GASTONIA, N. C.

#### Wanted: 50 Men and Women.

Adams Drug Co. the enterprising druggists, are advertising today for fifty men and women to take advantage of the special half-price offer they are making on Dr. Howard's celebrated specific for the cure of constipation and dyspepsia, and get a fifty cent package at half-price, 25 cents.

So positive are they of the remarkable power of this specific to cure these diseases, as well as sick headaches and liver troubles, that they agree to refund the money to any customer whom this medicine does not quickly relieve and cure.

With Dr. Howard's specific at hand, you can eat what you want and have no fear of ill consequences. It strengthens the stomach, gives perfect digestion, regulates the bowels, creates an appetite, and makes the life worth living.

This is an unusual opportunity to obtain 60 doses of the best medicine ever made for half its regular price, with the personal guarantee of a well known business firm to refund the money if it does not give satisfaction.

If you cannot call at Adams Drug Co. store-to-day, send them 25 cents by mail and they will send you a package promptly, charges paid.

Adams Drug Co. have been able to secure only a limited supply of this specific, so great is the demand, and you should not delay taking advantage of the liberal offer they are making this week. No-23.

#### Animals Not in It.

Mr. Henry Rhyne said he did not come to the show on Friday to see the animals, but came to see the girls.

#### Government Ginners' Report Issued.

Charlotte Observer, 23d.

The government ginners' report, which was issued yesterday afternoon at 2 o'clock, showed that 8,531,000 bales of cotton had been ginned up to the 14th instant, the date of the taking of the census. The report issued on the same date last year showed that but 7,497,000 bales had been ginned. Two years ago, the report showed that 9,786,000 bales had been ginned.

Yesterday's report was about what the local cotton men expected. Evidently the same feeling prevailed in all circles for the speculative market was not influenced in the least.

#### YORK AND YORKVILLE.

##### What's Doing Among our Neighbors Just Across the Line.

Yorkville Encourer, 20th. Master William M. Allison, second son of Mrs. W. M. Allison, had his left arm broken last Friday afternoon. The fracture is a very ugly one and is calculated to give not a little trouble before it is finally healed. The interior of the court room presented quite a handsome appearance when court convened yesterday morning as the result of the general renovation it has received during the past few weeks.

There was quite an important business meeting of the Civic league in the court house last Friday afternoon and it was well attended. The secretary reported that as a result of a canvass of the town during the few days previous, quite a number of members had been secured, and the treasurer reported subscriptions to the amount of about \$75.

Mr. James Miskelly, aged about seventy-five years, who lived with his son-in-law on a farm belonging to Dr. W. G. White and located on the Pickens road about four miles west of Yorkville, died suddenly yesterday afternoon at about 1 o'clock, presumably from apoplexy. He walked out from the house for some purpose accompanied by a little grand child, and from such information as the child could give, seems to have sat down and expired almost instantly. Coroner Louthian went to the scene yesterday afternoon, accompanied by Dr. J. D. McDowell. The Dr. was of the opinion that death was from natural causes, probably apoplexy, and it was decided that an inquest was unnecessary.

The dead body of Mr. Thomas H. Bludworth was taken from a well on the premises of F. E. Smith, at the corner of Congress and Jefferson streets, at about 1 o'clock this afternoon. The discovery of the dead body was purely accidental. Long continued effort was made at resuscitation, but without result, death having evidently occurred several hours before.

Mr. Bludworth was a member of the grand jury and no other member of that body had seen him since yesterday afternoon. The reporter hears that several people saw him this morning, but the rumors have not been verified. He had employment with the Yorkville B. & M. Co. The deceased was a son of the late John Bludworth and of Mrs. M. A. Bludworth of Yorkville. There are no bruises or other marks about the body to indicate foul play, and so far no one seems to be able to give any reason why the young man should have committed suicide. It is quite possible that legal investigation may throw some light on the mystery. It can be stated positively that Mr. Bludworth was seen last night at about 9:30 and that he appeared to be in his usual good spirits.

#### At the Churches.

Associate Reformed Presbyterian church—Preaching at 11 a. m. and 7 p. m.; Sunday school 10 a. m.; prayer meeting Wednesday evening 7 p. m.

