FRIDAY, JUNE 7, 1907.

The Raleigh News and Observer came out yesterday with a special Raleigh number. It is four columns, 32 pages, and is brim full of interesting matter about the State Capital. It is also embellished with a number of attractive cuts of monuments, men and buildings of Raleigh. It evidences a commendable spirit of enterprise on the part of this progressive newspaper.

The statement is made, and by a gentleman who is in a position to have the facts in hand, that during the past twelve months Gaston county has graded a third more public roads than any other county south of the Mason and Dixon line. The gentleman making this statement is in close touch with the work that has been going on in Gaston and also makes it a point to keep up with similar work in all other sections of the South. This is indeed a matter of which Gaston countians may well be proud. When all the road that has been graded is macadamized the county will have one of the very best systems of roads to be found.

The present week has been a memorable one at Due West, the seat of Erskine College and Due West College, the two principal educational institutions of the Associate Reformed Presbyterian Church. The chief feature of commencement week was the inauguration of Rev. Dr. J. S. Moffatt as president of Erskine. The occasion was a happy one and the exercises were largely attended. Dr. Moffatt commands the high esteem and confidence of the entire Church and the friends of the college have no hesitancy in entrusting to his care their favorite institution. Under his wise direction it will keep up the record made during its long and honorable career and will continue to go forward and upward in its great work.

Mr. John B. Sherrill, of Concord, has announced himself a candidate for the position of State commissioner of labor and printing to succeed Mr. H. B. Varner, of Lexington, who announces that he will not stand for reelection. It is no secret that Mr. Varner expects to be elected president of the National Editorial Association at its annual session in Jamestown this summer, and hence his action as regards the position he now holds. Mr. Sherrill is editor of The Concord Times and secretary-treasurer of the North Carolina Press Association. He is eminently qualified for the position he seeks and is receiving almost the unanimous endorsement of the press of the State. The Gazette congratulates him on the excellent start he has made in the race and expects to see him successful in it.

Good Location for a Doctor.
 Youth's Companion.

Two young physicians were exchanging news for the first time since their graduation from the medical school.
 "I was surprised when I heard you'd settled at Beech Hill," said one to the other, laughing. "I've always heard it spoken of as such a healthy suburb. I wondered if you'd find any patients there."
 "My dear man," said his classmate, earnestly, "it is a healthy suburb, but it is also the stronghold of football; every family has its automobile, and there never was such a place before for giving children's parties. I'm doing splendidly, thank you."

The board of aldermen of Charlotte in session Wednesday night granted the drug stores the privilege of selling whiskey on prescription, the tax for each license to be \$100. Some members of the board were opposed to whiskey in any form while others wanted to place a tax of \$200, but when the vote was taken the \$100 was prevailed.

BASEBALL.

McAdenville Defeats Tuckasee—Gastonia and Tuckasee to Play Saturday at Lory Park.

Tuckasee met defeat at McAdenville yesterday with a score of 10 to 1. The game was altogether one-sided and with the exception of the fourth inning Tuckasee failed to score. Willet and Abernethy formed the battery for McAdenville, and Tucker and Bumgarner for Tuckasee. The following is the score by innings:
 R. H. E.
 McAdenville 10 230 400 x 10 11 1
 Tuckasee 0 001 00000 1 4 5

Tuckasee and Gastonia will play at the Lory park Saturday afternoon at 4 o'clock. Tuckasee will have her strongest team Saturday and expects to give the home team a close game. It is understood that the visitors will have a combination of the best material in that territory for to-morrow's game.

Celebration at Oxford Orphan Asylum.

In the great oak grove at the Oxford Orphan Asylum, on Saturday, June 22d, 1907, the annual celebration of Saint John's Day will be held by the Masons of the State. A special communication of the Grand Lodge of Masons of North Carolina will be called.

The Oxford Orphan Asylum Association, composed of former girls and boys of the institution, has planned to hold its second meeting. Grand Master Francis D. Winston has appointed Past Grand Master, F. H. Busbee, of Raleigh, orator of the occasion. The children of the Oxford Orphan Asylum will assist in carrying out the interesting program of the day. A hearty invitation is extended to the good people of the State to be present. A large attendance is expected. Many bring baskets and enjoy an old-fashioned picnic dinner in the grove. Barbecue dinner, lunches and refreshments will be for sale on the grounds.
 The Seaboard Railway will, in all probability, operate excursion trains from Raleigh, Durham and Weldon to Oxford. Other roads will likely give special rates.

New College Presidents.
 Progressive Farmer.

