### CLEVELAND CULLINGS.

Cleveland Star, 11th.

Mr. A. C. Miller, the successful cotton manufacturer, is brightening up all the cottages of the Belmont Mill's operatives with a coat of paint. He says the demand for yarn cannot be supplied—that business is better now than it has been for years.

George A. Champion has sold his house and lot on Marion street to Mr. Wm. Archer, the very efficient Express Agent. The purchase price was \$1500. Mr. Champion will move to his farm temporarily, but we hope to welcome him back to Shelby at an early date.

Little Francis Roberts, the 15-months-old child of Robert E. Roberts, had a narrow escape from drowning a few days ago. While playing around the yard she fell into a tub of water, and would have drowned but for the presence of mind of her little four year old brother, who saw her fall in.

Uncle Laney Ledford, as he was familiarly called by a legion of friends throughout the county, died at the home of his son, O. M. Ledford, on Monday night. Mr. Ledford was one of the old landmarks of the county, having attained the ripe age of 94 years.

Mrs. Francis Crowder, one of many thrifty housewives of N. C. township, has demonstrated what may be accomplished by almost any one with a little patience and industry in poultry raising. Last year, in addition to attending to her varied duties of the household, she raised and sold \$51.96 worth of chickens and eggs.

We regret to chronicle the death of Mrs. L. B. Willis, who died on Monday, Jan. 7th 1907, at her home near Belwood. Mrs. Willis was a daughter of Jas. R. Willis, and a woman of splendid qualities, loved and respected by all who knew her. Besides a grief stricken husband she leaves several children. She was about 40 years of age. She was laid to rest on Tuesday, in the quiet cemetery of St. Peter's church.

Messrs. D. D. Wilkins and H. I. Washburn have just closed a deal whereby they acquired a large interest in some fine timber lands in some Cherokee county, S. C. They have purchased a three-fifth interest in a thousand acres of magnificent timber. Already they have three saw mills in operation, and will market the lumber as rapidly as possible.

### New Residence.

Mr. J. A. Spencer, the architect, is preparing plans and specifications for a handsome new residence which Mr. P. J. Lineberger will build on the public road a short distance south of the Clara Mill. The house will cost about \$5,000.

### Leg Amputated.

County Physician L. N. G'enn and Messrs. McG. Anders and J. M. Sloan went to the county home Sunday to amputate a leg for Eli Parks, a colored inmate of the institution. The patient was suffering from an ailment of long standing and the limb was removed in the hope of saving or prolonging his life. The operation was successful.

### Oil Galore.

Early Saturday morning, while the local shifting engine was doing some shifting of cars, a tank-car which had just been loaded with cotton seed oil at the plant of the Southern Cotton Oil Company was cut loose with a brakeman on board. This car collided with another near the Avon Mill and was derailed. In order to clear the track of the derailed car it was turned over in the street, causing the oil to flow in great quantities in all directions.

### To New Mexico.

Mr. N. F. Furr and family of Concord, and Mr. E. R. Padgett, of Gastonia, brother-in-law of Mr. Furr, left yesterday for Deming, New Mexico, where Mr. Furr goes in the hope of regaining his health. They went to Charlotte on No. 42 and left over the Seaboard last night for the West. They were joined at Charlotte by Mr. W. S. Ruffelt, a cousin of Mr. Padgett, who accompanied them. The two latter expect to remain in New Mexico for several months while the former and his family may reside there permanently. For some time Mr. Furr has suffered from tuberculosis and he hopes that the dry atmosphere of the Western State will prove beneficial as do also all of his friends, of whom he has not a few in Gastonia. He formerly conducted a store at the Arlington Mill but more recently has resided at Concord.

### YORK AND YORKVILLE.

#### What's Doing Among our Neighbors Just Across the Line.

Yorkville Enquirer, Jan. 11th.

Mrs. Margaret Trawick, Mrs. Chas. W. Smith and son, Master Strauss, and Miss Bessie Williams, spent Wednesday with Dr. and Mrs. D. E. McConnell at Gastonia.

A little negro boy called Son Dunlap shot himself accidentally with a parlor rifle Wednesday afternoon. The bullet took effect in the boy's thigh, but the wound is not especially serious.

Mr. E. W. Long, for some time past agent for the Southern railroad at Yorkville, has taken charge of the agency of the C. & N.-W. railroad. He has been succeeded in his old place with the Southern by Mr. G. R. Coney.

The jail has been locked again. A negro named Ed Withers was committed by Magistrate McElhaney of Fort Mill township on January 9, on the charge of housebreaking and larceny. He is the only prisoner in jail.

Mr. B. H. Massey has been re-appointed postmaster at Fort Mill, the new appointment having been sent to the senate by the president on last Tuesday. Mr. Massey has been postmaster at Fort Mill for a number of years, and gives efficient and satisfactory service.

