ORGANS WON PRIZE.

High Point People Proud of Showing.
Special to Charlotte Observer.

High Point, Nov. 6.—The High Point organs took first prize at the Yadkin Valley Fair at Salisbury last week. This is especially complimentary when it is known that they were in competition with five of the largest factories in the United States. Mr. W. G. Shipman, the able secretary and treasurer of the High Point Piano and Organ Company, is doing a splendid business, beginning with a small business a few years ago until now the company ships 300 organs a month.

TIME EXPIRES DEC. 1st.

After That Date Old School Books Cannot be Exchanged for New.

The following letter from the State Superintendent of Public Instruction to County Superintendent Hall will be of interest to the patrons of public schools: "To the County Superintendent.

Dear Sir:—By agreement with the publishers, the time for exchanging school books, which would have expired September 1, 1907, was extended to December 1, 1907. Old books cannot be exchanged for new books on the adopted list after December 1st. I write to urge you to let every teacher in your county know that the books must be exchanged by that date, and to instruct every teacher to let every patron know this through the children of the school. Books that were on the previous adopted list, and are now in useable condition, can be exchanged for the books on the present list of adopted books adopted in place of the old books. The law requires the use of the books on the adopted list. Their adoption in all the schools before December 1st is necessary in order to get the benefit of the exchange prices; and it should be rigidly enforced immediately, because the law requires it, and because uniformity in the course of study prescribed demands it. Please see that all teachers and all patrons are notified through circular-letter from you and through your county paper.

"Now is the best time also to enforce the adoption in all your schools of the course of study contained in the bulletin sent out from my office, and to secure the proper gradation and classification in all your public schools. If you need more copies of the bulletin containing the course of study write for them at once and they will be sent. See that a copy is placed at once in the hands of every teacher in your county.

Very truly yours,
J. Y. Joyner,
Superintendent Public Instruction.

SOMETHING SHOULD BE DONE

What is Causing the Increase of Catarrh in Gastonia?

In spite of the best efforts of medical men, catarrhal troubles are increasing not only in Gastonia, but all over the country. Catarrh is a germ disease, and to cure it germ life in the breathing organs should be destroyed, and to do this no other treatment has such positive and beneficial action as Hyomei.

When the mucous membrane is irritated and raw and the tissues weakened, there is an ideal lodging place for catarrhal germs. Breathe Hyomei and see how quickly it soothes the membranes, vitalizes the tissues and destroys all the disease germs, rendering catarrh no longer possible.

There is no dangerous stomach drugging when Hyomei is used; no tablets or liquid mixtures destroying digestion.

Breathed through the neat pocket inhaler that comes with every Hyomei outfit, the healing balsams penetrate to the most remote air cells of the throat, nose and lungs, destroying the catarrhal germs so that quick recovery follows.

J. H. Kennedy & Co. agree to refund the money to any purchaser of Hyomei who does not find that it does all that is claimed for it. The complete outfit costs but \$1.00. 26 3.

—There are two attractive show window displays at J. M. Belks Company's. One contains and improvised house in which a doll's tea party is in progress. The other contains a display of ladies goods with a wax figure in the centre, the latter occupying a position in the oval end of a horseshaped brown and leather colored paper work which is very attractive.

SOCIAL.

Miss Ellen Blair Harvie and Miss Lottie Blake have returned from Danville, Va., where they went to attend the wedding of Miss Harvie's sister the following account of which is from the Danville Register:

"The marriage of Miss Sadie Rutherford Harvie and Mr. Raymond Hall was solemnized Wednesday evening, at 9 o'clock at the Church of the Epiphany, Rev. J. Cleveland Hall, father of the groom and rector of the church officiating.

The beautiful chancel was decorated in white and green. Tall palms formed a background through which gleamed the soft light of numerous candles. Vases of chrysanthemums were placed about the altar. The communion rail and choir stalls were draped in white and covered with ferns.

As the first note of the organ pealed forth, the vested choir entered, and marched down the center aisle singing the Bridal Chorus from Lohengrin.

They were followed by the ushers, then came the maid of honor, Miss Janie Meade Harvie, sister of the bride, gowned in pink messaline and real lace, carrying pink chrysanthemums.

The bride entered on the arm of her father, who gave her away. Her gown was a lace robe, made en Princess. The bride was met at the chancel steps by the groom, who with his best man, Mr. Edward B. Young, had entered from the vestry. They proceeded to the altar where the ceremony was performed, at the conclusion of which the choir, kneeling, sang, "O, Perfect Love." After the benediction the bridal party retired in reverse order.

Following the ceremony a reception was held at the home of the bride, which was attended by relatives and a few intimate friends.

The bride is the daughter of Dr. and Mrs. L. E. Harvie, and is prominent in social circles.

The groom is the only son of Rev. and Mrs. J. Cleveland Hall and is one of the leading young business men of the city.

Mr. and Mrs. Hall left on the midnight train for New York. On their return to the city they will reside at 115 Jefferson street.

—Miss Zeldia Long will leave to-morrow for Greensboro to visit her sister, Miss Bertha Long, at the Greensboro Female College.

