TOWN AND COUNTY.

Next, the Glorious Fourth! But Gastonia won't be in it this year.

The blackberry season is on in full blast.

Lowell's Glorious Fourth comes on the sixth this year.

When Monday rolls round one-half of the good year 1907 will be gone.

What is so rare as a moonlight night in June for lovers?

When will Gastonia have a new depot? Echo, answers very?

Mr. Meek Henry is very sick at his home on York street.

The past few days have been hot and hence the cotton farmer has been wearing a smile.

To-morrow is the last day of "The Passion Play" at the AmuseU. It will be on all day from 10 a. m. Those who have not seen it should take advantage of this last opportunity.

Last night's rain was a heavy one. For a time the electrical storm was pretty severe. The lights were out for a time and those people who did not happen to have a lamp or a candle about the house sat in darkness.

Rev. C. L. Miller, pastor of St. Andrews, Lenoir College, Hickory, will preach in the Gastonia Lutheran church Sunday at 11 a. m. Rev. F. K. Roof, pastor of St. Timothy's near Hickory, will preach in the same church at 8.15 p. m.

Neighboring towns will draw on Gastonia heavily for recruits on the Fourth. Yorkville and Lincolnton are both going to celebrate this year.

The latter is chuckling over the fact that Secretary Taft has promised to send along a few 8-inch guns to help along the fun-making. Watch Gastonia next Fourth of July.

Mr. J. Alonzo Spencer the popular manager of the Gaston Metal & Roofing Co. came up town Tuesday with his face all aglow with "that smile that won't wear off." He was inquiring for the census taker, stating that the population of our little city had been increased and he desired to have it show immediately on the census book. It's a girl.

The Gazette rejoices that it is able to tell its Mount Holly readers that it has secured a good correspondent who gives us assurance that that hustling and hospitable town will be represented in our columns each week. We hope to be able within a few weeks to give the same assurance to our other readers in other towns in the county.

"Our Church Record", the organ of the Gastonia Presbyterian churches, issued monthly, has changed its method of mailing. Its list has been put up in rubber type and the addresses are now printed by The Gazette's Addressograph.

It requires but a fraction of the time formerly consumed by writing the subscriber's name on the paper with a pencil.

Prof. L. C. Glenn of Vanderbilt University, Nashville, Tenn. has been visiting his father, Mr. W. D. Glenn, on South Chester street.

Miss Edna Glenn daughter of Mr. W. D. Glenn is also at home, she has been in Statesville teaching school. We are glad to note she will teach in the Graded School, Gastonia this year.

Mr. W. F. Marshall, formerly editor of The Gazette but now connected with The Progressive Farmer at Raleigh, is engaged in preparing a memorial volume of the late Capt. J. D. Moore, who was Gastonia's pioneer mill man and for many years one of its leading citizens. The volume, it is understood, will be ready for the press before a great while.

Don't think because The Gazette's big voting contest is over that we don't want any more subscribers or that we are not getting them. New names are being added to our list every day, which is ample proof to us that our efforts to give the people of Gastonia county a good paper are appreciated. If for any reason you failed to get our list during the contest jump on the band wagon at once. We stop for passengers at every station.

Trinity College, Trinity Park High School, both at Durham, and Erskine College, at Due West, S. C., are three new educational institutions represented in our advertising columns to-day. If any of our readers are in doubt as to where to send your boy or girl next year, first consult our advertising columns. The Gazette is valued as an advertising medium by the colleges because it reaches more people of the college-going class than any other paper published in Gastonia county.

PERSONAL MENTION.

Bad Blood at McAdenville.

As a result of bad blood which has existed for some time between certain members of the Baptist and Methodist congregations at McAdenville, a number of citizens of McAdenville were summoned to appear before Esquire C. W. Nipper at Lowell yesterday and give an account of certain alleged disturbances.

Mr. Nipper, however, at the request of representatives from both sides, postponed the case until July 27th. It is reported that there were no services at the Baptist church Sunday night and the members of that congregation, hearing that Rev. J. Frank Armstrong, pastor of the Methodist church, would preach on infant baptism, flocked to his church and, during the sermon, created such a disturbance that the young minister was compelled to cut his discourse short. It is thought by many that the case will blow over and the trouble will be forgotten in a short time.

You can't tell a woman's age after she takes Hollister's Rocky Mountain Tea. Her complexion is fine. She is rosy, plump, and handsome; in fact she is young again. 35 cents, Tea or Tablets.

GASTONIA WINS.

The First Game is Won After Nipe Innings of Hard Work—Kahrs Does Good Work—Morrow, Bell and Morris Weld the Stick—Entire Team Shows Up Well.

It was no easy victory for the Gastonia summer baseball team yesterday. It required nine innings of fast hard ball to defeat the Highland Park team. The Gastonia boys played fine ball the entire game and the Charlotte boys did likewise. As a team well drilled in baseball technique, base running and handling the stick the new team is all there. The first game demonstrated this fact. Kahrs and O'Mara did fine work, one strike-out and one hit is the record. The Charlotte team deserves mention for good work also, better ball players than "Chick" Rogers, "Hutch" Kizziah, "Kid" Smith, Cook, Swearer and others of the Highland Park team are hard to beat. Smith who twirled the ball for the visitors made the only hit, his work in the box was also good. The home team scored her runs in the eighth inning when Morrow and Bell used the stick with long range effect.

The following is the score by inning:

Score table with columns for R, H, E and rows for Gastonia and Charlotte.

Batteries—Kahrs and O'Mara, Smith and Rogers. Umpire G. G. Glenn. Struck out by Kahrs 1, by Smith 7, home run, Bell; 3 base hit Morrow; 2 base hit, Morris.

SECOND GAME.

The tables turned in the second game. Welch, who went in the box for Gastonia, was not effective against the visitors. The first inning the ball went over the fence and two runs were scored by the Charlotte boys. This happened again in the third. Charlotte never scored again until the 9th but the lead was sufficient to give them the game as it took all the ginger out of the home team. Brandon for Charlotte pitched fine ball the entire game, although the Gastonia boys pounded out seven hits on his delivery.

Score:

Score table with columns for R, H, E and rows for Gastonia and Charlotte.

Batteries: Welch and O'Mara; Brandon and Rogers. Umpire, J. D. Moore, Jr. Struck out by Welch 3, by Brandon 16. Home-runs, Smith and Sapp.

No greater mistake can be made than to consider lightly the evidence of disease in your system. Don't take desperate chances on ordinary medicines. Use Hollister's Rocky Mountain Tea. 35 cents, Tea or Tablets.

TALKS ABOUT TOWN.

Speaking further of things needed the observant citizen, who sees and hears most everything going, called the newspaper man's attention to the fact that Gastonia is in need of more cemetery room. He added parenthetically—and truthfully—that this did not indicate that Gastonia was not a healthful town or that its death rate was high on the contrary the reverse is true. Cemeteries are necessary things in every town and community in the world. There is not, he said, an unsold lot in Oakwood Cemetery and but few that do not contain at least one grave. A lot cannot be had for love nor money. Unless some generous citizen who owns a lot will let a portion of it go, the family which owns no lot must bury its dead member at Shiloh, where there are no private plots, or go to some burying ground out in the country. The writer records these facts here not because he has any desire to criticize the town officials or to have something to kick about but because it appealed to him as a matter demanding attention. Just why such is the case we do not know; that such is the case is stated on good authority. This is "graveyard" talk so don't tell anybody about it, gentle reader.
