FRIDAY, JULY 1, 1904.

The folks who were not suited with Glenn's railroad affiliations and free-pass arrangements—what are they going to do about it now?

Why does Mr. Bryan so suddenly become a Farmer man? Have the prospects of Mr. Cleveland's nomination anything to do with it? There are some signs that are significant.

The rains which began to fall Monday night and Tuesday and ended what was about to be a harmful spell of dry weather seem to have fallen quite generously over the entire State. Monday night the writer was nearly 200 miles east of Gastonia sleeping by the sound of a gentle rain, and on the trip home Wednesday he noted signs of refreshing showers all the way. Crops were clean, well cultivated, and ready for the rains, which so far have proven veritable "showers of blessing" to the farmers of the State and through them to the rest of us. It would be a pity if the season should be prolonged into destructiveness.

The wife of Arthur L. Bishop was unable to make headway in Charlotte in the matter of obtaining petitioners for his release from the penitentiary. She seems to be a devoted wife whose loyalty is worthy of a better cause. The crime perpetrated by her husband was a very great one and would not probably have been committed had the husband been as loyal as the wife. Though some persons offered to sign the petition for Bishop's pardon, it was learned that the friends of the man who was shot down in his own home would circulate a counter petition and this caused the matter to be dropped. Bishop, with only a five years' term in the penitentiary for his crime, is getting off light, very light, yet he seemed to hope for still better luck.

WELCOME. Tomorrow is the day of Gaston county's school jubilee. If the weather permits, the people will be here. The gates of Gastonia are open and all her people join us in giving the visitors welcome.

The Governor of North Carolina will be here to speak to the people on education.

The people will be here to greet a Governor whom they delight to honor.

Welcome, thrice welcome to all.

The Governor will stay in Charlotte tonight and come over to Gastonia tomorrow morning. He will have a luncheon and headquarters at the Public House.

COUNTY SUMMER SCHOOL.

First Session Will Convene at Jones Seminary Monday—List of Instructors and Lecturers. The first session of the summer school recently established by the county Board of Education for the benefit of the public school teachers of Gaston county will convene at Jones Seminary, All Healing Springs, on Monday, July 4th, and will continue for two weeks.

The aims of this school are set forth as follows in a neat pamphlet just issued by County Superintendent P. P. Hall: 1—To refresh the minds of the teachers in regard to the underlying principles and essential facts of the various subjects taught in the public schools; 2—To illustrate the best methods of presenting these facts to the pupil by actual class-room work; 3—To afford intellectual stimulus to the teachers in the hope of self-development; 4—To bring the teachers of the county together and weld them into a compact body with similar aims and purposes.

The course of study will embrace the public school studies, augmented by lectures on primary work, school management, Agriculture, and Psychology. The forenoons will be devoted to class room work and the afternoons and evenings to teachers' conferences and lectures.

The list of instructors includes Prof. Joe S. Wray of Gastonia; Prof. S. P. Wilson of Cherryville; Prof. C. A. Jones of Mount Holly; Prof. S. W. Curville of Kings Mountain; Prof. S. A. Wolf of Dallas; Miss Milla Torrence of Kings Mountain; and Mrs. S. P. Wilson of Cherryville.

Lectures will be delivered by President Henry Louis Smith of Davidson College; President George T. Winston of the A. and M. College; Major B. F. Dixon, State Auditor; Prof. J. B. Carlyle of Wake Forest College; Prof. C. H. Mebane, Ex-State Superintendent of Public Instruction; Prof. J. Y. Joyner, State Superintendent of Public Instruction; Prof. Loy Thompson of Rutherford College; George W. Wilson, Esq., of Gastonia; and Prof. L. M. Hoffman of Gaston College.

Painless Tooth Extractor. Mrs. Dr. Moore, the painless tooth extractor, has arrived in town from the office of Drs. Newell & McLaughlin of Charlotte. Mrs. Moore comes highly recommended by prominent officials of towns and cities she has visited, who state that her painless method of extracting teeth is perfectly reliable and harmless. Office opposite post office.

Dead in Spartanburg. Miss Carrie Montgomery, a cousin of Mr. R. W. Carson, died Monday at Spartanburg. She was a daughter of the late Mr. Joseph Montgomery of this county and has many relatives in the county. The Spartanburg correspondent of the Charlotte Chronicle says of her, writing under date of the 27th: Miss Carrie E. Montgomery died at her residence, No. 40 Cleveland street, this morning 9 o'clock. The funeral services and interment will be held at Sulphur Springs church, in Union county, to-morrow at 12 o'clock. The deceased was 46 years of age and her life had been spent in and near the city. She was a lady of the highest type of Christian womanhood. Her lovable disposition, kind heartedness and generosity made her a truly noble woman. She had many friends in this and adjoining counties who will be grieved to learn of her death. She is survived by one brother, Mr. W. B. Montgomery, of this city, and three sisters, Mrs. J. R. Little and Mrs. Hannah Little, of this city, and Mrs. Wm. Little, of Sulphur Springs.

NOT A PATENT MEDICINE.

Hyomei, the Guaranteed Catarrh Cure, Prescribed by Physicians. No one should confound Hyomei with patent medicines that are advertised to cure catarrh. It is as far superior to them all as the diamond is more valuable than cheap glass. Their composition is secret, but Hyomei gives its formula to all reputable physicians.

Is it not foolish to try and cure catarrh by swallowing tablets or liquids? The only natural way to cure this disease and all other diseases of the respiratory organs is to breathe Hyomei. This treatment has been so successful, curing 90 per cent. of all who have used it, that Hyomei is now sold by J. H. Kennedy & Co. under an absolute guarantee to refund the money if it does not cure. You run no risk whatever in buying Hyomei. If it did not possess unusual powers to cure, it could not be sold upon this plan. J28-Jyl-12-15
