Of making many laws there is no end. South Carolinians are just 200 to the good (?) in the number of the statutes made and provided for their benefit by reason of the recent session of the General Assembly, just closed. How many of them will operate for the good of the people is another question.

According to a dispatch to The Charlotte Observer from Raleigh eleven young Scotchmen—the van guard of a movement of Scotch to North Carolina—arrived there Saturday night direct from their native country and will be sent to farms in eastern and western North Carolina. It is stated that they are farm-bred boys of good character. This is the kind of immigration North Carolina stands in need of. It is hoped that this advance guard will find life so pleasant and conditions so favorable in the Old North State that they may be the means of persuading many more of their countrymen of the same class to come over and cast their lot here. There is room for thousands of good immigrants in the State. Let the good work go on.

—There will be no mail service on the rural free delivery routes Friday, this being Washington's birthday, a holiday in government circles. The Gastonia county association of mail carriers will meet in Dallas on this day.

—At the meeting of the board of directors of the Lowell Cotton Mills in Lowell Friday afternoon at 2 o'clock, Mr. John C. Rankin was re-elected president, Mr. S. M. Robinson secretary and treasurer and Mr. Frank Robinson, vice president.

CALL TO GROWERS.

Tuesday of Court Week Date for Mass Meeting at Dallas.

To the Farmers of Gaston County:

At your last meeting in Dallas it was ordered that we have a great mass meeting of farmers in Dallas at the noon hour of court on Tuesday, the 26th. inst. Therefore, as chairman of the county cotton growers association, I call on one and all of you to meet there that day and let us all put our heads together for the great good of our cause. We have secured two speakers for the occasion, Esquire John H. Rutledge and Col. Robt. L. Abernethy, two as good speakers as our county affords, and no more loyal advocates of our cause have we than these two gentlemen.

We urge upon every farmer in Gaston to set apart this day for this occasion and let us show to the world that we are not asleep for the great common cause of home protection. Remember, friends, if we let our cause go down now, it will be years to come before we can get on top again, for the enemy will take advantage of our neglect and we can not overcome their opposition unless we present a bold front now.

Hoping that I will have the pleasure of meeting many of you on this occasion and with very kindest personal regards and best wishes I am,

Yours Very Truly,
A. M. HENDERSON,
President of Gaston County Cotton Growers Association.

LOCAL AFFAIRS.

—Spring is creeping up on us fast. The days are growing perceptibly longer.

—Have you gotten that savings bank yet? Don't put it off too long. They are moving fast.

—The Tuesday Afternoon Club is being entertained by Mrs. Frost Torrence this afternoon.

—"The Kid Engineer" is the second in our series of railroad stories. It will be found in the supplement to-day. Don't fail to read it.

—Get ready for the municipal primaries March 7th. The candidates for mayor have but little more than two weeks yet on the anxious seat. The campaign is beginning to get interesting.

—Who will be the candidates for aldermen? is the latest question. It is known that some of the incumbents will not stand for re-election. There is speculation as to their successors.

—Invitations reading as follows were issued to-day: "Mrs. George A. Gray and Miss Gray will receive Thursday afternoon, February twenty-first, four to six."

—The First National Bank, Citizens National Bank and the Gaston Loan & Trust Co. will be closed Friday, Washington's Birthday, this being a legal holiday.

—Remember the big mass meeting of cotton growers which President Henderson calls to be held at Dallas Tuesday of court week, the 26th. Every cotton grower in the county should be on hand.

—Route Number 2 from Dallas, which was to have been converted into a tri-weekly route after the 19th, has been ordered continued as a daily for three months, pending surveys of the rural routes in this county.

—In an affray at the Arlington Mill Sunday night Charlie Mull had his coat cut up considerably and also received a flesh wound from a knife in the hands of Charlie Watters, of the Old Mill. It seems that the affray grew out of the fact that Mull took Watters' girl to drive Sunday afternoon.

—Clerk of Superior Court C. C. Cornwell has in his office at Dallas a check for \$18 belonging to a Confederate veteran by the name of W. M. Stallings. It seems that the owner of this check came to Gaston from some other county and his address is not known to the clerk. Any one knowing the above named will please confer with Mr. Cornwell.

—What has become of the bills sent to Raleigh by the committee appointed by the recent meeting? There are many people who voted in favor of them at the mass meeting who would like to know what is being done in the matter. The bond issue bill had the unanimous endorsement of the largest and most harmonious mass meeting Gastonia ever had.

—Gaston Conclave No. 391 Improved Order Heptasophs will initiate new candidates at their regular meeting Friday night.

of course I understand all about ethics, etc., but I do not care who knows I used Gowan's Pneumonia Cure because it saved my life. I keep a bottle always in the house and one in my grip. If the baby gets a little cold we head off the croup and I know that it will cure Pneumonia. There is no use to lie down and die when a remedy is in reach—25 cents for trial size.

I don't believe in these patent dopes, but Gowan's is external and does the work. You can show this letter to anybody you want. I'll back it up. Better try the remedy—keep it on hand.

Yours,
JIM.

THIS IS WORTH SAVING.

The following simple home-made mixture is said to relieve any form of Rheumatism or backache, also cleanse and strengthen the kidneys and bladder, overcoming all urinary disorders, if taken before the stage of Bright's disease: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle and take in teaspoonful doses after meals and at bedtime.

A well-known authority states that these ingredients are mainly of vegetable extraction, and harmless to use, and can be obtained at small cost from any good prescription pharmacy. Those who think they have kidney trouble or suffer with lame back or weak bladder or Rheumatism, should give this prescription a trial, as no harm can possibly follow its use, and it is said to do wonders for some people. county, in 1875. For a number of years she had made her home here with relatives and was loved and admired by all her acquaintances. She was married to Mr. Walker in 1900 and since that time had resided at Brown Summit, N. C. She leaves, besides her husband, a daughter three years old, four sisters and one brother, who have the sympathy of many friends.

—One of the most pleasant and happy events of the season was the party given at the home of Mr. R. A. Falls near Pleasant Ridge Friday night. About 50 young people were present and the evening was greatly enjoyed by all. Many amusing games and contests were engaged in until a late hour. Refreshments, d licious and palatable, were served.

—Miss Grace Brown, of Concord, was expected to arrive to-day to visit Miss Ethel Gray but a message this morning brought the intelligence that she was seriously ill at her home. This news will be heard with regret by Miss Brown's many Gastonia friends.
