#### LORAY LOCALS.

Protracted Meeting at Wesleyan Church Closes—Work Progressing on New Presbyterian Church—Other News Notes.

Correspondence of the Gazette.

Loray, Nov. 15.—All is quiet in this end of town save the hum of spindles, the rattly-bang of the looms and the constant rattle of the draymen's wagons as they vie with each other in delivering goods and engaging in a little friendly jostling occasionally.

Rev. J. M. Downum left Monday for Lenoir to spend one day with his family before going to conference. Mr. Downum has won the love and esteem of our people here and all hope he will be returned to this charge.

The protracted meeting at the Wesleyan church closed Sunday night. The pastor is attending conference this week in Charlotte.

Rev. C. A. Swift is visiting friends and relatives near Greensboro this week and will go from there to conference, which meets at Rocky Mount next week. Mr. A. B. McAllister was called to the bedside of his little daughter, Cora, at her grand-father's, Mr. J. L. McAllister, near Stanley Creek, last week. The little one was suffering from an attack of pneumonia, but is much better now.

Mr. L. B. Hines is home from a trip to Caupobello and Inman, S. C., where he visited relatives last week. He reports a good time.

Work on the new Presbyterian church is progressing and the building has taken shape so one can have an idea of its appearance when finished. It will add to the attractions on the boulevard and we hope also to the spiritual well-being of our people.

Governor Glenn issued a proclamation Wednesday setting aside Thursday, Nov. 29th, as Thanksgiving Day.

#### LOWELL ITEMS.

Work on New Cotton Mill Progressing Rapidly—New Houses Being Built—Personals.

Correspondence of the Gazette.

Lowell, N. C. Nov. 15.—Work on the new cotton mill is progressing rapidly and the new tenant houses, which are being rapidly completed, are making the upper part of the village look more town like.

Mr. C. W. Nipper is repairing and enlarging his store house near the new cotton mill. Miss Eulalia Lutz and her brother, Graham, have returned from Mecklenburg county, where they went to attend the funeral of their sister.

Rev. and Mrs. J. H. Bennett left Monday for Mt. Airy to attend conference. It is the desire of his congregation that Mr. Bennett be returned to this circuit for another year.

Miss Aurelia Hand is spending several days with her brother, Mr. J. K. Hand, at King's Mountain.

Mrs. B. F. Leonhardt and little son, Ben, returned Monday from Charlotte, where they spent several days with friends.

Quite a number of Lowell people attended the circus in Charlotte Saturday.

Mr. Arthur Leonhardt was one of the attendants at the Cornwell-Lewis wedding at Dallas Tuesday night.

Mr. G. W. Groves, who has been very sick for the past few days is attended by Dr. Taylor, of Asheville.

We regret very much the departure for Gastonia of the family of Mr. J. R. Reid. However, by several changes in moving, all the houses are again occupied. Mr. Jim Wilson, the popular book keeper of the Lowell Cotton Mills, occupies the house vacated by Mr. Reid.

The Southern Live Stock Insurance Company has been organized at High Point and \$50,000 capital stock paid in. Risks will be written on deals among stock only.