First Presbyterian church—Preaching Sunday at 11 a. m. and 7 p. m.; Sunday school at 10 a. m.; prayer meeting Wednesday night. Rev. R. C. Anderson, pastor.

#### LORAY LOCALS.

##### New Inman Automatic Banding Machine a Curiosity

Loray, Nov. 21—Sunday was one of the days borrowed from April and will have to be paid back with interest. The showers were so frequent that the attendance at our Sunday schools was considerably below the average. There were services at West End Sunday morning, conducted by Rev. F. W. Bradley. Rev. J. W. Puckett, of Hot Springs, was a visitor here Saturday night and Sunday. Mr. Puckett has many friends here who are always glad to see him.

Rev. J. E. McSwain, of Carolina, visited his mother and brother here Monday on his way to the M. P. Conference, which convenes at Rocky Mount today. Rev. H. H. Mitchell accompanied him and will join the conference and take active work next year.

While the Southern's shifting crew was shifting cars here Saturday evening a freight car was pushed off the end of the coal chute and now people are wondering how they will get it on the track again.

Several of our people are attending court this week. Some of them are witnesses in the case of Will Weaver, who is on trial for cutting Mr. J. R. Faysoux sometime ago. This has been reported time and again as having happened at the Loray, when in fact it was not here at all but the wounded men were brought here and cared for by kind-hearted people.

The Inman automatic banding machine, which has recently been installed in the Loray Mills, is a curiosity. The yarn is on a cylinder and one end placed in the machine which is started up and proceeds to make bands for the spinning frames, making 120 per hour without any aid.

We are glad that the new pastor at West End is to be Rev. J. M. Downum. This makes his sixth appointment to West End, which would be contrary to the rules of Conference were it not for the fact that the first four years were to West End in Stateville. Mr. Downum made many friends here during the conference year just closed who will be glad to hear of his return.

Mr. J. R. Oasment, of Mountain Island, was here Sunday on a visit to his daughter, Mrs. R. L. Brice.

Mr. Judson Waldrop has been laid up for several days with pneumonia, but our latest information is that he is getting better.

There will be a wedding in our town to-night at 8 o'clock. The contracting parties are Mr. Raymond Nance and Miss Maud Randall. The ceremony will be performed by Rev. E. L. Bain at the home of the bride's mother, Mrs. S. C. Randall. The couple are popular young people and we join their many friends in wishing them much happiness.

#### RANGERS FROM DYSPEPSIA.

Impaired Digestion Most Prominent Cause of Serious Diseases.

Few people seem to realize the real dangers in disturbed, deficient or defective digestion.

While health reports do not give indigestion as a cause of death, yet it is really often fatal, as it so weakens the stomach that one becomes readily susceptible to an attack of typhoid fever, kidney disease, nervous prostration or other serious or fatal disease.

At the first symptoms of indigestion, M-I-O-N-A stomach tablets should be used. If there is a feeling of heaviness in the stomach, distress after eating, nervousness, dizziness, nausea, headache, sleeplessness, pain in the side and limbs, specks before the eyes, or a peevish, irritable condition, with debility and weakness, begin the use of M-I-O-N-A at once.

It will build up the stomach and digestive organs so that you can eat anything at any time without fear of distress or indigestion.

A 50-cent box of M-I-O-N-A tablets will, in most cases, give prompt relief and cure, although in chronic and longstanding weakness of the stomach, two boxes or more are sometimes needed, but J. M. Kennedy & Co. guarantee M-I-O-N-A will cure, in all cases, no matter how chronic or serious, or money will be refunded. You can see what M-I-O-N-A is doing for you by buying M-I-O-N-A.

**AVOID ALUM**

**AN UNSEEN DANGER IN FOOD**

TO GUARD SHIPS against the unseen dangers of alum, the United States Government maintains lighthouses.

To guard your home against the unseen dangers of food products, the Government has enacted a pure food law. The law compels the manufacturers of baking powder to print the ingredients on the label of each can.

The Government has made the label your protection—so that you can avoid alum—read it carefully, if it does not say pure cream of tartar brand it back and

**Say plainly—**

**ROYAL BAKING POWDER**

ROYAL is a pure cream of tartar baking powder—a pure product of grapes—sids the digestion—adds to the healthfulness of food.
