TO REORGANIZE MILLS.

Majority of Creditors Meet at Bessemer City—Committee to Plan Reorganization—In-
debtedness \$270,000. Plant
Valued at \$321,000—The South-
ern in Operation.

Friday afternoon the creditors of the Southern Cotton Mills met at Bessemer City to investigate the mill's affairs and take some steps looking to the reorganization of the company. The following from Saturday's Charlotte Observer gives the details of the meeting:

"A majority of the creditors of the Southern Cotton Mills met at Bessemer City yesterday in accordance with the plan announced in The Observer a few days ago, to hear a report from the officers and decide upon some course of action in connection with the present financial situation of the mill. The statement, as read, showed a net indebtedness of about \$270,000 against the plant, valued on the books at \$321,000.

"Resolutions were passed appointing a committee to make a detailed inquiry into the condition of the mills and to formulate a reorganization plan, the report to be presented at another meeting of the creditors to be called later.

"It was the expressed sense of the meeting that Mr. Ceasar Cone, the present temporary receiver, be made permanent receiver if no adjustment of the mill's affairs can be made without such action. The mill is already in operation and will be continued under the management of Mr. Cone, who is also operating the Odell Manufacturing Company at Concord.

"After the creditors of the Southern Cotton Mills met, the creditors of the Whetstone and Vermont Mills held meetings and put their interests in the hands of a committee, with instructions similar to the reorganization committee appointed for the Southern Cotton Mills.

"A number of the creditors who had inspected the mills stated that they are all in good physical condition. The opinion prevails that with a reorganization and proper management all claims can be paid."

NOVEL CURE FOR COLDS.

Healing Medication that is Breathed,
Giving Quick Relief.

It seems just as ridiculous to put medicine into the stomach to cure a cold in the head or lungs as it does to go out in the rain if we want to keep dry.

The fact that many people right in Gastonia cough and hawk and snuffle for days and weeks after they treat a cold with the usual stomach dosing, shows how valueless are the ordinary cough and cold cures.

The right way to cure a cold in the head or a cough and irritation in the throat and lungs, is by breathing Hyomei's medicated air. Put a few drops of Hyomei in the neat pocket inhaler that comes with every outfit and breathe this healing air for a few times and immediate relief will be noted. The medication goes right to the spot where the disease germs are located and renders them harmless in the future.

At the same time the soothing and healing effects of Hyomei on the irritated mucous membrane give quick relief, and the cough or cold is broken up.

The best evidence of the great value of Hyomei in curing coughs, colds and all bronchial troubles is the fact that J. H. Kennedy & Co. give an absolute guarantee with every outfit they sell, that if it does not give satisfaction, the money will be refunded.

A complete Hyomei outfit, consisting of a bottle of Hyomei, the inhaler and a medicine dropper, costs but \$1, while extra bottles of Hyomei, if needed, can be obtained for only 50c.

Sermon by Japanese.

A large congregation was present Sunday night at Main Street Methodist church to hear Rev. K. Sakatsume, a native Japanese minister who is making a tour of this section of the United States before returning to his home country to preach to his countrymen. He is a graduate of Boston University and goes back to Japan to do missionary work under the direction of the Methodist Church. He talked interestingly of the Japanese and their need of the Christian religion. Buddhism, Shintoism and Confucianism have held sway in that country for centuries but a half century of Christianity and its influence, said the speaker, has done more towards enlightening and lifting up the Japanese than all other religions combined. His own father, mother, brothers and sisters are idol worshippers. He compared the status of the Americans and the Japanese women and gave Christianity the credit for lifting the latter to a height socially and intellectually which they had never before attained. Mr. Sakatsume's talk was interesting and he had the close attention of his audience. His enunciation is hardly as good as that of the average Japanese student one hears lecture in this country but his sense of humor is keen and his ideas of the Christian religion and what it means correct. At the close of the service a collection was taken to assist in defraying his expenses on his return to Japan.

Mrs. Nancy Berry, of Union.

Mrs. Nancy Berry, aged 72, died at her home near Union Presbyterian church Saturday morning after an illness of several weeks. The funeral services were conducted Saturday afternoon by Rev. J. B. Cochran, pastor of New Hope Presbyterian church, and the remains were laid to rest in the churchyard at Union.

Twenty people were killed and twenty-five or more injured in a wreck on the Big Four Railroad near Fowler, Ind., early Saturday morning.

The Senate Committee on Immigration Saturday ordered a favorable report on the bill appropriating \$70,000 for an immigrant station at New Orleans, the site to be donated by the city.

McADENVILLE MATTERS.

Rev. K. Sakatsume Preaches in Methodist Church—Tacky Party at Home of Mrs. J. B. Reid.

McAdenville, Jan. 21.—Rev. K. Sakatsume, the Japanese, lectured to a large audience Sunday at 11 o'clock in the Methodist church. Rev. R. M. Hoyle preached a stirring sermon at night and held the first quarterly meeting Monday morning.

Mrs. J. B. Reid gave a tacky party to the Dramatic Club of McAdenville at her home Saturday night. The young people present were: Misses Mary Belle Barber, Blanch Armstrong, Lottie Ray, Lottie and Grace Albee, Eliza and Daisy Hooper and Messrs. George Hoke, Frank Phillips, W. P. Wilson and Dr. G. W. Taylor. Some of them were very tacky indeed. Miss Rattie Mangum won the ladies' prize, being attired in a polonaise of forty years ago and a hat of twenty-five years ago, and George Hoke won the gentlemen's prize. He was attired like "Simple Simon." "Camp-meeting draps," "chawing wax" and "bandana handkerchiefs" were very much in evidence. Red lemonade was served in tin cups with lemon snaps. Games were played and, at 10 o'clock, all said they had enjoyed themselves "good" and went home.

Mrs. Elizabeth Cross Dead.

Mrs. Elizabeth D. Cross died at the home of her son, Mr. W. E. Cross, on Franklin avenue early Sunday morning from a complication of diseases peculiar to old age. Mrs. Cross was 69 years of age and was a devoted member of the Methodist Church. After a short funeral service conducted by Rev. E. L. Bain at the home Sunday night at 9 o'clock, the remains were taken to Macon, Ga., for burial.

Are You Asleep on The Real Estate Question?

Are you informed as to Real Estate Values in Gastonia?

Times are good now and don't you think it wise to secure a home or invest some of your surplus cash in a desirable piece of real estate.

The choice lots are being secured rapidly and are bringing good prices now, but in the immediate future, you may not be able to get one at all, and if you do succeed in landing one, it will bring a handsome premium.

We believe that we are pretty well posted on the situation and shall take pleasure in helping you secure the kind of property you desire.

Some of our very best business men are beginning to realize the coming scarcity of desirable, close-in property, and are buying now.

We list below, some good values that we believe will grow into nice profits in the near future.

1 Lot 100x200 on corner of Airline St. in West Gastonia, on a high clean elevation—very desirable for a nice residence. \$900.00

3 residence lots on Narrow Gauge Extension in natural grove, on a main throughfare. Very desirable for home-builders. Per front foot, \$5.00

1 6-room dwelling on lot 100 X 300 on W. Airline St. This is a nice new home. \$2400.00

1 Lot 75 X 300 on West Airline St. on which is located a small building suitable for market or fruit stand. \$600.00

1 farm of 50 acres in high state of cultivation, good well of water, 2 tenement houses, near macadam road and only 1 1/2 miles from Gastonia. An excellent farm for dairying or trucking. Per acre \$40