D. B. Hill Hopelessly Ill.

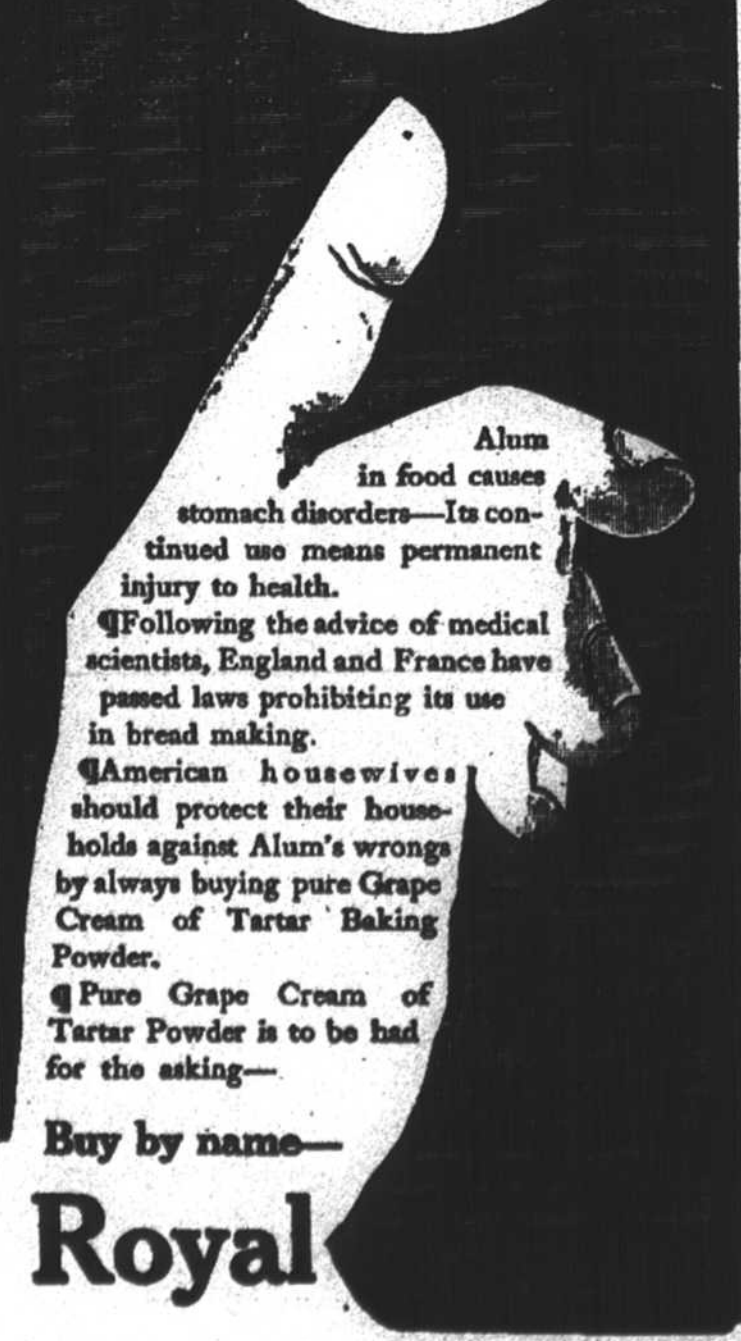

A Washington dispatch says: A friend of ex-Senator David B. Hill, who has just returned from Wolle's Root visiting the statesman, reports that Mr. Hill will never enter politics or business again. He says: "Senator Hill is a very sick man and has retired permanently from earthly activities. He is suffering from Bright's disease and is in the last stages and unless a miracle is wrought in his favor he will never see another well day."

## AVOID The INTERNAL WRONGS of ALUM

Alum in food causes stomach disorders—Its continued use means permanent injury to health.

Following the advice of medical scientists, England and France have passed laws prohibiting its use in bread making.

American housewives should protect their households against Alum's wrongs by always buying pure Grape Cream of Tartar Baking Powder.

Pure Grape Cream of Tartar Powder is to be had for the asking—

#### DO NOT BE A BURDEN.

J. H. Kennedy & Co. Give Some Good Advice to Readers of the Gazette.

A weak stomach and its resulting ills are natural. With proper care and the use of Mi-o-na stomach tablets, the very worst case of indigestion or stomach trouble can be cured.

It is a sin to deprive oneself of enjoyment in life and become a burden to others through indigestion. The backaches, headaches, distress after eating, loss of appetite, gulping up of undigested food and gases are natural.

Mi-o-na stomach tablets used for a few days before meals will so strengthen the digestive organs that you can eat anything you want without fear of distress or resulting sickness.

The directions for taking Mi-o-na emphasize the difference between this remedy and the ordinary medicine that is given for indigestion. Mi-o-na is to be used before meals, strengthening the digestive system for the food which is to be eaten, while the ordinary remedy is taken after meals, and simply digests the food without strengthening the stomach.

J. H. Kennedy & Co. have so much faith in the merit of Mi-o-na that they sell it under a guarantee to refund the money, in case it does not cure. A 50-cent box of Mi-o-na will do more real good than a dozen packages of the ordinary remedies sold for indigestion. Then, too, it costs nothing unless it cures.

Will Prove Successful.

Charlotte Chronicle.

One of the newest enterprises in Gastonia will be the manufacture of women's suits and skirts, not of common goods, but of the finest wear. The enterprise is under good management and will doubtless prove a successful one. Any sort of a fabric factory in the South will make money if properly managed.

Special Low Rates.

The C. & N.-W. Railway Company has issued the following notice as joint circular No. 1: To All Agents: Upon application and sufficient notice to this office, Special Round Trip Rates will be quoted parties of Twenty-five to Fifty people on one ticket, on regular trains, between any two points, on these lines.

Effective on and after April 1st, 1906.

E. F. REID, General Passenger Agent.

#### OUR ORPHANES.

Thanks-Offerings a Factor in Their Maintenance and Improvement.

The work of the orphans' homes of North Carolina is regarded highly by our people, and these institutions are worthy of our heartiest support. We can see something of the good they are accomplishing, but the far-reaching, ever-widening influence of their work we are not now able to fully know and measure. They are being greatly used of God in the betterment of lives, in the salvation of souls.

Thanksgiving Day has been adopted by our people as a time of special effort for and gifts to the orphans of the State. Can we in a better, more fitting way express our gratitude to the giver of all good than by helping in the care and equipment for life of these homeless children? Such a method of expressing thanks to God appeals to us, and, surely, it is pleasing to God.

The aid received by the orphans' homes of North Carolina at Thanksgiving is a factor in the maintenance and improvement of their work.

May the observance of Thanksgiving Day this year be even a greater means of honoring God and blessing mankind.

Must Run Counter to the People at Times.

Charlotte Observer, 14th.

Newspapers, to be true, must run counter at times not only to railroads—which is always popular—to governments, which is also rather popular, but also to the people—which is, of course, not popular.

Will Yet Produce Lace.

Charlotte Observer, 14th.

Gastonia is to have a factory for the manufacture of ladies' garments. In announcing the fact, our correspondent says with truth that "Gastonians have become so used to hearing of new factories that the mere announcement that the town is to have one attracts no attention." This particular enterprise, however, is noteworthy as one of the increasing number of clothes factories in the State and as representing the trend toward more and more highly finished products. North Carolina will yet produce lace.

What is Not a Newspaper.

Charlotte Observer.

A publication which suppresses legitimate news in order to serve personal, factional or party ends may be an organ, melodrama, or what-not, but it is no newspaper.

Will Move Forward.

The Gastonia Gazette has changed hands. Mr. Athina, the new man is a progressive, energetic newspaper man and The Gazette will move forward under the new management.
