**MISSIONARY UNION.**

**Presbyterian Missionary Union of the Kings Mountain Presbytery Organized—Addresses by Rev. R. P. Smith and Rev. J. O. Reavis—Picnic Dinner.**

At the conclusion of the services at the First Presbyterian church Wednesday the Presbyterian Missionary Union was organized. The meeting which was held for this particular purpose, was attended by representatives from the ten churches in the Kings Mountain Presbytery. There were two sessions of the meeting, a morning and an evening session. During the interval between the two sessions an enjoyable picnic dinner was served on the church lawn. At the morning service there were two important addresses made. Rev. J. O. Reavis, of Nashville, Tenn., secretary of Foreign Missions, made the first of these and Rev. R. P. Smith, superintendent of Synodical Home Missions made the other. Appropriate music was also a feature of the morning session.

During the noon hour, which was from 12 till 2 o'clock, a royal feast was spread on the lawn and a large number were present for dinner. The members of the church had been invited to come and bring filled baskets and spend the day at the church. This many of them did and as a result the many good things to eat, which are not in evidence except on such occasions, were there in abundance.

During the afternoon, discussions of the various phases of missionary work were discussed, followed by reports from the churches and societies. This was followed by the organization and the following officers of the union were elected:

President, Mrs. D. R. LaFar, Gastonia.

1st vice president, Mrs. J. A. Thomas, Shelby.

2d vice president, Mrs. J. W. Sain, Lincolnton.

Recording secretary, Mrs. R. C. Anderson, Gastonia.

Corresponding secretary and secretary of literature, Mrs. S. A. Kinley, Gastonia.

Treasurer, Mrs. Frost Torrence, Gastonia.

Executive committee, Mrs. J. S. Wise, of Lincolnton, Mrs. Lee Falls, of Alney and Miss Maggie Matthews, of New Hope.

The next meeting of the Union will be held in Lincolnton.

**To Meet in Greensboro.**

Greensboro, June 11.—The State Cotton Manufacturers' Association will meet in this city June 20th in annual session, and plans are now being made for giving the visitors to the city a good time while they are here. The meeting will be held in the assembly room of the Benbow Hotel and will be called to order by President W. L. Wyrick. This will be the first annual meeting of the association and it is expected that 200 will attend.

**SHORT TALKS BY L. T. COOPER.**

**LIVER TROUBLE.**

A dull, sluggish liver always brings a dull, sluggish feeling to the entire body. When the liver works properly the blood courses through the body in a bright red stream. When the liver is inactive the blood becomes dull and muddy, and it is full of poisonous matter.

A great many people try to get a fine, clear, pink and white complexion by rubbing things on their faces. They might rub a life time and the same yellow complexion would remain—for the liver causes it. Only bright, red blood brings fine complexions. Blood loaded with impurities from the liver sends the impurities out through the pores of the skin and turns the skin a brownish yellow.

To get rid of the dull, heavy feeling and muddy, yellow complexion get the liver to working again. Two bottles of Cooper's New Discovery will do this in a few days. It is a sure cure. It takes four or five bottles.

Here's what a man who tried it says: "My health had been poor for several years. My face was yellow and covered with pimples. I was bothered constantly with chronic constipation, had little or no appetite and could not sleep well at night. I became weak and lost all ambition. I tried many different medicines but nothing seemed to help me until I began taking Cooper's New Discovery. It seemed to help me at once. Now, after I have taken several bottles I feel entirely well. My face is clear, I sleep well, have a good appetite and am quite myself again."

"I am deeply grateful for my restored health." Michael Silk, 24 Kentucky Ave., Indianapolis, Ind.

**LIBRARY DIRECTORS MEET.**

**Old Officers are Re-Elected and Steps are Taken Toward Building Up the Institution—300 Free Three-Months Tickets to be Issued—Canvass to be Made for Books.**

In the offices of the Citizens National Bank Tuesday afternoon at 5 o'clock the board of directors of the Gastonia Library Association met in annual session and took some important steps looking to the enlarging of the library's facilities and a widening of its influence. The old officers were re-elected as follows: President, Rev. Dr. J. C. Galloway; vice president, Rev. R. C. Anderson; secretary and treasurer, Mr. John F. Love; librarian, Miss Lottie Blake.

In order to stimulate interest in the library and if possible increase the membership, it was moved and carried that 300 free membership tickets, good for three months, be issued to parties whom the board deems worthy and who evince any desire to utilize the advantages which the library offers. Another important step was the appointing of a book committee, the members of which will canvass the town for donations of desirable books or for donations of money with which to purchase books which the directors may select as needed.