—Mr. R. L. Swan is able to be out after being confined to his home for the past two weeks by illness.

—Rev. and Mrs. John W. Moore and two children, May and John W. Jr., are the guests of Mrs. Moore's mother, Mrs. L. C. Eury, having come to Gastonia from Salisbury, where they attended conference. Mr. Moore was appointed to the pastorate at Hendersonville and will leave Friday for that place.

—Rev. and Mrs. J. H. Bennett, of Lowell, were in town yesterday on their return from Lincolnton, where they had been since Friday visiting Mrs. Bennett's parents, Mr. and Mrs. M. B. Armstrong. They made the trip in a buggy. Mr. Bennett will leave Thursday for Pineville, to which work he was appointed by the recent conference.

HUMAN RACE AFFLICTED WITH QUEER DISEASE

Cooper Says Internal Parasites Cause Much Suffering Everywhere.

The following remarkable statement was recently made by L. T. Cooper, its discoverer, the preparation which has been so widely discussed throughout the country during the past year, and has sold in such enormous quantities in leading cities:

"It is now a well-known fact that wherever I have introduced my New Discovery medicine, hundreds of people have brought internal parasites, or tapeworms, to me. In many cases these people did not know the nature of the parasite, and were consequently extremely nervous until I explained the matter to them. In some cases so many have had this experience that the public generally became alarmed.

"I take this opportunity of explaining what these creatures are, and what I have learned about them in the past. Tapeworms are much more common than would be supposed. I venture to say that ten per cent of all chronic stomach trouble, or what is known as a 'rundown' condition, is caused by them. An individual may suffer for years with one of these great parasites and not be aware of it.

"Contrary to general belief, the appetite is not greatly increased—it only becomes irregular. There is a general feeling of faintness, however, and a gnawing sensation in the pit of the stomach. "People afflicted with one of these parasites are nervous and depressed. Their chief sensation is one of languor, and they tire very easily. Lack of energy and ambition affect the body, and the mind becomes dull and sluggish. The memory becomes not so good, and the eyesight is generally poorer. "The New Discovery, in freeing stomach and bowels of all impurities, seems to be fatal to these great worms, and almost immediately expels them from the system. I wish to assure anyone who has the experience just related with my preparation, that there is no cause for alarm in the matter, and that it will as a rule mean a speedy restoration to good health. "The Cooper medicine is a boon to stomach sufferers. We sell them—Frost-Torrence & Co.

TWO GOOD SERMONS.

Rev. E. L. Bain Preaches Final Sermon to Main Street Methodist Congregation Before Going to Charlotte—Rev. John W. Moore Delights Large Audience.

Rev. E. L. Bain, who has completed his four-years pastorate at Main Street Methodist church and who was appointed by the recent conference at Salisbury to the pastorate of Trinity church at Charlotte, preached his final sermon to a large congregation Sunday morning before entering upon his discourse. Mr. Bain made some very timely remarks regarding the work of the recent conference especially with reference to the appointments and severely criticised The North Carolina Christian Advocate, the official organ of the conference, for its adverse criticisms of Bishop Morrison's administration of affairs with particular reference to his appointments.

Mr. Bain preached an excellent sermon from Phillipians 3d chapter, 12th, 13th and 14th verses: "Not as though I had already attained, either were I already perfect; but I follow after, if that I may apprehend that for which also I am apprehended of Christ Jesus. Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." The subject was handled in a most thoughtful and instructive manner and was heard with great interest by the congregation.

Mr. Bain and family leave this afternoon for Charlotte where they will take up their residence. During their four years residence here they have made a large number of friends all of whom regret exceedingly their departure.

In the evening Rev. John W. Moore, an old Gaston boy who is rising rapidly in the conference, preached to a large and interested audience, taking as his text Psalms 68:16: "Come and hear all ye that fear God, and I will declare what he hath done for my soul." Witnessing for Christ was his theme and he handled it in a most pleasing and instructive manner. Mr. Moore has been pastor of Walnut Street church, Greensboro, and was appointed at the recent conference to the pastorate of the church at Hendersonville. He is here with his family spending a few days with his wife's mother, Mrs. L. C. Eury.

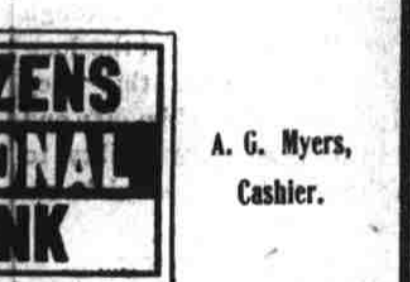

The work of digging the foundation for the new annex to the Gaston Loan & Trust Co's building was begun yesterday morning. Messrs J. E. & R. L. McAllister have the contract for the brick work.

The second annual show of the Gaston Poultry Association will be held December 31st and January 1st, 2d and 3d. It is not known as yet just where the exhibition will take place but negotiations for a building are now pending. The show promises to be by far larger than the first one. Last year there were about 400 fowls on exhibition and the managers of the show believe they will have fully 1,200 this year.
