The new silks and wools have a beauty and brightness that can not be described. To say that our coatsuits, skirts and shirt waists are prettier than ever shown here before is a mild expression. We can't say too much about our millinery, for it's a recognized fact all over the Carolinas and into other states that we are the Fifth Avenue milliners of this section. The men's and boys' clothing, furnishings, shoe department, jewelry, china, carpets and other departments are as fully equipped. Railroad fare paid both ways on purchases of \$40.00 or more, within a radius of fifty miles.

ST. MARY'S VICTORIOUS.

Defeats University of South Carolina in Closely Contested Game, Score Being 6 to 5 in Favor of the Belmont Boys—To Meet Mount Pleasant Thursday.

St. Mary's baseball team defeated the University of South Carolina team at St. Mary's Athletic Park, Belmont, Saturday in a close and interesting game, the final score being 6 to 5 in favor of the Belmont boys. The victorious nine secured the winning run in the ninth inning. Despite the bad weather, both teams played fast and snappy ball and at no time was the game lacking in interest. Rosseau's pitching for St. Mary's was quite a feature, whereas Jones, of the visitors, was hit hard. Very few spectators were present owing to the cold and dampness.

Score R H E St. Mary's 6 14 3 University of S. C. 5 6 5

On Thursday of this week St. Mary's boys will meet the strong Mount Pleasant Academy team. Fullenwider, said to be the crack pitcher of the State, will be in the box for the visitors. The St. Mary's line-up will be as follows: Sullivan, catcher; Malloy, pitcher; Tracy, first base; Funderburk, second base; Donnelly, third base; Hogan, short stop; Arthur, right field; O'Brien, W., center field; Rosseau, left field.

British Vice Consul Here.

Mr. James A. Donnelly, British vice consul at Pensacola, Fla., was a distinguished visitor to Gastonia yesterday, being a guest of Rev. W. H. Hardin, pastor of St. Mark's Episcopal church. Mr. Donnelly was en route to his home at Pensacola from Southern Pines where he had been spending a few days with his brother. Mr. Donnelly and Mr. Hardin have been acquaintances and friends for many years and it was to renew this friendship that the British vice consul stopped at Gastonia in response to an invitation from the latter. Mr. Donnelly was a welcome caller at The Gazette office. He is a most pleasant and affable gentleman. He was very favorably impressed with Gastonia and expressed his regret at being unable to remain longer, but official duties required his immediate return to Pensacola.

Mr. Henderson Carroll, who left Cherokee county to make his home near Chase City, Va., returned to his old home last week on a visit and was accompanied by a bride. Mr. Carroll is 86 years of age.

The report published elsewhere in this issue from the Chester Reporter to the effect that Dr. J. D. McDowell is to leave Yorkville and settle in Chester, will, if true, be unwelcome news to the doctor's hundreds of friends in Yorkville and the country surrounding.

The railroad work from Kings Creek to the works of the Southern Power Company at Ninety-nine Islands is being pushed as rapidly as possible, but is being hampered somewhat by the scarcity of labor. A farmer from the neighborhood of Smyrna a few days ago said that he was being compelled to pay \$1 a day for an extra plow hand.

There was a successful raid on a blockade distillery near the A. C. Stroup old place in Kings Mountain township last Tuesday afternoon. There were three of the operators, two men and a boy, and while the officers had a pretty good idea as to who they are, it is not understood that their identification is positive enough to justify them in the taking out warrants. The capture consisted of a seventy-five gallon still, 500 or 600 gallons of beer and about two gallons of whiskey. The beer was destroyed on the spot, and the whiskey was brought away to be destroyed as the law provides.

Anderson, pastor of the First Presbyterian church, preached to a good-sized congregation. This service was preceded by Sunday school, which was organized with Mr. Edgar Lewis as superintendent. Until the arrival of Mr. A. S. Anderson, who has been chosen pastor of this church, Rev. R. C. Anderson will preach every Sunday afternoon at 4 o'clock. Mr. A. S. Anderson is expected to arrive about the first of June. The structure has been finished inside and out and the Loray Presbyterians have just cause to be proud of their house of worship.