In the future the hours when the library will be open will be as follows: From 9 to 11 a. m., from 3 to 5 p. m. and from 7 to 9 p. m.

The following committee on the purchase of books was appointed: Dr. D. E. McConnell, J. H. Separk, J. E. Page, J. C. Galloway and Miss Lottie Blake. At present there is, practically speaking, no fund for the purchase of books, almost the entire revenue from rentals of offices and from fees being required to pay the running expenses of the institution. During the past year about \$75 has been expended for books and magazines. The present membership is about 130; it should be at least twice or three times as large. The library is doing a great work for the town and the fact that the membership is so small, thus restricting its influence, is to be regretted.

**KINGS MTN. PRESBYTERY.**

**Adjourned Session Held Last Night—Committee Appointed to Effect Transfer of Westminster School—Two Ministers Received.**

An adjourned session of Kings Mountain Presbytery was held in the First Presbyterian church last night, when several matters of business were transacted. The session was presided over by Rev. Cornelius Miller, of Dallas, moderator.

Two ministers were received into membership in the Presbytery. They were Rev. C. H. Little, pastor of the Stanley group of churches, and Licentiate A. S. Anderson, pastor of the Loray church. Mr. Little comes from Potosi Presbytery, Synod of Missouri, and Mr. Anderson from East Hanover Presbytery, Virginia.

One of the most important matters attended to was the appointment of a committee, composed of Rev. S. L. Cathey, of Rutherfordton, and Elder R. L. Ryburn, of Shelby, to effect the transfer of the Westminster School, Rutherfordton R. F. D. No. 4, to the Kings Mountain Presbytery. This is a valuable property, being worth \$20,000 or more, and is owned by ten churches in Cleveland, Rutherford and Polk counties. Recently Rev. G. T. Pace, of Fayetteville Presbytery, Synod of Tennessee, was chosen principal of this school and has taken charge. His home is at Clarksville, Tenn., but for the past several years he has been engaged in school work at Red Springs, this State.

Reports were heard from the auditing committee and the committee on the organization of a Woman's Presbyterian Missionary Union.

Among the ministers present were Revs. Cornelius Miller, R. A. Miller, J. L. Cathey, W. R. Minter and T. C. Croker.

You can't tell a woman's age after she takes Hollister's Rocky Mountain Tea. Her complexion is fine. She is round, plump, and handsome; in fact she is young again. 35 cents, Tea or Tablets. ADAMS DRUG CO

Proceedings were begun Wednesday at Philadelphia by the government against the anthracite coal-carrying railroads, more than a dozen in number, for the alleged conduct of a monopoly in the carrying and sale of anthracite coal. The companies have until the first Monday in September to file an answer to the proceedings.

The board of public works of the town of Gaffney, S. C., has decided to connect the deep well, from which the town is supplied with water, with Limestone Springs, the water of which has been pronounced absolutely pure.

Monroe is among the many North Carolina towns that will celebrate the fourth of July this year.

**CONTEST ENDS TUESDAY.**

**Gazette's Big Jamestown Voting Contest Closes at 10 A. M. the 18th—Young Ladies are Hard at Work on the Home Stretch—Winners to be Announced in Next Issue.**

The Gazette's big Jamestown Exposition voting contest—the biggest of its kind ever launched in Gaston county and, by the way, the first and original contest—ends Tuesday, June 18th. The original announcement of the contest stated that votes would be received up to noon on that day but, on account of the large number of votes cast, it is found necessary to close it at 10 a. m. in order to get them all counted that the announcement of the winners may be made in the issue of the same date. Contestants will please take note of this change in the hour of closing. Positively no votes will be accepted after 10 o'clock Tuesday morning, June 18th. The count will be made by three judges, one to be selected by each of the two most prominent contestants in Gastonia and the third by the young lady in district number 2 who stands highest, according to our record, on the day the contest closes.

Never before has such an offer been made to Gaston countians. For the benefit of any person who may not be familiar with the offer, we will state here that The Gazette is giving absolutely free to two young ladies, one living in Gastonia and one in Gaston county outside of Gastonia, tuesday trips to the Jamestown Exposition, the biggest thing of the season. To the young lady in Gastonia who receives the second highest number of votes will be given a handsome \$30 oak sideboard which may be seen at the Williams Furniture Company's store; to the young lady outside of Gastonia receiving the second highest number of votes will be given a \$25 gold watch.

