their mutual advantage and benefit. There seems to be need of a campaign of education and enlighten-ment. ment.

For the chicken lice, use Lambeth's Death to Lice.
