Associated Press dispatches from San Salvador state that on Wednesday, as a result of the Nicaraguan invasion of Honduras, 37 members of the invading army were killed and many others wounded at Portillo del Espino. Both governments are claiming victory. Gen. Carcano, leader of the invading forces, is reported killed. A statement given out by President Diaz at the City of Mexico on the strength of a telegram received by him from President Bonilla, of Honduras, is taken to indicate that war between the two governments is now certain.

CANDIDATES ON ROUNDS.

They Address Voters at Ragan's Store and Trenton Mill—Other Appointments for Next Week.

The three candidates for the office of mayor of Gastonia, Mr. Joseph H. Separk, C. B. Armstrong and W. W. Glenn, are lending something to the interest and gaiety of the campaign by joint speakings at various points in town. At Ragan's store Tuesday night they were heard by a crowd of about 200 of the voters of that section of town. Music furnished by the Lory Band was a feature of the occasion—not the feature, however, for the main numbers on the programme, of course, were the speeches by the candidates. Some spice was injected into the meeting last night at the Trenton school house. A good natured tilt between Mr. Glenn and Mr. Armstrong furnished amusement for the crowd. "It was worth more than lots of dollar shows I've been to," remarked a citizen who was there to The Gazette man this morning. No ill feeling was engendered but the candidates went after each other in a manner that provoked fun and laughter for those present. It is a pretty sure fact that there will be a good sized crowd on hand at the Ozark to-night.

To-night the Ozark Mill will be the scene of the contest. If it is sufficiently warm and pleasant the speaking will be out of doors, otherwise it will be in the school house.

Next week there will be appointments at the Old Mill, the Modena and possibly the city hall.

Every grocery store should carry Argo Red Salmon. If the salesmen have not yet called on you, drop a card to the Alaska Packers Association, Richmond, Va., where our temporary advertising offices are located.

Thirty-Three Initiated.

Last night was a busy one with Gastonia Lodge No. 188 Independent Order of Odd Fellows. Thirty-three candidates were given the initiatory degree. It is useless to add that the ceremonies furnished sufficient amusement for the members for one night.

Died Suddenly.

Mr. Grier had not been well for several days but, up till Wednesday, was in his office in the Davis block as usual. He was sitting in a chair in the kitchen of his home when death came. At the time of going to press the funeral arrangements have not been made.

Bill Passes Senate.

The State Senate Wednesday passed the bill granting Gastonia the privilege of voting on the issuance of \$100,000 in bonds for street and municipal improvements. This bill was drawn up by Messrs. W. T. Love, Hugh Long and George W. Wilson, the committee appointed for this purpose by the recent mass meeting. The full text of the bill was printed in a recent issue of The Gazette. The other bill drawn up by the committee relating to sidewalks, etc., has not been introduced as yet. We understand that it is being opposed by some property owners.
