MONUMENT AT KINGS MTN.
Surveyors to Make Relief Map to Aid in Fixing Site.

Charleston News and Courier.

Rock Hill, July 23.—Surveyor W. W. Miller, accompanied by Assistants Hiram White, Marvin Kimbrell and Jennings White, and carrying with them plenty of provisions and a good cook, left early this morning for Kings Mountain battle ground, where they will remain all week. Their purpose is to survey certain portions of the 40-acre reservation and make a relief map of same, in order to facilitate the selection of a proper site for the \$50,000 monument to be erected by the United States Government.

This work is done under the direction of the war department. The appropriation carries with it only provision for the monument and a proper enclosure for its protection, but it is hoped that in the future other things may come.

The Kings Mountain Battle Ground Association owns the forty acres which surrounds and includes the battle ground proper, and with some money and a little care the place could be made a very beautiful one, where the historical pilgrim could not only revel in sentiment but comfort.

Primeval
Upheaval,
Stand ever to tell
The story of battle
Thou knowest so well!

Forever
And ever
Thy message shall go,
A death to the passion
Of tyranny's blow.

And louder
And louder
The nations of earth
Shall sing of the glory
Of Liberty's birth.

Supernal,
Eternal,
Thy glory shall be
A symbol of Freedom
Eternally Free!

Upholding,
Enfolding,
Let victory brood
Her splendor-lent triumph
In every mood.

Primeval
Upheaval,
Stand ever to tell
The greatness and glory
Thou knowest so well!
