### FOOT BALL.

**A. & M. College to Play Davidson in Charlotte Saturday.**  
Correspondence of The Gazette.

Raleigh, N. C., Nov. 11.—Davidson College plays the Agricultural and Mechanical College, of Raleigh, in Charlotte, Saturday the 16th of Nov. at 3:30 p. m.

This game will be played for the championship of the South Atlantic States, and promises to be a fight to the finish, for neither team has been defeated this season, and the best team will win.

The A. & M. aggregation have several men such as Sadler, Beele and Wilson Sykes, of the University of North Carolina, all of whom are well-known in the football circles and alone would be a team themselves.

The Presbyterians will have all of their team in the game on that date and they have already shown their strength against the University of Virginia on Sept. 27, the score on that date being Virginia 5 and Davidson 5, also against V. P. I. on Oct. 26th the score being a victory for Davidson, Virginia Polytechnic Institute 5, Davidson College 12.

This will undoubtedly be the best game of football on any Southern gridiron, and any one failing to see the game will miss a treat. The railroads will entertain all.

### CALLS IT BANKERS PANIC.

**Treasury Official Charges Them With Responsibility for Tight Money.**

Washington Special, 6th. to Richmond Times-Dispatch.

This is a bankers' "panic," said a high official of the Treasury Department to-day. "The bankers of the country have become scared, and are money tight, though, of course, I do not mean to assert that the banks are solely responsible for present conditions."

He went on to tell how several banks which are United States depositories and have hundreds of thousand of dollars of government money in their vaults refuse to cash government warrants.

Members of Congress are now receiving the monthly salaries in coin, which is expressed to them by the sergeant-at-arms of the House of Representatives, who is the disbursing officer of that body. Western members have written him that the banks have refused to cash checks for their salaries, and the checks have been sent back and coin sent instead, the Representatives paying the cost of carriage. Representatives in every State of the middle and far West are getting their money in this way.

The Treasury Department has written some exceedingly sharp letters to banks which have government funds on deposit, yet refuse to cash checks drawn by the government.

Secretary of War Taft and his party sailed from Manila Saturday for Vladivostok, Russia.

### SOCIAL.

The following is from the Chester Lantern of Nov. 8th:

"One of the most beautiful receptions of the season was that given by Mrs. L. T. Nichols at her home on York street in honor of her daughter, Mrs. W. E. Nichols. The house was decorated for the occasion. The decorations were green and white; and lovely potted plants, palms and ferns, with graceful garlands formed an ensemble that lent a delicate and bewitching grace and loveliness to the scene. The dining room was especially pretty. The table was arranged so as to represent a lake, with green and white tulle festooned above. The color scheme of green and white was carried out in the refreshments.

Green candles in silver candelabra were used in all of the rooms and the electric lights were shaded in green.

Mesdames J. S. Booth and L. D. Childs met the guests at the door and made them welcome. Little Misses Letitia Key and Elizabeth Lindsay and Master Tom Nichols bore the card trays.

In the receiving line were Mesdames L. T. Nichols, W. E. Nichols, Sam W. Klutz, L. C. Crenshaw, and McIlwain, of Rock Hill. Others assisting to receive were Mesdames J. W. Reed, Edw. Guy, Jos. Lindsay, Claudia Key R. E. Sims, W. A. Corkill. In the hall Mesdames J. H. Smith and J. S. Snyder served coffee.

The refreshments were served by Misses Mary Patterson, Fanniebell and Mary Thompson.

### Mayor's Court.

In the mayor's court yesterday morning the following cases were disposed of: John Brandon, drunk and disorderly and reckless driving, fined \$2.50 and the cost in each case; Abner Pierce, reckless driving, fined \$2.50 and the cost; Ed Scruggs, drunk, forfeited a bond of \$7.50.

Six inches of snow fell Sunday in Michigan and there was a heavy gale on the Great Lakes.

### Death of Child.

Amie, the little two-year-old daughter of Dr. and Mrs. Mac G. Anders, died Saturday afternoon, after a lingering illness of several months. The funeral services were held at the home on West Main street Sunday afternoon at 3 o'clock conducted by Rev. E. L. Bain. Oakwood body was laid to rest in the City Cemetery. The bereaved parents have the tenderest sympathy of their many friends in the loss of their beloved little one.

### Church Dedicated.

The Holy Communion Lutheran church at Dallas was dedicated Sunday and Rev. P. D. Risinger formally installed as pastor. The dedicatory sermon was preached at 11 a. m. by Rev. W. A. Deaton, of Hickory. Mr. Deaton also preached the installation sermon in the evening, delivering the charge to both the pastor and congregation. Large and appreciative audiences heard both the able sermons delivered by the visiting preacher.

## SOME STATEMENTS REGARDING NEW THEORY

**Followers of Cooper and His Novel Ideas Give Reason for Their Belief in Him.**

With a theory that human health is dependent on the stomach and with a medicine which he says proves this theory, L. T. Cooper, a comparatively young man, has built up an immense following during the past year.

Cooper has visited most of the leading cities of the country, and in each city has aroused a storm of discussion about his beliefs and his medicines. Wherever he has gone, people have called upon him by tens of thousands, and his preparation has sold in immense quantities.

The sale of this medicine has now spread over the entire country, and is growing enormously each day. In view of this, the following statements from two of the great number of followers which he now has, are of general interest.

Mrs. Agnes Vigenhouser, of 942 St. Louis Avenue, Chicago, has the following to say on the subject of the Cooper preparations: "For more than ten years I was broken down in health. I could not sleep and I was very nervous. Gradually I began to lose my memory, until I could not remember things from one day to another. I had severe pains and cramps in my body, and I would at times see dark spots before my eyes. I was unable to do any work whatever, as my strength was failing. I had no appetite, nor could I take any medicine. I had about given up hope of ever being well again when I read of Mr.