Mr. T. H. Riddle, of Bethel, is seriously ill at the home of Mrs. Mattie I. McGill, at Bethany, with pneumonia. He went to Bethany Wednesday to go partridge shooting with Mr. J. Leslie McGill and was stricken in the afternoon. His condition has not since been such as to permit of his removal to his own home.

The annual meeting of the Loan & Savings bank was held in the bank office last Wednesday. A majority of the stock was represented and after the reading of the annual report of the president, an election of officers was entered into. All of the old directors were re-elected. After the meeting of the stockholders, the directors held a meeting and re-elected Mr. S. M. McNeel, president and Mr. W. P. Harrison cashier.

The annual meeting of the stockholders of the First National bank was held in the office of the bank last Tuesday. White, O. E. Wilkins and W. I. Witherspoon.

Mr. W. H. McCorkle and Miss Iva Withers were married at the Methodist parsonage last Wednesday evening, the ceremony being performed by Rev. H. J. Cauthen, pastor of Trinity church. While it was generally understood that these two popular young people were to be married soon, nobody but their closest friends were advised as to the time, and the only witnesses to the ceremony were Mr. Craig McCorkle, brother of the groom, and Mr. and Mrs. Thos. W. Speck, brother-in-law and sister of the bride.

### NATURE'S CATARRH CURE.

Sensible and Scientific Way to Cure this Disagreeable Disease.

Nearly everyone suffers at one time or another with catarrh. The natural way to cure this disagreeable disease is by applying healing medications direct to the diseased spot.

In no other way can this be done as naturally as by the use of Hyomei, breathed through the neat pocket inhaler that comes with every outfit.

Put several drops of Hyomei in the inhaler and then for a few minutes, four or five times a day, let the air you breathe come through it. In that way all the air that enters the nasal passages, the throat or the lungs, is filled with Hyomei's healing medication, reaching the most remote air cells of the respiratory organs, destroying all catarrhal germs and soothing and healing the irritated mucous membrane.

A few days' use of Hyomei will show how quickly it relieves all catarrhal conditions, and you will not have to use it long before you find it has effected a complete and lasting cure.

So strong is J. H. Kennedy & Co's faith in the power of Hyomei to cure catarrhal troubles that with every dollar outfit they give a guarantee to refund the money unless the remedy gives satisfaction. They take all the responsibility and you cannot afford to suffer longer with catarrh when an offer like this is made to you.

Should extra bottles of Hyomei be needed they can be obtained for 50c, making this one of the most economical as well as the most reliable remedies for catarrh that is known.

### APPRENTICESHIP.

#### City Boy Should be Given a Taste of the Training Which is the Country Boy's.

Charlotte Chronicle.

The tendency of all city life is to wear out and degenerate humanity. The new blood which is being constantly brought to regenerate the humanity of cities and of industrial life, is brought from the country. The country boy always does some work in childhood and in youth. The country boy also gets a degree of common school education, if nothing more. His chances for schooling are much less than those of the city boy or youth, yet in the competition of life it is the country boy who almost always succeeds and generally leads. The remedy for a city boy is to give him a taste of the same work or some similar work that is generally one of the most conspicuous influences in strengthening the country boy. When parents move from the country to the city by some inexplicable process, they begin to regard and treat the wholesome-minded boy as a tender plant. In the country the boy is left to be a boy and does not consider that work will hurt him. Nothing could possibly be more injurious to a boy or youth than to be left in idleness in the streets of the city. Scholastic education is of little avail if the physical training is wholly or even in a degree neglected. The ideas of work and of education should be both revised. The child and the youth should be made to incorporate in their training a reasonable amount of both labor and scholastic training.

### Business Change.

Mr. Moses Stroup, of Old Furnace, this county, yesterday sold to Messrs. L. C. Arrowood, of the Crowders Mountain section, and J. C. Lineberger, of Gastonia, his one-third interest in the Gastonia Tanning Company, the two latter being the other stockholders in the concern. By the terms of the transaction Mr. Arrowood becomes sole owner of the company's harness shop on Main street and Mr. Lineberger becomes owner of the tannery. Stock was taken yesterday. For the present Mr. Arrowood will give his personal attention to his business here. Mr. J. T. Dameron, of Bessemer City, has been employed as book-keeper, having assumed his duties yesterday. Mr. C. G. Holler will continue as foreman of the harness shop. Mr. Lineberger will in the future have charge of the tannery.

—Look at your label. It indicates the date of expiration of your subscription. If it has expired let this be a reminder to you to come in and renew for another year. The new management is gratified at the large number of renewals and new subscriptions which are coming in but desires that all who are behind pay up and take a new start.

Washington, N. C., will make a strong effort to secure the proposed new State Normal and Industrial College, provided the General Assembly passes a bill creating it.
