FRIDAY, JAN. 19, 1906.

Oh, Charlotte! You are too slow. Gastonia is ahead of you with the rain-coat factory.

Beginning at noon Wednesday, a printer in this Gazette's office set 13 columns of advertisements in 19 hours, on the proofs of which not an error appeared. This record, which of itself will be of interest to the printing fraternity, was made by Mr. Will Marshall, the seventeen-year-old son of the editor. He had no thought of making a record until his proofs were read and showed it up.

A great many people who did not seem to be very much pained on account of the rude treatment accorded to Mrs. Minor Morris by White House officials, are very much pained at Senator Tillman's behavior. It is just awful to criticize the President, but it doesn't amount to very much if White House officials do no worse than eject a refined woman and tote her off "like a sack of salt" with "her dress hanging from her knees!" The Senate on yesterday tabled by a vote of 34 to 8 Senator Tillman's resolution to investigate the matter. There is something about the incident concerning which the friends of the President wish to maintain and, as far as possible, enforce silence.

Real Estate.
 Mr. G. A. Gray Wednesday sold through Esquire Thomas H. White a house and lot on Main street near the Avon Mill to Mrs. Sallie Schneider for \$1000.

LOWELL LOCALS.
Good Railroad Advantages, Good Churches, Good Schools, and Good People Make this a Good Town—Personal and News Items of Interest.
 Correspondence of the Gazette.
 Lowell, Jan. 10, 1906.—Since the holidays, Lowell academy opened with an unusually large attendance. The faithful work of both teachers and pupils guarantees a profitable and successful school term. Great interest is taken in the new school library.
 Miss Virginia Robinson's music pupils are making rapid progress under her skillful training.
 Prof. J. A. McArthur spent the holidays at his home in Fayetteville.
 Misses Zada Rankin and Carrie Cathey, of Belmont, are again teaching here.
 Mr. F. P. Murphy, who visited his home near Wilmington, has returned and is now night superintendent of the Lowell Cotton mill.
 Mr. Jim Reid and Mr. and Mrs. J. K. Hand left last week for Chapel Hill where Mr. Reid is studying medicine and Mr. Hand is taking a course in pharmacy. Miss Annie McKnight has returned to Charlotte and Messrs. Hall Hand and W. M. Baker to Davidson.
 Miss Bessie Cox left last week for Red Springs, where she resumes her studies at the Southern Presbyterian College.
 Mrs. Robert Ratchford visited Mrs. Leeper this week.
 Mr. John Rankin and Miss Edna Rankin, of Belmont, spent Sunday afternoon with Mr. and Mrs. T. P. Rankin.
 Rev. Mr. Allison preached for Rev. R. A. Miller Sunday.
 Dr. Frank Robinson is remodeling his residence on First street.
 Our little town enjoys all the advantages of being situated on the Southern railway. A good macadam road makes it easily accessible to nearly all points of importance in the county. The church and school facilities are excellent, the health record is good, and the kindness of the people is not surpassed. Their hands and hearts are ever ready to respond to the call of sorrow, suffering, and distress. All of this makes Lowell a most desirable spot for a quiet, happy home.
 —The local chapter of the United Daughters of the Confederacy will meet in the Library this afternoon at 2:30.

Ulcers Of the Stomach
Incurable Nature of the Disease—How to Recognize and Cure It.
 Ulcers of the stomach may exist for years without very marked symptoms, excepting those caused by indigestion. It is due to an inflammation which affects the membrane of the stomach so that it is eaten away by the gastric juices.
 In good health, the stomach resists the action of the gastric juices, but when weakened, the membrane is badly nourished and the digestive fluids act upon it as well as upon the food, keeping up until perforation of the stomach occurs. In advanced cases of ulcer of the stomach there is much discomfort after eating, with gnawing sensation between meals, pain from the pit of the stomach back to the shoulder blade.
 At the first symptoms of indigestion treatment at once should be started with Mi-on. This is a scientific remedy adapted specifically to one purpose, the cure of stomach troubles. It is so uniformly successful that J. H. Kennedy & Co. give a signed guarantee with every 50 cent box that the money will be refunded if it does not cure.
 Mi-on is not a patent or secret remedy, but is a combination of the purest and most reliable of remedies for strengthening the digestive organs and building up the whole system. Use it for a few days and there is no reason why you should not be able to eat any food you like at any time without fear of distress. J19-F2

In School at Weldon.
 A note was recently received by Prof. J. S. Wray from a former pupil of the Gastonia Graded schools, Master Wilder Gresham, who is in the 5th grade of the Weldon school. While here he was in the fourth grade. Naturally this is gratifying to the management of the Gastonia schools. Other pupils, says Superintendent Wray, have left the seventh grade of the Gastonia school and easily taken the eighth elsewhere. Wilder writes: "I am now at Weldon and am in the fifth grade. I hope all my old schoolmates are well and will all keep doing well. I wish I could see Miss Sandifer and my old school-mates again. The school here is a one-story building with about six rooms. I wish I was back in Gastonia. I have tried many schools but the Gastonia school is best of all."

A Large Force of Men and Teams is Now at Work on the Davis Property Converting it Into a Beautiful Home Section, Known as

GASTON TERRACE

This attractive new home section is situated on the heights in the south end, just five blocks from Main Street and two blocks from the Graded School.

A large squad of men are at work on the improvements. Streets are being laid out and graded, shade trees planted and boxed, and other beautifying work under way.

An important feature of the improvements is the opening and grading of Marietta Street to this new plan, bringing Gaston Terrace within a span of the business heart of the city.

Gastonia is now built up solidly to this property and as it is the only property in Gastonia suitable for a handsome home section it is certain to increase rapidly in value now that it is being improved and placed on the market.

Gaston Terrace is up high, dry and well drained. It is an ideal spot for a home and a splendid place for an investment.

This is beyond doubt the best real estate proposition ever offered in this section of the country. There is certain to be an active demand for these lots. Already there has been many inquiries. Select your lot now and be ready to snap it up when the sale opens.
