### TO MEET IN GASTONIA.

**Woman's Home Mission Society of Western North Carolina Conference to Hold Annual Session Here in May—Annual Sermon by Rev. E. L. Bain.**

The Woman's Home Mission Society of the Western North Carolina Conference of the Methodist Episcopal Church, South, will hold its annual session in Main Street church here the latter part of May. The exact date has not been announced but it will include the fourth Sunday of the month. This is a fifth or six annual meeting of this organization and the first one ever held in Gastonia. Last year's session was held in Greensboro.

There will be between thirty and fifty delegates present and they will be entertained while here by the members of the local society and other members of the Gastonia congregation. Mrs. Frank Siler, of Asheville, is president of the society; she is also recording secretary of the Woman's Home Mission Society of the Methodist Church in the South. The delegates will find a warm welcome awaiting them here and Gastonia will be the gainer by having these consecrated Christian women as guests for a few days.

Rev. E. L. Bain, pastor of Main Street church, has been invited to preach the annual sermon before the society and has accepted the invitation. It will be preached on the morning of the fourth Sunday.

### ACTUALLY CURES CATARRH.

**J. H. Kennedy & Co's. Faith in Hyomei is so Strong They Sell it Under Guarantee.**

It is one thing to claim, another thing to back up the claim by a statement that if it is not proven true there will be no charge for the service or the goods.

It is in this way that J. H. Kennedy & Co., sell Hyomei, for they have so much faith in its powers to cure all forms of catarrh and bronchial troubles, that they give an absolute, unqualified guarantee with every outfit that if the remedy does not cure, the money will be refunded.

Hyomei is based on nature's way of curing catarrh. It contains the concentrated healing oils and gums of the pine woods, prepared in such form that they can be brought into your own home. It gives the health advantages of the Adirondacks in such form that you can be cured of catarrh and affections of the nose, throat and lungs while at home or at work.

A complete Hyomei outfit costs but \$1, and extra bottles, if needed, may be obtained for 50c.

With Hyomei you can cure catarrh pleasantly and easily at small expense, with no risk of the treatment costing a cent unless it cures. M5-19

**Lecture by Dr. Kennedy.** Rev. Dr. J. G. Kennedy, of Allegheny, Pa., who is at present supplying the pulpit of the Gastonia Associate Reformed Presbyterian church, will deliver an address before the Young Peoples' Christian Union at Pisgah church Saturday afternoon at 2 o'clock. A cordial invitation is extended to all to be present.

Are you tired, fagged out, nervous, sleepless, feel mean? Hollister's Rocky Mountain Tea strengthens the nerves, aids digestion, brings refreshing sleep. 35 cents, Tea or Tablets. Adams Drug Co.

Raised \$1,225.50.

At the conclusion of the regular preaching service Sunday morning in Main Street Methodist church the sum of \$1,225.50 was raised by popular subscription within a very few minutes. Only \$1,000 was asked for but this amount was oversubscribed, this notwithstanding the fact that a large number of the members of the church were not present. This fund is to meet the expense now being incurred in the beautifying of the grounds and remodeling of the parsonage. As announced Sunday morning the improvements to the parsonage include raising the building 18 inches above its present level, re-roofing, painting and a general overhauling. With the exception of placing the granite gravel on the walks, the work on the grounds is practically completed. When a good stand of grass is obtained, the granite curbing placed and walks graveled, these grounds will be surpassed by none in town for beauty.

### TOWN AND COUNTY.

—There was a singing at Long Creek Baptist church Sunday, participated in by the choir and members of the congregation. This church has just recently purchased a new organ.

—Nearly everyone of us is figuring on having a fine time just ahead when we get all fixed, and this vision is just ahead of us when we fall asleep. To live in the now and enjoy the present is the work of a philosopher.

—Mr. and Mrs. J. C. Hoyle's little girl came very near being burned to death one day last week. She caught fire while her mother was washing, but her mother got the fire out before the child was badly burned.—Crouse Cor. Lincoln County News, 15th.

