FOUR VICTORIES.

Gastonia Won Three Straight Games From Salisbury and One From McAdenville—Two More Contests This Week—Home Team Strengthened—Stouch Succeeds Cozart as Manager.

So far this week Gastonia has four victories on the diamond to her credit and she is expecting to win two more games from McAdenville, this afternoon and to-morrow afternoon—expecting to, mind you, as to whether she will or not remains to be seen.

Following Monday's game, in which the score stood Gastonia 4, Salisbury 3, Gastonia scored two other victories from the same quarters, Tuesday by a score of 5 to 3 and Wednesday by a score of 13 to 1. Only six innings were played on the last day, the game being so one-sided that the grandstand grew awfully and called for rest, sweet rest.

The score of Wednesday's game was:

Table with columns R, H, E. Gastonia 5 2 1 0 3 2-13 9 2. Salisbury 0 0 1 0 0 0-1 5 5.

Batteries: Smith and Swink; Belue, Prim and Anderson.

Gastonia defeated McAdenville yesterday afternoon by a score of 9 to 1, this being the first of a series of three games. Laval, Gastonia's new crack pitcher, did fine work, while Stouch, a new man on second, did some fancy playing. Gastonia hit Taylor, McAdenville's pitcher, hard. Gestonia now has by far the best team she ever had. Laval in the box is one of her strongest features.

Score: R H E. Gastonia 9 20 310 12-9 11 2. McAdenville 0 0 0 0 0 0 1 2 3.

Batteries: Laval and Swink; Taylor and Hamrick.

Gastonia has strengthened her team considerably by the addition of three new men. These are: Stouch, former captain of the Greenville, S. C., team, manager and second baseman; Laval, pitcher, Greenville; Will Johnson, Spartanburg, short stop. M. A. Cozart, who came here as manager, has returned to Alabama and is succeeded by Stouch, who is both a good manager and a crack player.

Mr. C. E. Spencer, president of the York County Southern Cotton association, has issued a circular letter calling upon all the members of the executive committee to meet at Tirzah next Friday, for the purpose of making a vigorous canvass for subscriptions to the capital stock of the York County Southern Cotton Association Agency. As has been stated it is desired to sell 5,000 shares at \$5 each, and the subscribers are being asked to pay down at the time of the subscription \$1 per share. Mr. Spencer said yesterday that he is assured that it would be an easy matter to raise the desired amount among business men and capitalists.

Among the principal attractions to be exploited are a splendid educational system, plenty of work and rapidly increasing real estate values.
