DROPPED DEAD.

Mrs. R. C. Mendenhall, Bride of Two Weeks, Expires Suddenly on the Street.

Mrs. R. C. Mendenhall, aged about 19 years, and a bride of only two weeks, dropped dead Saturday night about 8 o'clock on Main street a short distance west of the Avon Mill. Physicians who were summoned immediately after she was stricken but who did not arrive until after her death, pronounced the cause heart failure.

Mrs. Mendenhall, in company with her husband, had started up town to attend the moving picture shows. When they were near the home of Mr. T. H. White she complained that her legs were paining her. She had gone but a short distance further when she complained that she was unable to go further, falling at the same time unconscious on the sidewalk. With the aid of some passers-by she was carried to the porch of a nearby house where it was found that she was dead. Physicians were called but she was beyond human aid when they arrived. Mrs. Mendenhall was a young woman and was apparently in good health Saturday evening. She had been married only two weeks. She was a daughter of Mr. D. R. Horsley.

The body was taken Sunday afternoon to Union Grove church where it was laid to rest following funeral services.

TELLS HOW TO MIX IT.

A Well Known Authority Gives Directions To Prepare Simple, Yet Remarkable Home Mixture.

A well-known authority on Rheumatism gives the readers of a large New York daily paper the following valuable, yet simple and harmless prescription, which any one can easily prepare at home:

Fluid Extract Dandelion, one-half ounce; Compound Cargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Mix by shaking well in a bottle, and take a teaspoonful after each meal and at bedtime.

He states that the ingredients can be obtained from any good prescription pharmacy at small cost, and, being of vegetable extraction, are harmless to take.

This pleasant mixture, if taken regularly for a few days, is said to overcome almost every case of Rheumatism. The pain and swelling, if any, diminishes with each dose, until permanent results are obtained, and without injuring the stomach. While there are many so-called Rheumatism remedies, patent medicines, etc., some of which do give relief, few really give permanent results, and the above will, no doubt, be greatly appreciated by many sufferers here at this time.

Inquiry at the drug stores of this neighborhood elicits the information that these drugs are harmless and can be bought separately, or the druggists here will mix the prescription for our readers if asked to.

SOCIAL.

MUCH CONCERN FELT.

Ordinary Methods for Treating Catarrh Prove Unsuccessful.

Recent statistics showing an increase in catarrh have shaken the confidence of medical men in the usual prescriptions to safeguard human health from the ravages of this disease.

When stomach dosing proved ineffective, it was natural to look for some other treatment, and it is believed that in Hyomei an absolute cure for all catarrhal troubles has at last been found. Breathed through a neat pocket inhaler, its healing medication reaches every spot where there are catarrhal germs, destroys them, prevents their future growth, and soothes the irritated mucous membrane so that relief is felt almost instantly, while lasting cure is practically sure to follow.

The complete Hyomei outfit costs but \$1.00, and is sold by J. H. Kennedy & Co., under an absolute agreement to refund the money if it does not give satisfaction. It is the only cure for catarrh that has ever been sold under a guarantee to cost nothing unless it cures, but they have so much faith in its power to cure all catarrhal troubles that they are willing to take the risk, so if Hyomei does not help you, there will not be a penny's expense. Get an outfit at once on this liberal plan. 15-22

Miss Stevens Returns to Gastonia.

Charlotte Chronicle, Friday.

Miss Ida Stevens, a deaconess, of Gastonia, has returned to her work in that city after having been the guest of the Woman's Home Mission Society of Tryon Street Methodist church for several days. She greatly assisted the ladies of that church, and those of Trinity church as well, in the week of prayer services that have been in progress in both churches this week. As a deaconess of the M. E. Church South, Miss Stevens does successful home mission work in Gastonia under the auspices of the Main Street Methodist church of that city.

THE PASSING OF THE COMMON PEOPLE.

Joel Chandler Harris in Uncle Remus's Magazine for October.

"Thar aint no common people any more; they've all got rich or become uncommon. Some are hired by the trusts, some are peddlin' insurance, an' some are retailin' sick chickens an' rancid butter. Them that stay on the farm know a lots more about cow-ticks than they once did. Take 'em all in all, up one side an' down the other, an' under the bed for good luck, they aint got the sense that the'r granddaddies had. They're lots more progressive, an' they're more highly civilized; but when you bile them big words down, what do they mean? Why jes this: that they aint no way of swindlin' one another that they aint ketchin' on to. When you talk about political principals an' little things like that, all eyes are on the board, for to see whar the rake-off is a-gwineter fall. The blueclic gent has e'en about made his appearance, an' his place has been took by the feller that drives a lightning-rod sulky an' marries a new gal in ever' county. Ol' things have passed away, an' new have come in sight w' the pirate flag a-flutterin' to the four winds."

The steamer *Cyprus* was wrecked on Lake Superior Friday night and 22 members of the crew were drowned.

APPEAL FOR THE FARM.

Independence And Happiness Flourish On The Soil.

Gov. Hughes, in Leslie's Weekly.

When you get out where a man has a little elbow room and a chance to develop, he has thoughts of his own. His thinking is not supplied to him every night and every morning, and he is less of a machine and more of a man so that I do not think that the farmers' need to be looked upon, or wanted to be looked upon, as dependents of the State. They do not come to the State government asking alms. They are self-reliant, they are intelligent. What we want in connection with every other field of noble effort, we want training, we want intelligence, we want scientific method, we want direction, we want the way shown and then the man can walk in it. There is no reason why the same care and attention and skill and scientific consideration should not be devoted to agriculture as to industry and the technical trades. The men who are running away from the farms too frequently make a mistake, and some day in New York—and the day is rapidly approaching—our young men, in larger numbers will wake up to the fact that they have a pretty good chance on the farm, and that they may be to a greater degree independent and happy in life if they stay where their happy lots were cast in connection with the fathers' farm or another which they may be able to procure.

Accidents will happen, but the best-regulated families keep Dr. Thomas' Electric Oil for such emergencies. It subdues the pain and heals the hurts.

Carnegie, the Kicker.

Southern Farm Magazine of Baltimore.

It comes with rather poor grace for Andrew Carnegie to object to the high assessment on his property in New York city. How in the world does he expect New York city or any other municipality loaded with a Carnegie "free library" to raise the money for the support of his "philanthropy," according to the usual condition of his gift, without assessments of property being increased?

Life's Journey

Is Burdensome to Many in North Carolina.

Life's journey is a heavy burden. With a constantly aching back, with urinary disorders, diabetes, with any kidney ill. Doan's Kidney Pills relieve and cure.

J. H. Robinson, bricklayer, of 915 N. Tryon St., Charlotte, N. C., says: "For a long time I suffered with a bad back, undoubtedly due to disorders of the kidneys. The secretions were all out of sorts, very dark and full of sediment. I heard of Doan's Kidney Pills and got a box at a drug store, and gave them a thorough trial. They restored the secretions to their natural color, made the secretions normal and strengthened my back so that it does not pain me at all. In fact, I have not had an ache since I used the remedy."