There yet remains scarcely more than two days and each contestant is urged to put forth every effort right up to the last. Each one of the four prizes offered is well worth working for and winning.

**LINCOLN LOCALS.**

Lincoln County News, 12th.

Alfred Stewart, of near Kings Mountain, who has been in jail here for ten days under the charge of selling whiskey, was taken to Charlotte Sunday afternoon by U. S. Deputy Simms, where the case will come up before the Federal Court, which is now in session.

Mrs. C. C. Wrenshall died at her home here Friday morning and the funeral services were held in St. Luke's church Saturday morning at 10 o'clock, the rector, Rev. D. T. Johnson, conducting the sad rites. Mrs. Wrenshall had been in feeble health for a year or more, but death came as a great shock to the family and many friends. The burial took place in St. Luke's graveyard and within almost a stone's throw of the Wrenshall home. The husband, Capt. C. C. Wrenshall, and two daughters, Mrs. John Reese and Mrs. John Kight, and two sons, Messrs. Wood and Charles N. Wrenshall survive the deceased, and all were at her bedside except Mr. Chas. N. Wrenshall, who is traveling and could not be reached with the news of his mother's extreme illness in time for him to come.

Mrs. Anne Roberts died Sunday, June 9th, at the home of her son, Mr. J. M. Roberts, General Manager of the John Rudsill Mfg. Co., on Indian Creek. Mrs. Roberts was buried Sunday afternoon from St. Marks E. L. church, in the Beaver Dam section, Rev. Mr. Kohn, of Cherryville, conducting the services. Mrs. Roberts leaves two sons, Mr. J. M. Roberts, of Indian Creek, and Mr. A. P. Roberts, of Crouse, with a large circle of grandchildren and other near relatives.

Mr. William F. Wise, of Waco, paid a few days visit to relatives in this county last week on his return from the Richmond reunion. Mr. Wise is a civil war veteran. He enlisted May 22nd, 1862, in Company D. First Regiment North Carolina State Troops, was wounded and disabled at Elysour Mill; was taken prisoner May 12th, 1864. He visited his brother Julius A.; and Lorenzo D. Wise and his sister Mrs. P. A. Reep, besides calling on some of his other relatives and friends. His wife who is yet living is a sister of P. A. Thompson, Esq., of Denver and Mr. Fank Thompson of Gaston county. When Mr. Wise was asked if some of the Lincoln county boys who made a sudden western departure during the Ku Klux trouble in the early 70's, did not go to see him; he laughingly replied that he was one of the boys himself who migrated from Lincoln county at that memorable time.

**A TEXTILE CLUB.**

**It is Organized by Operatives at the Loray Mill—New Loom Fixers—Young Americans in Training for Baseball—Gardens Backward—Other Loray Locals.**

Correspondence of The Gazette.

Loray Mills, June 13.—Summer has at last arrived and the cry of the ice man may be heard. The Loray mills are using ice in the mill to keep the water cool for drinking.

Improvements are being made here yet. The new residence of Mr. A. E. Moore is being fenced in, and carpenters are at work on the new Baptist church which will be pushed to completion. The new Methodist church is finished, except as to the seats, which are delayed from some cause or other.

A protracted meeting, which had been in progress for two weeks, at Union Grove, closed Tuesday night. The meeting was successful as there were a goodly number of conversions and accessions to the church.

Messrs. T. R. Wilson, of Lancaster, S. C., Arthur Harper, of Duke, N. C., and J. A. Ritchie, of High Shoals, have accepted positions here as loom fixers.

Mr. J. T. Cash, formerly of this place but late of Charlotte, is here again in his old place as loom fixer.

A textile club has been organized by our progressive young men with Mr. T. M. McAtyre as president and Mr. J. C. Burnett vice president and Mr. R. J. Smith secretary.

A movement is on foot at West End to get Prof. J. L. Webb to teach a singing school. Prof. Webb is a first class teacher of vocal music and is a veteran singer. He is well and favorably known here and at his home at McAdenville. He has taught several schools at the Loray school house and the singing in this community has been improved by these schools.

Our people are complaining about their gardens being so backward on account of so much cool weather, but there are a good many fine gardens here which we like to see.

There are a great many amusements here but the chief amusement is baseball. The small boys are practicing and developing their muscle and no doubt many of them will be on the foremost teams in our land in a few years.