The commencement season in the Carolinas and Virginia has brought not only some orations and addresses of the first order of ability, but news of some changes of importance in the management of leading educational institutions.
 Dr. Paul B. Barringer was chosen last week to succeed Dr. J. M. McBryde, resigned, as President of the Virginia Polytechnic Institute, and Prof. J. I. Foust was named as President of the North Carolina State Normal and Industrial College to fill the vacancy caused by the death of Dr. McIver last fall. Dr. Barringer was for many years chairman of the faculty of the University of Virginia and is one of the best-known educators in the South. Prof. Foust is also in the foremost ranks of Southern teachers, and as acting President of the Normal and Industrial College since the death of its great founder, he has already demonstrated his fitness for the duties on which he now formally enters.
 Old Peace Institute in Raleigh has also just undergone a change in management, Dr. James Dinwiddie after a long and honorable service leaving the duties of the Presidency to Prof. Henry Jerome Stockard, a poet, a scholar, and a man of charm, character, and ability.

Smothered by Tin Can.
 Monroe Journal.
 Ever hear of a cow being smothered to death by a tin can? That is the way a valuable one belonging to Mr. Redfern met its death last week. The animal in some manner got an empty half gallon syrup can tightly jammed over her nose, thereby cutting off the air, and the cow literally smothered to death.

RANDOM REFLECTIONS.

The June number of the Taylor-Trotwood Magazine is a very interesting and readable periodical. The first article in the magazine is a biography of Jefferson Davis by ex-Governor Taylor. The biography is accompanied by a number of good illustrations, among which is the White House of the Confederacy and the Davis plot in Hollywood Cemetery, Richmond, Va. A cut of the Federal grand jury which indicted Jefferson Davis is also among the illustrations. An illustrated article, "The University of North Carolina" is one of the most interesting features of the June issue. The writer of this article is Aquila Craig Glenn. A halftone cut of President F. P. Venable and engravings of a number of the more important buildings of the University are among the illustrations. A five-page write-up of Waco, Texas, is included among the advertisements and on this account the magazine takes the name of Waco number.

HARMFUL STOMACH DOSING.

The best physicians believe that the less medicine one swallows the better.
 Do not try to cure catarrh of the head by dosing the stomach; this is neither common-sense nor scientific. Breathe Hyomei, and its medication will go right to the spot where the catarrhal germs are present and free the system from all catarrhal poisons.
 J. H. Kennedy & Co., have seen so many cures of catarrh made by Hyomei, some of them chronic and complicated cases, that they give an absolute guarantee of cure or money will be refunded with every outfit they sell. The complete Hyomei outfit costs but \$1.00.

A card from Mr. E. Grier Carson dated Due West, S. C., June 5, says that he left that day for Waynesville where he will be connected with the Haywood White Sulphur Springs as clerk during the summer season. He has recently been on a visit to his brother, Rev. J. W. Carson, at New Albany, Miss.

Miss Myrtle Nolen, who won the Harvard piano in The Charlotte News contest, has received the piano. It is a handsome instrument and she is justly proud of it. The contest was a strenuous one and Miss Nolen did a remarkable work in securing the largest number of votes when there were a number of young ladies working with every nerve to obtain it.

—To-day is a big day in Yorkville, the occasion being the unveiling of the monument erected by the Winnie Davis Chapter United Daughters of the Confederacy in honor of the Confederate dead. An elaborate program has been arranged and doubtless large crowds are in evidence. Reduced rates prevailed on the railroads and a number of Gastonians took advantage of them.

—The register of deeds granted marriage license this morning to Mr. John Campo and Mrs. Katharine Wyatt Campo. The contracting parties were married 40 years ago in South Carolina and the records of their marriage have been lost and the second marriage will be for the purpose of making the union legal. Mr. Campo is on the Federal pension list as a result of services rendered during the civil war.

A dispatch from Raleigh to yesterday's Charlotte Chronicle says that it is understood that Greenville is to get the Eastern Training School, having outbid all other places. Greenville offers 25 acres of land for a site and a cash subscription of \$100,000.

Dr. E. C. Register and I. W. Faison, of Charlotte, engaged in an affray in Jordan's drug store Wednesday and had to be separated. It is understood that bad blood has existed between the two for some time and that the trouble was caused by Dr. Register taking Dr. Faison to task for some alleged wrong while the former was at the Jamestown Exposition. Dr. Faison called on a magistrate afterwards and paid up for his part in the melee.

Alfred Horsley, alias Harry Orchard, the actual assassin of ex-Governor Stuenkel of Idaho, was placed on the witness stand in the trial at Boise, Idaho, Wednesday against William D. Haywood and made public confession of a long chain of brutal, revolting crimes, committed, he said, at the inspiration and for the pay of the leaders of the Western Federation of Miners. He told of his meeting with Moyer, Haywood and Pettibone, of his employment as assassin and declares that Haywood gave him \$300 for blowing up the Vindicator mine.
