—"Helio Bill" at the opera house Wednesday night immensely pleased the audience, which was not as large as the character of the play warranted. This week he killed the pig and a 300-pound scale wouldn't weigh him. The butcher estimated that it weighed over \$50. Pretty good. The breed was Poland China and Berkshire mixed.

#### To Call a Pastor.

There will be service at the Presbyterian church Sunday morning, Nov. 13, conducted by Rev. W. R. Minter, of Shelby. The elders of the church have called a congregational meeting to be held immediately after the morning service for the purpose of calling a pastor if the way be clear. It is probable that the way will be found clear and that a pastor will be called.