—A subscriber writing us from the far west is certainly a fine specimen of a brag. He says: "This is, indeed, a wonderful country. Every hamlet is a town, every town a city, every farm a ranch, every barnyard a corral, every mound a mountain, and every man a liar."

—Yesterday felt like sure enough summertime. There were a good many out-of-town people in Gastonia, not a few of them being farmers who are laying in their supply of fertilizers for spring planting. Main street was a busy scene all day long and the merchants did a good day's business.

—Read the announcements of your merchants in this issue. Many a dollar has been saved by a careful perusal of a merchant's ad. When a business man advertises for your patronage he not only has a line of goods that "speaks" but there may be some article or articles listed that you desire and that it may be advantageous to buy at this time.

—The Bank of Clover is thirteen-and-a-half months old to-day, having commenced business February 1, 1906, and the deposits at the close of business yesterday exceeded \$90,000. The management is more than pleased with the success of the institution as it did not calculate that the deposits up to this time would exceed \$50,000.—Clover cor. Yorkville Enquirer, 15th.

—Men have various ways of carrying money. Grocers, butchers and millers carry it in a wad. Bankers in clean bills, laid full length in a pocketbook. Brokers only fold the bill once, doubling the money as it were. The young business man carries it in his vest pocket. Farmers and drovers in their inside pockets, whether it be \$50 or 15 cents. Printers usually carry their money in other people's pockets.

Argo Red Salmon can be served on any table. It can be served as it comes from the can, or prepared in many palatable dishes.

—The outlook now is that the new opera house and Masonic hall will be ready for occupancy within a week or ten days. At present the contractor, Mr. W. T. Beaumgard, is devoting most of his energies to completing the new home of the Masons, and it is the hope of the fraternity that they will be able to hold their first meeting in it on the night of the 21st inst., on which occasion a number of visiting brethren from the surrounding towns will very likely be present. The new quarters when completed will be among the most commodious, handsome and convenient in this part of the state.—Clover cor. Yorkville Enquirer, 15th.

—The rural routes were established for the benefit of rural homes, or in other words the farmer, however, proven a greater benefit and blessing to the farmers than was anticipated by the most sanguine. A farmer who has once enjoyed the advantages of the rural mail service would hardly know how to live without it. It did not come to the farmer, however, until he had many times earned it. The farmers are our heaviest taxpayers. What property they have is in plain sight and is taxed, while the city gent, at least many of them, who deals in notes and bonds is enabled to hide his wealth from the assessor. For a quarter of a century the mail has been carried to the city home, not once, but many times each day. Finally the big heart of Uncle Sam has reached out to the men who feed the world.

### School Closing.

The school taught by Miss Sadie Oates at the Oates school house near Bessemer City will close the present term with exercises Saturday beginning at 10 a. m. An interesting program consisting of recitations, declamations, music, etc. has been arranged for the occasion. County Supt. P. P. Hall, of Belmont, will probably be present and deliver an address.

**Among the Animals.**  
Kansas City Journal.  
A story is told of a Cherokee woman who has married six times, and has never gotten out of the animal line. When she was a girl, she was known as Miss Mollie Panther. She married an Indian named Coon, and when that gentleman was transferred to the happy hunting grounds she soon became Mrs. Fox. The Fox did not last always, and when he entered the last chase the widow married a mild, placid man named Mule, who never had any kick coming until he harnessed up to draw his load across the Great Divide. After a period of mourning the widow again entered the realms of matrimonial bliss, and became Mrs. Wolf, and when his scalp went to the Great Father, along

with his corporeal remains, she became the wife of a man named Tiger, and when Mr. Tiger changed his stripes for a pretty white robe in the Great Beyond she selected another husband by the name of Rabbit.  
Capt. J. A. Cooper, president of the First National Bank of Statesville, suffered a stroke of paralysis last Tuesday and is in a serious condition.  
Construction work on the Southbound Railroad will be suspended after April 1st. It is stated that the project may be abandoned altogether. Difficulty in obtaining right-of-way, a tight money market and the recent stand of the Legislature are given as some of the reasons for this move.
